Crook County High Defeats Bend High

After a fierce struggle last Saturday afternoon the Crook County High School football team defeated the Bend High by a score of 27 to 29.

The first half ended with the locals on the small end of a 3 to 20 score. However, the boys did not lose courage and started the second half with the determination to win.

The game opened by the C. C. H. S. kicking off to Bend, who returned the ball to the local's 40-yard line. Then on a forward pass Bend got a touchdown. Goal was kicked.

Prineville kicked off again. This time the locals held for downs and received the ball on Bend's 40-yard line. On the third down Estes made a drop kick which gave Prineville the three points. Bend succeeded in getting two more touchdowns in the first half but got only one goal.

The second half opened with the locals kicking to Bend. Again they were held for downs. Now commenced the steady march of the Crook County High. At the end of the third quarter the score stood 20 to 23 in favor of the locals.

In the early part of the fourth quarter Brandenburg received a punt and carried it 70 yards for a touchdown. Again goal was kicked which made Bend four points in the lead. In the last few minutes Powell was replaced by Hodges who was injured. Powell was sent through the line for the last touchdown for C. C. H. S. and won the game.

The defensive playing of the locals was their weak point. Bend was continually making long gains on the forward passes. The locals were well supported by the high school students. The yelling was the best that has been heard for some time. The enthusiasm which started the night before did not cease until after the game was won.

A return game will be played in Bend on the 24th of this month.

Young People Have Marshmallow Toast

The impromptu Marshmallow Toast held by a large party of the high school students on the evening of November 4th was greatly enjoyed. The affair was arranged by Jimmy King ably assisted by Sylvian Michel and Leo Cram. The girls of the party brought sandwiches, coffee, wienewurst and marshmallows, and the boys furnished the auto truck and more marshmallows. Mr. Davis, of the high school, and Miss Schrader and Miss Power, of the public school, went along as chaperones and leaders in games.

After a half hour's run into the country the party walked by moonlight to the river. Here a bonfire was lighted, lunch enjoyed, and games, singing, (ending with the Virginia reel), made the time fly all too quickly. By 10:30 the party was back at Prineville. Those present were:

Misses Edna Laughlin, Glenny McBain, Violet Lister, Ila Knox, Lota Horigan, Audrey Noble, Martha Horigan, Pauline Truesdale, Beatrice Johnson, Rita Robinson, Helen Weimer, Caroline Thronson, Ruth Brennan, Wannie Ralston, Josephine Powers, Emily Schrader, Mabel Bixby, Messrs. Council Meeting Working on Budget

At the meeting of the city council last week there were present Mayor Clifton, Councilmen Lafollette, Zeveley, Foster, Ward and Noble, Recorder Hyde.

The minutes of the last regular and special meetings were read and approved.

Councilman Ward was instructed to put a new cover on the upper Ochoco bridge; also to put in a cross walk on East Fourth street.

The matter of a new sidewalk in front of J. H. Gray's residence was left to Councilman Zeveley.

The finance committee met with Recorder Hyde to make up the city budget. The exact millage has not yet been determined, but it will be two or three mills less than last year. The systematic manner in which Recorder Hyde has kept all accounts makes the task of fixing the millage a relatively easy one once the budget is made up. Two or three mills less on city tax and 5 1/2 mills less on school tax will help some to lower the taxes in Prineville.

The judiciary committee reported that it had employed an attorney to enjoin the Rye Grass & Ochoco Ditch Co. from turning water into the ditch until the ordinance is complied with.

The \$448.55 due Wheelright & Phipps on the Main street paving contract was ordered paid to Shipp & Perry, less \$140 for defective cement. Recorder Hyde was instructed to draw warrant for same.

Bad Auto Wreck.

A demented chauffeur, imagining himself driving his car in a race, lost control of the steering gear and as a result the car plunged at frightful speed down a steep embankment with its occupants, who were Miss Pearl White and the chauffeur. Both escaped with their lives but were badly shaken up. The accident occurred in filming the eleventh episode of "The Perils of Pauline," and is graphically shown in pictures which will be shown next Saturday at the Lyric. Matinee at 2:30; evening 7:30.

Bonnyview Stock Farm Changes Hands

One of the largest real estate deals made in Crook county this year was when J. H. Gray & Son sold the Bonnyview Stock Farm on Horseheaven and Crooked river, comprising 2880 deeded acres, several thousand acres of leased land, together with the famous herd of Gray's thoroughbred Herefords, consisting of 500 head, for something over \$100,000. This is one of the finest herds of Herefords in the state. Mr. Gray has been 14 years in building up this herd. It has won prizes at both state and county fairs. Bulls from this herd have been shipped as far away as the Hawaiian Islands.

Mr. Donovan, the new proprietor, is an experienced stockman. He was in the cattle business a good many years at Omaha, Nebraska, and will no doubt keep the famous Bonnyview herd up to its former reputation.

The consideration was something over \$100,000, of which Mr. Gray accepted as part payment the Oregon Hotel at Hood River. Mr. Donovan has taken charge and will make his home here.

The deal was made by R. C. Hillman of Culyer, Ayers & Smith and the Lueddeman Ruley Co. of Portland.
