COUNTY OFFICIAL PAPER FOR CROOK COUNTY

VOL. XIX—\$1.50 YEAR

PRINEVILLE, CROOK COUNTY, OREGON, THURSDAY, DEC. 17, 1914.

Entered at the postoffice at Prineville Oregon, as second-class matter

NO. 4

City Election Next Monday, December 21

City election next Monday when Prineville will elect a mayor, three councilmen, a marshal, recorder and treasurer.

Mayor Clifton will not be in the race this year. He says that he has had honors enough and is willing to pass the good things around. Dr. Chas. S. Edwards, who has held the mayor's chair, has been placed in nomination by his friends.

There are five candidates in the field for councilmen. They are: Wm. J. Pancake, G. P. Reams, H. D. Still, J. L. Wonderly and R. W. Zevely. They are all good men and would make good city officials.

Its anybody's race for city marshal. There are five candidates registered as follows: T. L. Coon, Harry Hudson, Wade Huston, John G. Malech, W. R. Pollard and T. J. M. Riggs. All feel reasonably sure of election.

Recorder Hyde has no opposition for re-election and Lake M. Bechtell, city treasurer, is in the race alone for re-election. These men have been efficient officers and the people are wise in making no changes.

You will vote in the basement of the courthouse from 9 a. m. to 5 p. m. Only one voting place.

Jefferson County Court to Meet Dec. 28

The Jefferson county court will meet December 28th, at which time officers will be appointed to fill the positions of clerk, sheriff, school superintendent, treasurer, surveyor, coroner and county physician. The temporary county seat will be chosen at that time. Governor West has announced that he would appoint a district attorney for the new county in a day or two. He said there were several applicants, but declined to divulge the names.

High School Benefit at Lyric Friday Eve

"That Rascal Pat," a one-act farce, lasting fifty minutes, will be played by students of the high school at the Lyric Friday evening, December 18. The proceeds will go to the High School Athletic Association. It is brim full of fun and laughable mix-ups from start to finish. The regular picture program will also be given. This includes the Mutual Weekly of current events and other pictures. Admission prices will be—adults 25c, children 15c.

Jefferson County Injunction Cases Dismist

The Jefferson county injunction case has been dismissed. Judge Bradshaw handed down his decision last Friday afternoon. The court held, in part, that a citizen and taxpayer was not a proper party to enjoin a public officer in a suit of that kind. Only the state of Oregon could do so. He therefore dismissed the action. A notice of appeal to the supreme court was then made by the plaintiff's attorneys.

The review case which was brought by A. D. Russell attacking the legality of the proceedings of the county court in filing the petition for county division, was dismissed by Judge Bradshaw. The court held that no one was competent to bring the case unless the name appeared on the records of the county court as an adverse party to the petition at the time of filing. In this case there was no adverse party and the writ should be dismissed. Notice of appeal to the supreme court was made in open court. The two cases will be taken up at once.

County Clerk Brown sent the result of the election to Salem, and Saturday Governor West issued his proclamation creating the new county and appointed William Boegli, of Culver, county judge, and Roscoe Gard and J. M. King county commissioners. Gard is a resident of Gateway and King of Opal City.

Under the law this board will

Commercial Club Will Send Delegates

The Prineville Commercial Club held its first Monday night meeting for the winter this week.

President Kelley was authorized to appoint five delegates to the irrigation congress which convenes in Portland during the first week of January. It was unanimously agreed that the delegates from the Commercial Club should co-operate with those from Redmond and Bend in working for the government appropriation of \$450,000 to be spent for reclamation work. The north canal and the west side project, which is the extension of the present Tumalo works, were discussed. While there was no decision as to which should receive support it was agreed that it would be one or the other.

The question of securing additional mail service for Prineville was taken up. Steps were taken to secure two mails daily instead of one.

The organization of an irrigation district to provide water and canals for the irrigation of 30,000 acres lying directly north of and adjacent Prineville was discussed and will receive attention at later meetings.

Some recommendations were made concerning road improvements, particularly between Prineville and Redmond. The club will make an effort to provide for this road during the coming year.
