

OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

State Road is Belief.
Eugene.—With the development in view of a trans-state highway from the Willamette valley to eastern Oregon, seven government officials, including Warren H. Allen, senior highway engineer, of Washington, D. C.; A. R. Merrill, chief engineer of the forestry service, of Washington, D. C.; Charles H. Florey, chief of operation in the forestry service in the northwest, of Portland; A. T. Schuyler, of the department of public roads, in Portland; and Clyde R. Seitz, supervisor of the Cascade National forest and improvement engineer in the northwest, left Eugene Tuesday for eastern Oregon by way of the McKenzie highway and the McKenzie pass.

School Policy is New.
St. Helens.—At a meeting of the school board it was decided to adopt a system that will provide instruction for those at work as well as for those who are not.
The plan is to adopt courses that will attract back to school those who left before their education was completed and also provide such instruction as will prepare attendants for some particular line of work.

Rivers Meeting Set.
Astoria.—The Fall meeting of the Columbia and Snake River Waterways association will be held in Spokane, Wash., on Thursday and Friday, September 17 and 18.
This being the week of the Spokane Interstate Fair, an open railroad rate of one and one-third fare will be in effect from coast and other points, covering a large radius around Spokane.

Wilsonville Suffers Destructive Fire.
Wilsonville.—A third of the business section of Wilsonville was destroyed by fire which started in the Lawrence hotel. Its origin is unknown. As far as can be ascertained no one was in the hostelry when the blaze began.

TO SEEK CAUSE OF UNREST
Hearing Will Be Held at Portland
By Federal Commission.
Portland.—Inquiring into causes of industrial unrest, the United States commission on industrial relations will hold hearings here August 19, 20 and 21.
The workings of the minimum wage law will be one of the chief subjects of inquiry, it is expected. An interesting statement, in this connection, was made by E. V. O'Hara, chairman of the industrial welfare (minimum wage) commission:
"There are no fewer women employed in Portland today than a year ago when the minimum wage law became effective. We have no particular industrial unrest. Women have not lost employment because of the shortened hours of work."
Witnesses asked to appear before the hearings include leading representatives of both employers and employees.
Some lines of inquiry will be:
"Why does organized labor insist on the 'closed shop'?" Why are the number of apprentices restricted? Why are uniform wage rates demanded?
"Why do employers' associations stand for the 'open shop'?" Why do they oppose many trades unions' methods?"

Woman Jumps to Her Death.
Portland.—Hurling herself from a seventh story window of a business block, Mrs. Anna M. Bollen, aged 58, met instant death here. Mrs. Bollen had entered the building to consult a physician with regard to nervous trouble from which she was suffering. A man patient in the physician's reception room failed in an attempt to prevent her jumping out the window.

Two Hurt by Exploding Tire.
Pendleton.—While pumping up an automobile tire Ralph Knight and his father, E. W. Knight, were injured when the tire exploded. The injuries sustained by the young man required 20 stitches in his left hand and arm. Knight, Sr., was knocked down and bruised slightly.

Jailed as Highwaymen.
Pendleton.—James Navin, for twenty years a well known Umatilla county farmer, and Milton Anderson, son of a prominent Helix family, are in the county jail, facing the charge of highway robbery.

Nancy Cornelius, Pioneer, Dead.
Cornelius.—Mrs. Nancy Cornelius, sister-in-law of Colonel T. R. Cornelius, founder of this town, and prominent in church and civic affairs, died at the age of 70 years.

MRS. WOODROW WILSON

Mrs. Woodrow Wilson, wife of the President, who died in Washington and was interred in Rome, Ga., Tuesday.

MRS. WILSON MOURNED

Simple Services Held over Remains of President's Wife.
Washington.—Without any formality except that of the church and with all the simplicity which she desired, the funeral of Mrs. Woodrow Wilson, wife of the president, was held in the east room of the White House at 2 o'clock. Official business was banished from the executive mansion, and Washington and the nation joined with the president in mourning for his dead.
Immediately after the service here the body was taken to Rome, Ga., the burial place of Mrs. Wilson's parents.

Outside of members of the Wilson family only members of the cabinet and their wives, the members of special committees from the senate and house, a few intimate friends and the employes of the White House were present at the services here.

Carranza Must Fight Carbajal.
All hope for peace between the federals and the constitutionalists is now apparently gone.
The war party at the capitol is in control and unless concessions are made, General Carranza, it seems, must fight his way into the capital and to power.

"Be Fair," Germans Ask.
New York.—The United German Alliance, in resolutions made public, calls upon the press of the country to accord "impartial and just treatment to all sides," in the European conflict, and condemns what is styled as the "attitude of certain portions of an English-speaking American press to spread impressions which lead to hatred of Germany and Germans."

Unions Form Wet League.
North Yakima, Wash.—Secretly called together by letter, 35 representatives of labor unions opposed to state-wide prohibition assembled in North Yakima from all parts of the state and organized the Washington labor anti-prohibition league.

Allow Departure of Unarmed Reserves.
Washington.—European warring nations were informed by government officials that the United States will not interfere with the departure of reservists unless they were organized and armed in this country.

Cash for Stranded Americans.
Washington.—The state department cabled Ambassador Herrick in Paris \$300,000 for the relief of Americans stranded in Europe. About \$100,000 of the fund, it was said, will be needed in Paris alone.

Relief Voted Settlers.
Washington.—The reclamation bill extending from 10 to 20 years the time in which settlers may repay the Government for water rights on irrigated land, was finally passed in the house.

No Sign Made for Peace.
Washington.—There has been no indication so far that any of the powers of Europe are going to accept the United States' proposal for mediation.

Grape growers about Hermiston are all rejoicing. The crop there has always been a good one, but this year it promises to even beat anything yet. Flame Tokays, Muscats, Thompson Seedling, Worden and Concord vines are all carrying every pound possible of fine big bunches.

That there is a strong sentiment in Roseburg toward bonding the city for \$500,000 to aid the construction of a railroad to the coast is shown by the fact that 750 voters signed the initiative petitions authorizing an election on the proposed amendment. Only 150 signatures were required.

With about 20 orchardists of the valley as members, the Hood River Fruitgrowers' Exchange has been formally organized and papers of incorporation have been sent for filing to the secretary of state. A contract of affiliation has been signed with the Northwestern Fruit Exchange, of Portland.

Grasshoppers are playing havoc with the crops at the farm of the state insane asylum. Dr. R. E.
