They Say an \$8 Suit is Good Enough for Me!

Have it pressed three times a day and you may pass. They say a 75c or \$1.00 watch is good enough for me. Ask the man with a WATCH what time it is and you may know. If you can't afford a WATCH, wish for one and the jeweler will know that you have one good principle.

Jubilee Quartet Coming

Officials of the Prineville Commercial Club have been successful in getting a contract with the California Jubilee Quartet, a colored troop of the highest order who make a business of presenting their musical entertainments to the colleges and Y. M. C. A. institutions of the country. They were thoroughly investigated before the contract was arranged and found to be of the first class. They will appear here but one night, Wednesday, March 17.

Mary Compton

Mary Compton, daughter of S. W. and Nellie Compton, was born at Prineville, August 7, 1902. All her life has been spent at the home of her parents on Willow creek. After a three-weeks' illness she died at the home of Clyde Kinder in this city at 7:30 p. m. Wednesday, February 24, 1915, aged 12 years, 4 months and 17 days. Besides a father and mother, she leaves three sisters, a brother, and a half-brother also Carol Compton and Mrs. Edith Smith, half-brother and half-sister, with a large number of friends, to mourn her untimely loss. Thus, ere the blight of the world tarnishes or knowledge brings responsibility and sorrow, a young, innocent life flits away.

"There fell upon the house a sudden gloom,
A shadow on those features fair and thin;
And, softly from that hushed and darkened room,
Two angels issued, when but one went in."

Many Counties Have a Deficit

A statement issued by Harvey Wells, state insurance commissioner, shows all of the counties of the state except eleven to have a deficit on the first of the year. Jackson county has the largest shortage, the amount of over \$735,000 would be required to square their books. Morrow county showed less than \$2500 deficit, Clatsop and Klamath about half a million each, Hood River less than \$17,000 and Crook \$91,814.21.

Of the counties showing a credit balance Multnomah has \$165,000 in round numbers, Marion \$118,000 and on down the line to Tillamook which has less than \$1000.

Ordinance Number 220

An ordinance entitled an Ordinance to regulate the use of stoves for heating water, rendering lard and tallow, within the fire limits in the City of Prineville, Oregon, defining what shall constitute violations hereof, and providing a punishment therefor.

The people of the City of Prineville, Oregon, do ordain as follows:

Section 1 That from and after the taking effect of this ordinance, all stoves or other heating apparatus, within the fire limits, which are or shall be used for the purposes of heating water, rendering lard, tallow or other fatty substances, and situated in the rear rooms or other remote place of any business building, and not in the immediate, personal view and control of the proprietor or his employees, while fire is therein, shall be placed upon a platform of brick, stone, cement or gravel at least four inches thick, and said platform shall not be less than five feet square, at the outer edge of said platform there shall be built thereon a substantial wall of brick, stone or cement to a height equal to the height of fire box of said stove or heating plant, or in lieu thereof, a sheet iron or sheet steel box, of equal height, and whether built of brick, stone, cement or sheet steel or sheet iron, if desired, a sheet iron, or sheet steel door may be placed in one side of said wall, for the convenient use of fuel, or wood in said stove or stoves.

Section 2 That any person or persons who shall violate any of the terms and conditions of this ordinance, or who shall neglect or refuse to comply herewith, shall be deemed guilty of a misdemeanor, and upon conviction in the recorder's court of the City of Prineville, Oregon, shall be fined not less than ten dollars, and not more than one hundred dollars, and pay the costs of prosecution, and in default of the payment of such fine and cost, shall be confined to the city jail one day for each two dollars of such fine and cost not to exceed thirty days.

Section 3. Owing to the fact that there are no ordinances governing the use of such stoves in such places, and that this ordinance is necessary for the immediate preservation of the peace, health and safety of the City of Prineville and its inhabitants, and on account thereof an emergency is hereby declared to exist, and this ordinance shall therefore take effect from and after its approval by the mayor of said city.

Section 4. Passed by the city council this 2nd day of March, 1915, after the third reading.

Approved by the Mayor of said city this 2nd day of March, 1915.

CHAS. S. EDWARDS, Mayor.
