C. C. H. S. Notes.

The statement made in public Sunday that the basket ball game on Sunday between Lamonta and Corvallis High School was under the auspices of our high school was untrue. We do not favor any sort of athletics on Sunday and the game was played against the wishes of the school.

The C. C. H. S. basket ball team will play the return games with Corvallis High School at Corvallis about the first of March. The boys made \$30 over expenses during the recent games.

A basket ball game will be played in Club Hall Saturday night with C. C. H. S. vs. Madras. Admission 25c.

A large number of friends were present at the societies last week. The meetings were live ones and full of interest. The next program will be on February 24th.

A Home Economics Club has been formed by the Domestic Science and Art classes under the leadership of Miss Sykes.

The tryout for the Declamation contest was held at the high school last Friday afternoon. The places won by both societies are as follows: Alphas. Oratorical—Orville Yancey and Bernard Ramsey. Dramatic—Estelle Conway and Audrey Noble. Humorous—Pearl Russell and Caroline Thronson.

Ochoconians. Oratorical—Allen Vibbert and Helen Elkins. Dramatic—Beatrice Johnson and Bernice Grant. Humorous—Pauline Truesdale and Frank Broderick. The final contest will be held at M. E. church next Friday evening, beginning at 7:30. No admission will be charged.

The Chicopians were delightfully entertained at the home of Mrs. Shaw last Saturday. The time was spent in toasting marshmallows before the fireplace and playing games. As the afternoon drew to a close dainty refreshments were served. The girls left vowing it to be the best meeting in their history.

Those entering the oratorical contest for the \$50 Baldwin prize are getting busy on their orations. As this contest will not be held until commencement week everyone has plenty of time for preparation, and practice makes perfect. The tryout will be held in March.

The number of students starting in Manual Training this semester has made it necessary to start a new class. There are 28 boys taking this work at present. Most of the boys are very interested in the work and several pieces of furniture have been finished. Many pretty and useful things have been turned out of juniper wood. This wood has no superior, if an equal for this kind of work. Anyone who is interested in what the boys are doing in this department is always welcome to visit the shop and see what is really being done.

IS YOUR BLOOD RICH?

Poor Blood is the indirect cause of much winter sickness—it allows chills, invites colds and sickness.

NOURISHMENT alone makes blood—not drugs or liquors—and the nourishing food in **Scott's Emulsion** charges summer blood with winter richness and increases the red corpuscles.

Its **Cod Liver Oil** warms the body, fortifies the lungs, and alleviates rheumatic tendencies.

YOUR DRUGGIST HAS IT.
