

**Students' Loan Fund**

Tomorrow night the Methodist class of the C. C. H. S. will present the entertaining farce, "The Ugliness of Seven," with a curtain raiser entitled "A Business Meeting of the Ladies' Annex." The proceeds are to form a loan fund for deserving boys and girls of Crook county who need financial aid in order to complete their education. The money will be handled, as is the case in all large schools, by a committee of four responsible citizens who, in collaboration with the principal of the high school, decide upon the needs and merits of the applicant and grant a loan if the decision is favorable. The applicant will give a

note for such time as is needed for him to earn and repay the money, provided that the money will be loaned for a period longer than a year. The time may be extended at the discretion of the committee. The committee will also decide upon what interest is to be charged. The legal provisions for the maintenance of the fund are in charge of one of Prineville's best attorneys and will be properly executed. Everybody should buy a ticket and help the students out.

**Celebrate Award of School Pennant**

The patrons of the Johnson

Creek school district assembled at the schoolhouse April 7 at 11 o'clock to celebrate the award of a standard school pennant by Sup't. J. E. Myers. A program was given by the school in a very creditable manner.

County Supervisor Shawe made a short address on the "Value of an Ideal," followed by a talk by Superintendent Myers on the "Standardization of Rural Schools." After the presentation of the standard school pennant the pupils responded with an unusually clever "yell" appropriate for a standardization rally.

The ladies of the community then supplied the most substantial part of the program, a most excellent dinner which was highly enjoyed by all present.

It is expected that by this time next year a model, up-to-date school building will be erected in this district.

The work done by the teacher Mrs. Gertrude Whiteis, during the past two terms has developed the school into one of the best in the county.

**C. C. H. S. Notes**

The debating team left Thursday morning for Enterprise, where they will meet the Enterprise team on Friday evening.

Beatrice Johnson and Pearl Russell will represent the high school in the declamatory contest to be held in Redmond on Track Meet Day.

Culver won the baseball game over the high school last Friday with a score of 8 to 4.

Next Monday is the beginning of the six-week period.

The seniors have selected their invitations for commencement and are busy planning and working to make that time one to be remembered.

Friday night is the plays for the Student Loan Fund. Everybody turn out and show your willingness to help some worthy boy or girl to come to school next year.

Last Friday afternoon was celebrated as Arbor Day. Each class planted a tree and a short program was rendered. The number most enjoyable was the Senior Jubilee Quartett, composed of Harry Stearns, Rei Powell, Norris Bixby and Otto Hodges. Dressed fine, and with blackened faces, they imitated our colored brethren of the California Jubilee Quartett. A very good and comic entertainment was given.

About thirty jolly students were conveyed to the home of Orville Yancey in a hayrack Saturday night for the purpose of surprising Orville. The evening was spent in games, after which delicious refreshments were served. At a late hour the guests departed, arriving home in the "wee sma' hours" of the morning. A jolly time was reported by all. Miss Sykes was the chaperone.

Alpha-Ochoconian Track Meet, April 23 at the high school grounds, at 2:30. Admission free. Everybody come. As the societies are evenly balanced this promises to be an intensely interesting contest. This is the first meet of its kind for several years. Everybody is out training. This is a tryout to qualify for the state meet at Eugene.

A picture of this year's shorthand class at the C. C. H. S. appears in the April Spencerian Magazine, a publication of New Orleans, devoted to shorthand.

The Domestic Art girls have been making pennants and arm bands to sell for Track Meet Day.

Mr Gordon had the misfortune of losing the small finger from his right hand yesterday while working on a car at the Huff-Noble garage. He was removing a spring when the jack failed in some manner and the bone in the finger was crushed to splinters just above the hand. The second finger on the same hand was injured but not very deeply.
