

# CASH With Order QUOTATIONS on QUANTITY ORDERS

The following prices are offered as a result of our "Trade at Home Campaign," and such prices apply only to cash purchases in quantities of \$5.00 and upward, but do not apply to single item purchases except on some items which are quoted at established retail prices. We make this stipulation on account of the additional expense required to handle merchandise through single item sales, therefore your abjity to purchase in quantities affords us the opportunity to offer you a saving on quantity purchases.
