

BRIEF NEWS OF OREGON

Nearly three miles of municipal railroad is in operation at Grants Pass, the first road of its kind to be started in Oregon.

The Oregon state federation of labor urges Senator Chamberlain to aid in passing the senate bill restricting immigration. The illiteracy test has the indorsement of the federation.

Sixty members of the Oregon National Guard were vaccinated with typhoid prophylaxis at the Clackamas rifle range.

M. F. Henderson of the University of Wisconsin has been engaged as pathologist and weather observer for Jackson county, at a salary of \$2500 a year and \$1500 for incidental expenses.

Senator Chamberlain offered amendments to the sundry civil bill providing \$207,000 for the improvement of Tillamook bay and \$5000 for use in assisting the state of Oregon in guarding against forest fires.

The state immigration commission, has urged through Senator Lane, better life-saving service on the ocean beaches north of the Columbia river. Life saving crews are willing to undertake patrol work on the beaches.

The Astoria 19th annual regatta will be held Thursday, Friday and Saturday. From point of attendance, varied attractions and amusements and the number of participants in the big races, it bids fair to outclass by far any of its predecessors.

Dr. J. P. Wallace of Albany has declared that he will not accept the democratic nomination for state senator from the fourth district, and E. D. Cusick of Albany, republican choice will therefore have the field to himself.

Mrs. M. C. Reed, of Portland, was chosen president of the Women's Home Missionary Society of the Oregon conference of the Methodist Episcopal church for the ensuing year, at the close of the 28th annual meeting of the society at Albany.

Declaring that it would be un-American and unpatriotic for a French ship to lead the pageant through the Panama canal at its opening, the Spanish-American War Veterans of Oregon, at their sixth annual reunion, which opened at Salem, adopted a resolution urging President Wilson to give the honor to the battleship Oregon.

The interstate commerce commission has further suspended from July 10 until January 10 the operation of certain schedules for increased rates applicable to transportation of melons in car lots from certain points in California to points in Oregon and Washington.

Burglars, who made a well-planned raid on the postoffice at Jasper, lost the greater part of their loot at the last moment because they awakened Leslie Wright by using too much nitro-glycerine. Mr. Wright shot at them with a rifle. They shot back and ran. They left \$300 in stamps behind. About \$50 in cash and some jewelry was carried away by them.

Petitions have been completed and a proposed charter amendment filed for the abolishment of the commission form of government in Baker and the substitution of the city manager plan. The proposal will be voted on at the general election in November, and, if carried, will be followed by another election in ten days of five commissioners to serve at nominal pay, who shall employ a city manager from any part of the country at an annual salary of not to exceed \$3600.

The McKenzie River highway, the only motor car outlet from the Willamette Valley into Central Oregon, has been formally declared open and safe for motor traffic. The announcement is made through the United States Forestry officials, who have been instrumental in building what is now practically a macadamized highway, open to all classes of motor traffic across the Cascade mountains. They also have been instrumental in obtaining nearly \$20,000, including road district money, which will be spent to complete the highway this summer.

The biggest military encampment ever held in Oregon will begin at Gearhart July 13 and continue ten days. There will be about 2000 National Guardsmen from Oregon and Idaho and 50 regulars from the Twenty-first infantry in the camp on the plain north of Gearhart. Every preparation has been made for the mobilizing of the troops and the establishment of a good camp with all possible comforts and conveniences. The program provides interesting events for each day, the principal features to be maneuvers, drills and military performances of all kinds. The Guardsmen will be furnished with clothing, transportation, blankets, meals and all other necessities free of charge and will be paid for their services. The guard officers will receive the same pay as officers of similar rank in the regular army and privates will be paid from \$1.25 to \$2.50 a day. The Twenty-first infantry from Vancouver will march to the camp, leaving the barracks July 2 and arriving at Gearhart several days ahead of the Guardsmen.

C. S. Osborne, ex-Governor of Michigan, who is seeking the nomination for United States Senator.

ANGELES HUERTA'S AGENT?

Carranza's Secretary Avers General Real Cause of Strife With Villa.

Washington.—Alfredo Breceda, private secretary of General Carranza, leader of the revolutionist forces in Mexico, issued a statement here, charging that General Felipe Angeles had stirred up the recent contention between Carranza and General Villa and that Angeles was in reality an agent of General Huerta.

Breceda's statement, issued after a long conference with Luis Cabrera, one of General Carranza's representatives here, who is earnestly working for participation of the constitutionalists in an informal peace conference with delegates to the Niagara Falls mediation conference, admits a breach in the constitutionalist ranks that probably cannot be healed unless mediation should succeed.

Prune Prices Good.

New York.—All indications are that both the price of green and dried prunes will be high this season. Small crops are reported from California and the northwest and the demand both at home and abroad for the fresh prune, generally called a plum by the consumers, has been growing rapidly each year.

Considers Distinction in Censorship. Chicago.—An ordinance permitting the exhibition of certain motion pictures to "adults only" was recommended by the judiciary committee of the city council.

CHAMPIONSHIP STILL HELD BY JOHNSON

Paris.—"Jack" Johnson still holds the heavyweight championship of the world.

In a flistic battle at the Velodrome d'Hiver here he easily defeated Frank Moran, of Pittsburgh, on points in a 26-round contest.

The great amphitheater presented a wonderful sight for although there were some empty seats, the tiers were crowded with representatives of every element. The singular spectacle was presented of several hundred women, in handsome gowns, applauding the two pugilists as they struggled up and down the ring, feinting and dodging and hammering each other.

There was never a second during that period in which a victory by Moran could have been said to be in the realms of possibility, and in the second half of the fight it looked as if Johnson certainly could have punished his opponent more severely than he did if he had been so minded.

As a boxer, Moran was absolutely outclassed.

Wheat Lowest Price in Eleven Years. Chicago.—Wheat prices are the lowest since 1903. There has been a break of 12 cents within five weeks.

For the first time in recent years the United States is leading the world in making low prices for wheat.

Armed Men Guard Stores of Butte. Butte, Mont.—Desiring to save their property against attacks from mobs, merchants of Butte have placed armed guards in their stores.
