NO. 41

Circuit Court Next Week Long Criminal Docket

Aside from the three murder trials scheduled for the September term of court which convenes next Tuesday, September 8, there is a grist of minor matters that will be brought to the attention of the grand jury by District Attorney Wirtz, in many of which indictments will no doubt be returned and trials will follow.

Gaylord McDaniel will be retried for the murder of Herman Poch, December 31, 1912.

Henry McDowell and Mary B. Scoggin will be tried for the murder of Avery Scoggin near Paulina, committed July 31, 1914.

Rex Sheldon is also held on a charge of murder in the first degree for the poisoning of his infant son near Grizzly on June 10, 1914.

John McPherson will be tried for the third time for the larceny of a mare belonging to George Millican.

Jack Harper, under indictment for a statutory offense, is in jail awaiting trial, having been apprehended by Sheriff Elkins at Freewater.

In each of the foregoing cases the issues are already formed and trials will be had. In the following cases defendants have been bound over to the grand jury to await action by that tribunal, before it will be

determined whether a trial will be necessary.

Charles Clark of Powell Butte is held for larceny committed in the dwelling of Bert Thayer.

John T. Benson of Madras is under bonds to appear for passing fraudulent paper.

Ed Bush of Madras is under bonds to appear on a charge of contributing to the delinquency of a minor.

Johanna Smith of Madras is accused before the grand jury of threatening to shoot a party of children.

N. E. Thompson of Madras has been held to the grand jury by Justice of the Peace Howard Turner of that place for assault.

Clyde Wornstaff of Bend has been held to the grand jury on a charge of giving intoxicating liquor to minors.

B. H. McMickle of Redmond was placed under a \$5000 bond to appear for arson on a charge preferred by Detective Beatty of Portland in connection with the burning of the Redmond Union Warehouse last February.

In addition to the above, other investigations are on foot, it is understood, in which indictments are expected.

Badly Injured by a Premature Blast

Ed Bennett, the powder man for a crew of 20 men at work on the Prineville-Mitchell road, was severely injured by a premature blast Tuesday at 11 a. m. A defective fuse caused the accident.

Bennett was right over the hole in the act of tamping home a light charge when the explosion took place. His arms, face and hands were filled with burnt powder and rock.

Dr. Rosenberg had his patient brought to the Home Hospital at Prineville where his injuries are being cared for. No bones were broken and it is too early to say whether the man will lose his eyesight or not. His face is in bad shape. The process of removing the rock particles from the injured man is slow and painful. It has to be done by degrees.

Theatricals at Club Hall Fair Week

The Annex and Commercial Club are to present three evenings of splendid entertainment during Fair Week. Wednesday evening three children's plays will be given. Thursday evening the "Jubilee Minstrels" will entertain and Friday evening the celebrated comedy, "All-of-a-Sudden Peggy," will be presented.

Brisk Demand for Modern Houses

Houses are in better demand this fall than for some years past. Dwellings of a better grade are wanted. Modern improvements are desired and a house that can supply them is snapped up without delay.

The demand comes from people who wish to take advantage of our excellent school system. The high school and the grammar school are second to none in Oregon and those in charge of them are striving to make them better. The people of the county appreciate this fact and come here with their boys and girls to get first-class instruction.

Madras Man Arrested and Jailed in Portland

R. G. Alexander of Madras was taken to Portland by United States Deputy Marshal Dave Fuller to await action by the Federal grand jury on the charges against him of having transported liquor to the Indians of the Warm Springs Reservation. Charles Larguharson was arrested at the same time with Alexander on the same charge, but gave bail of \$250. Alexander did not furnish bail so was committed to jail.

Get Your School Exhibits In Early for the Fair

County School Superintendent Myers makes the following announcement to the school children of the county:

"The Crook County Fair is to be held September 16-17-18-19, 1914, and we want to make this year's school exhibit the best in the history of the fair.

"In order to accomplish this the co-operation of all school children is required. Many of the schools will not be in session at that time, so do not depend upon the assistance of your teacher. Prepare your exhibit carefully and be sure that your name, address, school district, and grade appears on each article on exhibit.

"Your exhibits may be sent to the office of the county superintendent at any time before the fair opens or may be delivered at the fair grounds September 14th or 15th. All exhibits must be in by 6 p. m. September 15th.

"On School Day, Friday, September 18th, all school children will be admitted to the fair grounds free of charge.
