

## OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout  
the State During the Past  
Week.

**Bossen is Indicted for Wife Murder.**  
Eugene.—Andrew Bossen, charged with deliberately murdering his wife, the mother of a 9-month-old baby, must stand trial in the circuit court in Eugene. The motive is said to have been for the insurance money or because of love of his pretty sister-in-law.

He was indicted after the grand jury had heard the testimony of the chemist who examined the stomach of the dead wife, whom the coroner's jury stated had died from poison, and the testimony of Dollie Levins, the murdered woman's sister.

The grand jury, before being dismissed, held Thomas Russell, of Glendale, for trial, charged with attacking M. W. England, a neighbor, with a knife with intent to kill. At the time of the arrest England was not expected to live.

**Klamath Interests Will Work for Bill.**  
Klamath Falls.—Fearful lest the reclamation bill extending the time for payment of the costs of a project from 20 to 25 years will not be acted upon at this session of congress unless pressure is brought to bear upon the members, the water users of the country are making preparations to send representatives to Washington to make personal appeals. Projects in other states are wiring the Klamath Water Users' association to send President Abel Ady to Washington as a representative, on account of his successful experiences in the past.

**Vault to Be Opened 2914.**  
Eugene.—If a little building of solid concrete lasts through ten centuries, future generations will have permission 1000 years hence to open a vault in the new Hope Abbey mausoleum, which stands virtually completed in the Masonic Cemetery in Eugene, and obtain documents of the present-day hermetically sealed within.

"To be opened in 2914," is to be deeply engraved upon the marble face of one of the columbarium niches which honeycomb the structure, completed at a cost of \$40,000. The urn containing the records was sealed Thursday.

**WILL AID IMMIGRANTS**  
Schools Will Be Started to Teach American Language, Government.

Eugene.—To make the German a better American citizen when he applies for his naturalization papers is the aim of a movement launched at the eighth annual convention of the Staatsverband von Oregon, the confederation of 45 German-speaking societies in Oregon, with 170 members and delegates in session here. The Germans committed themselves to raise funds to establish schools for this purpose throughout Oregon. The first will be located in Portland, with others following rapidly in the German-speaking centers.

The sole aim is to educate the new arrival from Germany into the ways of American citizenship, and to make him a better American than he would be otherwise. This includes the teaching of the American language, government and ideals.

At this time important resolutions will be voted upon. One of these is a protest against state-wide prohibition in Oregon and another is the nationwide anti-liquor movement.

**Alleged Slayer is Ill.**  
Roseburg.—Acting upon affidavits furnished by four local physicians, the trial of Morrison Campbell, charged with the murder of John Becker at Cleveland, Or., on April 16, has been continued indefinitely. The physicians testified under oath that Campbell's present physical condition was serious and that a trial at this time might result fatally.

**Consider Oregon's Problems.**  
Eugene.—Oregon development, municipal reform, the Oregon system, and the relation of women to politics, were the four general problems which were considered, respectively, in the four sessions of the commonwealth conference here.

**Postal Election Urged.**  
Pendleton.—An election in which none but democrats would be candidates has been proposed here and is being considered by leading citizens as a means of breaking the deadlock over the appointment of a postmaster.

**Sheepmen Plan to Quit.**  
Pendleton.—Unwilling further to cope with the settling of the range under the 220-acre homestead act and short pasturage, many of the largest sheepmen of eastern Oregon are selling off their flocks with the view of giving up the wool raising industry.

## TART AMENITIES EXCHANGED

Antis Take Exception to Being Likened to Polecats.

Washington.—The headquarters of the National Association Opposed to Woman Suffrage issued a statement which charges that the suffragists called the antis "polecats" in a resolution adopted by the 47th annual meeting of the New England Suffrage Association. In their retort the antis call the suffragists "social revolutionists" and declare there is nothing in common between the suffragist and true feminist.

The antis say the New England suffragists passed a resolution at their annual meeting saying:

"We denounce as a gross slander the charge of the anti-suffragist that equal suffrage means loose morals, and we protest especially against their attributing to prominent women statements which these women have emphatically disclaimed."

"These are the antics of the polecats when badly frightened."

**New Bishop to Be Chosen.**

Portland.—To select a successor to Bishop Scadding a diocesan convention has been called for September 16.

The convention will be attended by members of the clergy and laity. The clergy, by majority vote, select their candidate for bishop, who must then be approved by majority vote of the laity.

## MEDIATORS TO IGNORE REBELS OF MEXICO

Niagara Falls, Ont.—The South American envoys, it became known, virtually have resolved to go ahead with their plans for a two-party agreement between the United States and the Huerta government and for the time being ignore the question of rebel representation.

The Huerta delegates expect to receive General Huerta's approval of the essentials of the peace plan, together with his opinion on some of the names suggested for the new government.

Consideration of an agreement between the Huerta government and the United States was temporarily interrupted when Juan F. Urquidi, a representative of General Carranza, laid before the South American envoys a note expressing surprise that the mediation negotiations were continuing with the constitutionalists unrepresented.

After a long debate the mediators decided not to permit Urquidi to present the communication from his chief. Then after a conference with the American delegates, the mediators decided to admit the note carried by the Carranza emissary.

**Leavenworth Has Fire.**

Leavenworth, Wn.—Fire destroyed the west end of Front street at 2:30 Sunday morning from the Overland Hotel building to the bridge.

This was the largest fire ever occurring here and only by hard work was the Great Northern depot and water tank saved.

## BRIEF NEWS OF OREGON

Good prospects of oil have been struck at Lorane.

More than \$4000 worth of volunteer road work was done on the roads of Linn County on Good Roads day.

Plans have been completed for the establishment of a military academy in Jacksonville to be opened in September.

Snow, sufficiently heavy to cause suspension of work for several hours is reported as having fallen at the Simpson Logging company's camp, about 20 miles from Dallas, last week.

Masons from all Oregon will meet in Portland June 10-12, inclusive, at the sixty-fourth annual communication of the Grand Lodge A. F. and A. M. of Oregon.

On the grounds of fraudulent misrepresentation at the time of entry the United States supreme court invalidated title to four tracts of coal lands held by the Washington Securities Co. of Oregon.

The Aurora postoffice was burglarized last week. The safe was carried down the railroad track, and nitroglycerine was used to blow it open. Stamps amounting to more than \$1000 and money order blanks were taken, as well as private papers belonging to the postmaster.

Vergil Chenoweth, a 19-year-old farmer living 10 miles east of Oakland, is the largest turkey grower in Douglas county. This year he has a herd of 500. Mr. Chenoweth has also started a skunk farm, and now has 24. To these he plans to feed the turkeys that might die.

Arrangements are being made to again commence operations in what is known as the Dallas oil field. Two wells drilled near Dallas more than a year ago showed unmistakable signs of oil and one of these is to be reopened and drilled deeper and then shot, with a hope of developing a producer.

The Canby postoffice was robbed last week, the robbers leaving no clew except the tools with which they had forced the doors. The office has no safe, as the postmaster keeps his supplies in the bank vault, and as near as can be ascertained the loot taken consists of \$10 in money and part of a book of money orders containing 14 black orders.

Through the successful and vigorous work of Claude C. Cate, county agriculturalist, blight ravages to apple and pear trees in the Grande Ronde valley have been greatly arrested if not wholly overcome. Some orchards were so badly infected with the disease that they had to be destroyed entirely and other orchards have undergone a scientific process of pruning under his direction.

Members of the Japanese colony in The Dalles will help celebrate Independence Day in that city, July 3 and 4. The Japanese have raised \$150 and through M. Shimomura, have secured a like amount from the executive committee, which is arranging for the celebration. The entire amount has been turned back to the Japanese, and they will have full charge of the fireworks, for which the money is to be used.

Preparations are under way by the farmers and livestock breeders of south Polk county to make a big exhibit of products at the Panama-Pacific exposition in 1915. The breeders of goats, sheep, horses, cattle and hogs expect to have their stock well represented. Growers of hops, prunes and grain say they will collect samples and send them to San Francisco in a gigantic lot from Polk county.

Three quarters of a million dollars is saved annually to the shippers of the state through the work being done by the state railroad commission, according to a statement made by the commission in response to an inquiry from the commercial club traffic bureau of Salt Lake City. This saving is made by reductions on intrastate shipments of freight and is declared to be easily proved by court records and the files of the commission.

Instead of entering a Rogue River Valley general display at the Panama exposition, Jackson county will have a specific exhibit embracing agriculture and horticulture, lumbering and mining. Work has begun in a horticultural way, especially in the line of processed fruits. This specialty is under the supervision of H. O. Frohbach, of Ashland, the county court having appropriated a sum for the purpose. Strawberries and cherries are being handled in this manner, and other fruits will be handled in season.

The Southern Pacific company must tear up its tracks and abandon its Natron extension towards Klamath Falls for a distance of 15 miles, or it must build Lane County a wagon road as good as the one it appropriated in the narrow Middle Fork of the Willamette valley between Natron and Onkridge. The railroad has built a substitute wagon road over the hills above the river, but this is not as good a road as it agreed to build, according to Judge L. T. Harris, who has filed a decree in the \$100,000 damage case and injunction suit against the Oregon & Eastern and the Southern Pacific railroads.

## The Buick Car Sets Mark in a Run

Twenty and One-Tenth Miles Made on One Gallon of "Gas"

Twenty and one-tenth miles on one gallon of gasoline by a six-cylinder Buick car! That's the mark that the Buick Motor Company may advertise to the world as an official performance.

Not only did the Buick "Six" set this remarkable economy mark on January 14, but the Model B-25, under similar running conditions, made 22.7 miles per gallon, while a third machine, a Model B-37, with no gravity feed tank for the measured gallon of gasoline, made 17.97 miles. The later two models are fours.

With F. E. Edwards, former American Automobile Association technical expert and one of the most conscientious officials in the industry, in charge of the technical committee and with Darwin Hatch, St. Clair Couzens, Reed Parker and E. G. Westlake to furnish the affidavits as passengers in the Buick cars, the machines were taken to Thirty-third street and South Park avenue, Chicago, where the attested Warner speedometers were set and officially recorded by Messrs. Edwards and Hatch, engines were run until they had sucked the gasoline leads dry and the technical committee carefully supplied each car with one gallon of gasoline that rated 62 in a temperature 55 degrees Fahrenheit.

Soon after the machines reached Jackson Park, where a two-mile circuit at and near the lake shore was utilized for a testing ground, the wind set in off the lake, the roadways became sheeted in ice and the temperature fell to 32 degrees. The southwest wind, that blew 23 miles an hour at the start, shifted off the lake and became raw and cold, offering great resistance to the machines.

The Buick "six" weighed 4550 pounds, with four passengers and equipment, the "25" weighed 3300 pounds and the "37" 3780 pounds, including four passengers and equipment. The "six" has an engine 3 3/4 x 5, the "25" has a bore and stroke of 3 3/4 each, while the "37" is 3 3/4 x 5. The gear ratio of the "six" is 3 3/4 to 1, while the others have a 4-to-1 gear ratio.

**Summons.**  
In the circuit court of the state of Oregon, for Crook county.  
Charles A. Whitsett and Minnie M. Whitsett, plaintiffs,

vs.  
F. D. Parker, Minnie L. Parker, J. D. Morris, administrator of the estate of George Herren, deceased, and Lulu G. Herren, defendants.  
To F. D. Parker, Minnie L. Parker, J. D. Morris, administrator of the estate of George Herren, deceased, and Lulu G. Herren:

In the name of the state of Oregon, you are hereby required to appear and answer the complaint filed in the above entitled court and cause on or before the 13th day of June, 1914, and if you fail so to appear and answer, the plaintiff will apply to the court for the relief demanded in their complaint, to-wit: for a judgment against defendant, F. D. Parker, for the sum of Three Thousand Dollars with interest thereon at the rate of seven per cent per annum from August 30, 1912, for \$300.00 attorney's fees and for the costs and disbursements of this suit.

For a decree against all of the defendants that the land described in plaintiff's complaint and mortgage be sold by the sheriff of this county according to law and that the proceeds of said sale be applied to the payment of plaintiff's judgment and the costs of making said sale and that they have a deficiency judgment against defendant, F. D. Parker, for any sum remaining unpaid after applying all of the proceeds of said sale properly applicable to said judgment. That the defendants and each and all of them and all persons claiming under them or any of them be forever barred and foreclosed of all right, title, interest and right of redemption in said premises and every part thereof.

This summons is published by order of the Honorable G. Springer, judge of the county court of the state of Oregon for Crook county, made on the 27th day of April, 1914, which said order prescribes that this summons be published in the Crook County Journal, a weekly newspaper printed and published in Prineville, Crook county, Oregon, for a period of six consecutive weeks.

The date of the first publication of this summons is April 30, 1914.

M. R. ELLIOTT,  
Attorney for Plaintiffs.
