A MISTAKEN IDEA

There are some people who still resort to drugged pills or alcoholic syrups to overcome colds, nervousness or general debility, and who know that the pure, unadulterated nourishment in Scott's Emulsion is eminently better, but refrain from taking it because they fear it may lead to excessive fat or obesity.

This is a mistaken idea, because Scott's Emulsion first strengthens the body before making flesh. Its blood-forming properties aid nature to throw off sickness by building health from its very source, and flesh is formed only by its continued use. Avoid alcoholic substitutes for SCOTT'S.

Powell Butte Sorosis Entertain Shumias

Last Saturday afternoon the Shumia Literary Club of Prineville was delightfully entertained at the country home of Mrs. Ida Morse by the ladies of the Powell Butte Sorosis Club.

The principal entertainment for the afternoon was the editing of a newspaper by the ladies for the year 1924. Mrs. Robert E. Gray was appointed editor-in-chief. The other members were divided into groups with Mesdames Brink, Conway, Wigle, Belknap, Edwards, Winnek and C. W. Elkins as heads of various departments. The wonderful changes in modes of travel, farming, invention, housekeeping and domestic relations were well and concisely told. The paper, named the Truthbearer, was read after all assignments were covered and proved highly interesting.

A delicious luncheon was served by the hostess, who was assisted by her daughters, Misses Edna and Ada Morse. Not until almost 6 o'clock did the Shumias leave for home, all agreeing that the Sorosis ladies were delightful entertainers.

Cold Bath Changes Mind of Would-be Suicide

A couple of boys rushed up to the sheriff's office Monday afternoon in a very excited state of mind to inform the officials that a crazy man had tried to commit suicide by jumping off the Crooked river bridge into the river. From the description of the man given by the boys the authorities decided that the would-be suicide could be none other than John Benson, the Madras bad check man, who has been on a spree here since he was liberated from the county jail about a week ago. The description tallies with his appearance. Benson's relatives supplied him with money when he was released from custody, but instead of getting out of town he spent it in booze. Benson's bath had a sobering effect, for he struck off in the direction of Redmond.
