City Council Meeting

Contract Let for Building Cement Sidewalks—Other Improvements.

The city council met in regular session Tuesday evening. Present—Mayor Clifton, Councilmen Lafollette, Zevely, Elkins, Foster, Ward and Noble; Recorder Hyde, City Engineer Kelley, City Attorney Duffy and Marshal Coon.

The minutes of the last regular and special meetings were read, corrected and approved.

The Dillon sidewalk must comply with the regulations of the city ordinances as to width. A five-foot walk would not only violate the city requirements but would also prove inadequate to accommodate the children on that side of town when school commenced. The regulation walk must go down.

The council has ordered a new walk on East E, from Third to 5th street. The property affected belongs to Mrs. Lively, Henry Gray, C. W. Elkins and the Windom estate. In muddy weather footwork in that part of town is very disagreeable, especially for school children. The walk must be completed in 30 days.

There are several bad crosswalks that Councilman Ward was instructed to have repaired.

G. W. Lippincott was granted permission to put a corrugated iron roof on the building occupied by him as a restaurant, corner Main and Fifth streets.

It was decided to put doors on the hose cart houses; also a light in front of the one on the north side.

A hundred candle power lamp was ordered put in at this end of the street leading to the fair grounds.

Mrs. Maling's trees and old buildings, corner Third and D were condemned and ordered removed. The trees in ten days and the old building in 30 days. The trees now stand right in the way of the new cement sidewalk, hence the haste in having them removed.

The dog nuisance came in for some strictures by the councilmen. The marshal was directed to enforce the ordinance strictly to the letter without fear or favor.

The Rye Grass ditch in the north side of town is in bad with the council and also a number of residents in that section. Something must be done and that right away. City Attorney Duffy was instructed to take action at once.

J. B. Shipp, treasurer of the fair association, appeared before the council in behalf of his association, to request some financial assistance. He asked for \$600 from Prineville—\$300 from the council and \$300 from the business men. His request was granted and the recorder instructed to draw a warrant for the amount.

Reports of the recorder and marshal read and ordered filed.

No sandwich stands are to be allowed on the streets during the fair. If any operate it will be upon private property, says the council.

First and Second streets are to be sprinkled during the fair unless it

HOW TO GET STRENGTH

After any sickness is purely a matter of nourishment, whether the attack was an ordinary cold or severe illness; the weakened forces cannot repulse disease germs, and this is why a relapse is so often fatal or why chronic weakness often follows sickness.

Restoring strength to millions of people for forty years has proven the real need for taking Scott's Emulsion after any sickness; nothing equals it—nothing compares with it. Its pure, medicinal nourishment, free from alcohol or opiates, promptly creates rich blood, strengthens the nerves and lungs to avert tuberculosis.

rains at that time. The residents along the streets named are not able to recognize each other on account of the dust while the fair is on and have asked for relief. The city dads thought it would be cheaper to wet the streets than to dodge damage suits.

The following bills were ordered paid:

T L Coon, August salary.....	\$75 00
" " keeping 11 dogs.....	11 00
Wm Barnes, work.....	24 00

The bids for building sidewalks and crosswalks, removing old walks, excavating, etc., were as follows:

J G Bulger, Prineville.....	\$2400 74
Clark & Ousley, Lakeview.....	2153 30
M M Phillips, The Dalles.....	2216 05

Clark & Ousley having the lowest bid, were awarded the contract.

An ordinance was passed grading and graveling Second street, between the east line of F street east to the city limits.

East F street was ordered graded from Third to First.

Authority was granted for the employment of two extra men on the police force during fair week.

On motion council adjourned.

Big Attendance Predicted for High School

Supt. Baughman of the Crook County High School and County Superintendent Myers returned Saturday from their tour of the county in the interest of the high school.

The gentlemen bring good reports from all parts of the county. It is confidently expected that the attendance will be more than doubled by reason of the house to house canvass.

Supt. Baughman says that he will have seventy-five young men and women who will need places to work this winter if they get an opportunity to attend the Crook County High. He wants the people of Prineville to use their utmost efforts in behalf of these young people. They want a chance to get an education and are willing to do any kind of work. Mr. Baughman will be glad to take the matter up with anyone who can furnish employment for boy or girl.
