BUSY WEEK IN THE SCHOOLS

Crook and Jefferson Will Compete Saturday

Hub City to Be Host

Annual Field Day Expected to Draw Record Crowd. C. H. S. After Cup

The annual field meet for the schools of Crook and Jefferson counties will be held in Redmond on Saturday May, 15. Superintendent Nash of the Redmond schools who has charge of the arrangements for the event has extended every effort to make the meet a successful one in every particular.

The Bend band will supply the music for the day and there is no question as to the quality of the music that will be furnished.

The Oregon Trunk will hold its north bound train at Redmond until after the evening program so that all those coming from that direction may be enabled to return home if they desire to do so.

The medals for the winners of the various events are now in possession of Superintendent Myers who will present them after the evening exercises. These will be held at Elvret's hall.

Each of the high schools will have a tent on the grounds where the events are being held for the accommodation of the contestants.

At the noon hour there will be a basket dinner on the high school campus where all who take lunches will eat. Redmond will furnish hot water and coffee to those that wish it without charge.

The program for the day will be: 10:30 Tennis; boy's singles, girl's singles, boy's doubles, girl's doubles; 10:30, Public school declamatory contest; 12, Dinner; 2, Field and track events; 8, High schools declamatory contest.

Prineville should send a strong delegation to the Hub City next Friday to support the local schools.

See Northern Lights Tomorrow Night

Tomorrow night the Commercial club will present the copyright play, Northern Lights, which is a thrilling drama of the Indian uprising in the Big Horn Basin which occurred in June, 1876.

The play is being presented by the dramatic club of the Commercial body, and the proceeds are to be used in paying for the new costumes and new scenery which will be used for the first time tomorrow night.

The selection of characters for the various parts has been made with considerable care, and the results are exceptionally good. If you fail to see this play you will have a grouch at yourself all summer. It is a dandy, and well worth the money. Prices, 35, 50 and 75.

Pump Water for Irrigation

A large pumping plant has been installed recently by Dixon & McDowell on the old Davenport place below town. The pump is operated by an electric motor. It has a 12 inch intake and a 18 inch discharge pipe. The water is pumped from Crooked river and is used for irrigation.

The pupils of the public school were given a free show of the film, "The Origin of the Flag," at the Lyric Friday afternoon.

TRYS GUN PLAY TO COLLECT BILL

J. S. Watkins Assaulted by a Ranch Employee

Gus Weighelt is in Jail

Got the Money; Now Held to Grand Jury for Assault With Dangerous Weapon

Saturday morning as he was going to his field to work John S. Watkins met Gus Weighelt who had been in Watkin's employ up to a few days ago, and was told that he would be shot forthwith if he tried to go through the gate onto his own premises.

Weighelt had worked himself into a frenzy over the fact that Watkins owed him \$28 and had failed to pay the amount. Watkins testified that he never denied the bill but wanted to delay payment until he could come to town and get the money.

Weighelt succeeded in convincing Watkins that he meant business, for although the gun was a 22 caliber rifle, he continued to point it at Watkins and John testified that he appeared to be nervous for he kept moving his fingers about on the hammer and trigger of the gun.

Watkins came to Prineville and sent the check and a warrant out to the scene of the trouble by the sheriff who arrested Weighelt and placed him in jail. At the preliminary hearing which was held Monday evening, Aaron Watkins testified that the accused man, told him the night before the trouble that he would "put a bullet in John's head."

Weighelt was held under a \$500 bond to appear before the grand jury on the charge of assault by Judge Bowman, in default of which he is boarding at the county jail.
