This Circular announces our first great Annual Slaughter sale. This sale is an unusual opportunity for the people of Crook county and surrounding country. It means a large and well assorted stock of winter goods to be slaughtered. This sale will work in sympathy with the hard times. It will be great. Prices far lower than any previous sale ever held in Central Oregon.

This Circular contains only an inkling of the good things in store for you. Will simply have one thought: that is we must dispose of all our stock now on hand.
