

**Plans All Ready  
For Big County Fair**

continued from page 1.

it, come to the fair.

**AT NIGHT TOO**

There will be an abundance of entertainment at night during fair week. Two of the evenings during the fair there will be plays produced at the Commercial club hall, and each of the remaining evenings a dance will be held in the same hall. The Lyric Theatre will produce special programs for the occasion, and a dance will be held each night in Glaze Hall.

Free music on the streets in the early part of the evening and the balloon acts will add to the interest in events after supper.

**FERRIS WHEEL, ETC.**

A ferris wheel will be in operation on the grounds during the four days of the fair, and a merry-go-round and numerous other forms of amusements in the way of concessions and stands will be provided. Among other things there will be a new feature in the way of the African Dip, paddle wheels, numerous shows, shooting gallery, cane racks, pillow top stands and a great many others.

To make a long story short, the list of concessions is already long enough to make a tent city on the grounds, and telegrams and letters are being received by Manager Schee every day announcing new ones.

**100 FAT CATTLE**

The entries of fat cattle already total 100 head, and more are looked for by the management. The stock barns will be crowded to capacity. Among the exhibitors in the cattle division, which will include dairy classes are H McCall, M. R. Biggs, W. I. Dishman, W. H. Post, Douglas Lawson, E. T. Slayton, C. W. Foster, T. S. Barnes, Bonnyview Ranch, G.

**THOMAS W. LAWSON'S FINE HOGS**

When Thomas W. Lawson, who by the way is one of the best known financiers in America, went into the hog business, he did it with the same spirit with a man of his ability does other things. He had unlimited capital at his command, and he used it lavishly. The result is that he has what is perhaps the best stock in many different breeds and the greatest number of high class individuals to be found on a single farm in America or in the world for that matter, today. These hogs will be at the fair next week, and that exhibition alone will be worth coming many miles to see. If you have any ideas on hogs, this will be your opportunity to verify them, and if you have not, come to the fair and you will get an idea about them and get it quickly.

**IN THE PAVILION**

The exhibit space in the pavilion will be crowded as never before if present indications are good for anything. The school exhibit threatens to overflow from the west wing, and many unusual demonstrations and exhibits will be seen there this year.

**A FREE BEEF**

As a drawing card for the fair the management will give away a fat steer to the party guessing the nearest to its weight during the four days at the fair. Each guess will be recorded and the only charge will be a fee of 10 cents for recording the guesses. No one individual will be allowed more than five guesses. The award will be made at a stated time, on Saturday evening, and in case two persons should tie in the guess, the steer will be sold at public auction on the spot, and the proceeds divided between the two closest contestants.

**BARN TOO SMALL**

The livestock barns have all been reserved and new ones are being built as rapidly as possible to take care of the overflow.

**LIVESTOCK PARADE**

Saturday there will be a livestock parade headed by Governor Withycombe who will be mounted on one of the best saddle horses in the state.

This will be the biggest and best parade ever held in this part of the state.

**REST ROOMS TOO**

There are on the grounds, rest rooms where women and children may rest themselves whenever they wish. It is the intention of the management to have every thing on the grounds for the accommodation

of the crowds that they can wish for.

**SPECIAL DAYS**

Wednesday October 6th, Jefferson County Day.

Thursday October 7th, Redmond, Sisters and Terrebonne Day.

Friday October 8th, Powell Butte and School Day.

Saturday October 9th, Gov. Withycombe Day, La Pine, Tumalo and Bend Day.

**INDIANS**

Supt. Reynolds has notified the management that all the Indians on the reservation are planning on attending the Fair this year and will help in the entertainment at the track. All the Indians are to be admitted free. There will be a parade of all the Indians in full dress.

**REDUCED RATES ON ALL RAILROADS**

Both the Oregon Trunk and the O. W. R. & N railroads have granted excursion rates from the Columbia River to Bend for the Crook County Fair and a large crowd is expected from the various towns to take advantage of these rates. Bend has promised to send a large delegation and Redmond was the first to ask for a special day and word has been received from Sisters, LaPine, Terrebonne and the Jefferson County towns stating they are going to be well represented.

**BUSINESS HOUSES WILL CLOSE**

All the business houses in Prineville will be closed each afternoon of the Fair during the races.

**FRIDAY, SCHOOL DAY**

The school parade will be held on Friday morning at 10:30 and promises to be the best thing of its kind ever held in this county.

All school children will march to the grounds in costumes, and many unusual features will be shown there.

**MANY OTHER FEATUERS**

Besides the things listed above which should assure anyone that we have been telling the truth about the fair being bigger and better than ever this year, there are a number of others that we have not tempted to list here, and a number that will be given as a sort of a surprise to those who attend the fair this year.

To cover the entire matter we will again say that the management will see to it that everyone is well satisfied with the fair, and will guarantee four big days, with something doing every minute.

**\$4000.00 IN PREMIUMS**

Over \$4000.00 will be scattered among the farmers in premium money at the Fair this year and if you do not get some, if it don't blame any one but yourself for you have an equal chance at it and are sure enough to get some of it if you only try.

Over \$1,000.00 offered for cattle alone this year and that amount exceeds the total premium money offered alone in all departments of some of the Crook County fairs in the State of Oregon.
