Baseball at Pringle Flat

The Dry Lake and Pringle Flat ball clubs added to the fun and diversion of the afternoon of the 4th at Pringle Flat. The game proved to be a long drawn out affair. The Dry Lake team was handicapped for want of practice, having played but little together this season. The score stood 30 to 16 in favor of Pringle Flat.

A good rain fell on the afternoon of the 3d, so the diamond and field were in splendid condition. Pringle Flat would like to arrange for games with Hampton, Buck Creek or any others. Address the secretary of Pringle Flat Improvement Association, Held, Ore.

Bear Creek Man Has His Leg Broken

A. M. Hardenbrook of Bear creek had his leg broken yesterday just above the knee. It seems his boys had hitched up a team to a hay rake and in picking up the lines dropped one of them. This frightened the horses and as Mr. Hardenbrook jumped to catch them one of them reared up and struck him on the shoulder, knocking him down. When the horse came down it stepped on Mr. Hardenbrook's leg as described above. Dr. Edwards attended the injured man, who, he says, will be removed to Prineville in about a week.

Two New School Districts Created

Two new school districts were created at this term of the county court. One at Ashwood and the other over in the Agency Plains country. Both have been cut off old districts so as to bring the distance to school within a reasonable radius of the center of population. This brings the school districts in Crook county up to an even one hundred. Both neighborhoods are well settled and the schools will have a large attendance.
