

Planning for a More Beautiful Prineville

The Civic Improvement Department of the Ladies' Annex met Tuesday afternoon at the ladies' parlors and disposed of several matters of importance relating to the improving of Prineville.

Mrs. Kayler was elected secretary. A committee consisting of the officers was appointed to confer with the Fair Association for the purpose of improving the fair grounds.

It was decided to divide the town into sections for the purpose of creating a greater interest and a friendly rivalry in beautifying the town. The divisions, together with the respective committees for encouraging this work, are as follows:

East end includes all property owners east of F street and extends to the Ochoco. F street runs north and south in front of public school building. Committee—Mesdames Shipp, Ross, Bechtell and Howard.

Second section extends from F street to Main and north to Ochoco. Committee—Mesdames Cooper, Hyde and Wigle.

Third section extends from Main to Crooked river and north to Ochoco. Committee—Mesdames D. F. Stewart, Reames, Bell and Hodges.

North side includes section north of Ochoco. Committee—Mesdames C. M. Elkins, Pollard, Balfour and Joe Lister.

The question of making and improving a play ground back of Club Hall was discussed and referred to next regular meeting for discussion.

A committee to encourage the school children to plant and care for flowers was appointed. It consists of Mrs. R. E. Gray, Misses Hewes and Jeffries.

Any person having shrubs, trees or vines to donate to the park is requested to phone or see Mrs. Clifton.

Every man, woman and child is requested to help keep alleys and streets clean. Get everything cleaned up by May 8th.

Good Club Meeting Monday Night

There was a good lively meeting of the Commercial club Monday night.

L. M. Simpson of the Deschutes Power Co. presented a communication from the Redmond Chamber of Commerce touching upon the building of a railway from the Hub City to Prineville. Mr. Simpson also stated that if he had any plan to submit his people would consider it. Messrs. Bowman, Duffy and Shattuck were appointed a committee to go with Mr. Simpson to the Prineville Railway Committee and find out where we stood in railroad development.

A communication was received from Raymond S. Goff of Grizzly asking assistance of the Prineville Commercial Club to bring the State Grange Convention to Prineville in 1915. The Grange expects to do considerable extension work in Crook county next year and a little effort at the Monmouth convention May 17, this year, would land it for Prineville in 1915. The proposition found favor with the club and Mr. Goff was appointed a delegate to Monmouth to represent the Prineville Commercial Club next month. He is to use his best efforts to bring the convention to this city.

A communication was received from the Paulina Commercial Club asking for information. It was thought that the present six-day a week mail service was to be cut down to thrice-a-week after July 1st. An effort will be made to retain the old service.

Mesdames Winnek and Gray Entertain

Last Saturday afternoon Mrs. Charles I. Winnek and Mrs. Robert E. Gray were "at home" to the Ladies' Sorosis Club of Powell Butte and the Shumia Literary Club of Prineville.

The parlors of the Winnek home were artistically decorated with lilacs, apple blossoms, iris and carnations and the dining room, which was kept closed until serving time, was beautifully festooned with crepe paper in the colors of both clubs. A large bouquet of old rose carnations rested in the center of the table with bouquets of apple blossoms at either end. Artificial lights further enhanced the pleasing color scheme.

The guests were met at the door by Mrs. Lakin and later presented to the reception committee by Miss Ada Morse. The above committee consisted of Mesdames Gray, Winnek and Kayler. The guests were further received and introduced by Mesdames Brink, Edwards and Belknap.

The following interesting program was enjoyed by all: "Legend of Prineville"—written by Mrs. Millican and read by Mrs. Morse.

"A Human Plant"—by Burbank—Mrs. Guy Lafollette.

Solos—"A Perfect Day," "The Four Leafed Clover,"—Miss Conway.

Paper—"Situation in Mexico"—Mrs. Gray.

The Shumia program for next year was read by Mrs. Lafollette.

A flower game followed in which everybody tried to get everyone else to help make up his special flower.

The guests were then escorted to the diningroom where Mrs. Henry W. Howard and Mrs. Hugh R. Lakin served them with salad, coffee, sandwiches, marshmallow pudding and cake.

The afternoon closed with a humorous singing contest, after which Mrs. Winnek presented the winner, Mrs. Smith, with a beautiful bouquet of carnations tied with the Sorosis colors.

Mrs. Smith, who is president of the Sorosis Club, voiced the pleasure and thanks of her club in a few well chosen words.

Presbyterian Christian Endeavor

Tuesday evening, April 28, the executive committee of the Presbyterian Christian Endeavor Society discussed plans for their spring and summer work.

A new feature is the efficiency class under the guidance of Miss Eleanor Whitmore who has had much experience in Endeavor work in Kansas City, Mo.

The following comprise the new executive committee: President, Mrs. Van M. Morse; vice-president, Robert Douglas; treasurer, Marion Rice; secretary, Audrey Noble; chairman of committees—prayer-meeting, Norris Bixby; social, Violet Lister; lookout, Clarence Bixby; flower, Edith Smith; temperance, Mrs. Pearl Kayler; music, Mrs. Robert Douglas; finance, Marion Rice; what-so-ever, Paul Prater.

The young ladies are planning a candy sale for Friday afternoon, May 1, to be held near the public school grounds.

Leave Monday, May 4th

Dr. Ida Behrendt will leave for Paulina and Burns, Monday, May 4th. I will return to Prineville again to September. I wish to thank my many patients in Prineville for their patronage. Anyone wishing to hear from me at any time please write me at Baker, Oregon. Will be at Paulina May 5 to 12. Burns May 11 to 21.

Public School Plays to Crowded House

Last Friday evening the club hall was filled to overflowing to witness "The Magic Bell" which was presented by the pupils of the public school. Every seat was taken long before the curtain rose and every available chair from the building was quickly pressed into service. It was then found necessary to construct a number of temporary seats with boards, but all could not be seated.

That the large crowd was highly entertained was shown by their frequent and hearty applause and their most favorable comments, many stating that it was the best entertainment ever given by the public school.

The play was new and interesting from start to finish and every character was well chosen. The little fairies with their light green dresses and silver wings, together with the elves in their brownie suits were always welcome and everyone was glad when the fairy princess rang her bell calling for these little people.

Each and every character deserves special mention but particularly Dessel Johnson as "Countess of Broomstick;" the character of "Angela," a poor girl, was well taken by Ledosia Jacobs, so also was "Rosa," her sister, by Hazel Yancey. "Miranda," the fairy princess, was well conceived. Wallace Cadle as "Lothar," King of Burgundy, acted the part. "Dr. Fontanelli," by Lynn Cram, was well done.

The musical specialties under the direction of Miss Hubbard and Mrs. Lewark were especially good.

Much credit is due to Mrs. Gitchel-Morse, under whose direction the play was given, and every pupil and teacher who helped in the work.

The school took in \$90.25 which they expect to use for books and some necessary furnishings which they have already purchased.

County Agricultural Agent on the Job

Amos E Lovett is the new Crook County Agricultural Agent, with headquarters at Redmond. He works in co-operation with the Oregon Agricultural College and the United States Department of Agriculture. He is anxious to get in touch with our farmers so as to be able to help solve their problems. There are many things about soil preparation, selection of seed, varieties of crops that call for expert knowledge. He will be glad to furnish it. He wants demonstration plots in both the dry and irrigated sections. Start the ball rolling early. Get an acre ready for demonstration work. Mr. Lovett is in Prineville today to look over this part of his field.

Miss Alice D. Pratt Gives a Week-End

Miss Alice Day Pratt entertained the Misses Hewes, Hubbard, Evans and Jeffries at her home Broadview Ranch, last Saturday and Sunday. The party left town Saturday morning and had a very interesting ride as the day was pleasant and the scenery beautiful. At noon they stopped for a picnic dinner and about 5 p. m. reached Broadview where supper was prepared in the most approved camp fashion. The evening was spent with some of the neighborhood friends around a large camp fire. Sunday the crowd was entertained at a delicious dinner given by Mrs. Otto Gray at Bonnyview Ranch. The party reached home Sunday evening at about 8 p. m., voting Miss Pratt a most delightful hostess.

"Les Miserables" at Presbyterian Church

At the Presbyterian church next Monday evening, May 4, Mrs. John Wigle will review Victor Hugo's wonderful novel, "Les Miserables," under the auspices of the freshmen class of Crook County High School. Mrs. Wigle gave her review last Monday night at Bend and Tuesday night at Redmond and the freshmen class and their friends are indeed fortunate in being able to secure this rare literary treat.

"Les Miserables" is one of the world's greatest masterpieces, a true story of life with all its joys and sorrows, its trials and victories and is intensely interesting from beginning to end. Besides the book review there will be several musical numbers.

Crook County High Too Much for Burns

The Crook County High School boys gave a good account of themselves at Burns, both in baseball and basketball. After playing two games with the Burns high the Harney county boys gave it up and two games were arranged between the town baseball team and the C. C. H. S. boys. The first game resulted in a score of 1 to 1, but the second went to Burns 7-3. The Burns town team is a good one. In the basketball game Crook County High won by a score of 27 to 9. The boys report a good time and had the best of care. They got back home Tuesday evening.

The return games with Burns will be played this week—Thursday, Friday and Saturday.
