Notice of Final Settlement.

Notice of Final Settlement.

Notice is hereby given by the undersigned, the administrator of the estate of Larkin Weaver, deceased, to all persons interested in said estate that he has made and filed in the county court his final accounting of his administration of said estate, and that said court has set Monday, the 3d day of August, 1914, at 10 o'clock in the forenoon, at the county court room in Prineville, Oregon, as the time and place for hearing and settling said final accounting.

Dated and published first time this 11th day of June, 1914.

David Weaver.

DAVID WEAVER.

Aministrator of the estate of Larkin
Weaver, deceased.pd

We're Destined to Write Greater Music Than

sesses the only true knowledge of music. As a matter of fact, we are not a different race from those of Europe. We are just a MODIFIED EUROPEAN RACE, and we are just now coming to have a race consciousness. A popular impression exists that the Latin and Slavic and Teutonic countries have a finer musical consciousness than those of the Anglo-Saxon countries. An analysis of folk songs of all nations will show that the FOLK SONGS OF ENGLAND, IRE-LAND AND SCOTLAND ARE AS FINE AS THOSE OF OTHER LANDS. As for the popular songs of Russia and Italy, they are not as good as those of our popular musical comedy.

CREATE AND RECREATE THEIR OWN MUSIC OUT OF THE STUFF OF THE NATIONAL LIFE. MUSIC. ABOVE ALL OTHER ARTS, COMES FROM WITHIN. GERMANY WROTE GREAT MUSIC WITH ITS BACK TO ITS FRONTIERS AND ITS FACE TOWARD THE FIRESIDE. WHEN WE SHALL HAVE STOPPED LOOKING TO OTHER LANDS SO MUCH AND MORE TO OURSELVES. WE SHALL BE WRITING GREATER MUSIC. WE ARE TODAY GOOD JUDGES - WHEN IT COMES TO ANYTHING FOREIGN, OF WHICH WE DEMAND THE BEST. BUT WE ARE AFRAID TO JUDGE AMERI-CAN MUSIC ON ITS OWN MERITS. YET SOME OF IT IS BEING PRO-DUCED THAT IS AS GOOD AS WHAT COMES FROM OTHER SHORES.

Brown & Co.

WE know a man who entered into a partnership with his wife for the purpose of saving as much money as possible each year through the medium of the

ads, in this paper. They worked it like this:

not his real name, for he won't allow us to use it—went through the paper, carefully reading all the ads which he thought might benefit him. He made notes of things on sale, keeping his eye not only open for the TIME BEING, but for the EN-TIRE year. He knew not only where to get good coffee at a reasonable price, but he knew where to get the best garden rake or the best suit of clothes when he needed it. He made his AD. READING a part of his BUSINESS

They checked up regularly, compared notes, talked everything over and bought INTEL-LIGENTLY. At the end of the year they figured out just what they had saved by watching the ads. That money was already in the bank, for they had been able to save just that much more above their expenses. Rather a WISE partnership. WHY NOT TRY IT?

Europeans
