Double Wedding at McCallister's Sunday

Miss Daisy Ruby McCallister and Jesse Melton were married at the bride's home last Sunday afternoon in the presence of relatives and a few friends, Geo. H. Ramsey officiating minister. Just before the happy couple were introduced for congratulations, Roy McCallister and Miss Edna Grace Barker who had been best man and bridesmaid respectively for the others stepped forward together and upon being asked if they had a license replied affirmatively and presented one. The father and mother of the young man could hardly be persuaded that it was true but finally stepped back and permitted the surprise to become a reality. The second ceremony was indeed a surprise to all present for it was not known that they were to be married at that time. The two happy couple left immediately. Mr. and Mrs. Melton for a honey-moon trip and Mr. and Mrs. Roy McCallister for their home at Culver.

Boy Scouts Go on Another Long Hike

A few of the Boy Scouts of America enjoyed a day's outing last Saturday at Cram Springs. The forenoon was spent in reaching the place and getting dinner. The troop was divided into two bunches, the latter part of the hike, one group going ahead and leaving signs and pieces of paper for the second group to find, and also to find them. After roasting potatoes and eating dinner, the two rim-rocks were stormed and signal flags used in carrying messages from one group to the other. Difficulty was at first experienced in reading the Morse International Code but practice soon made the work intelligible. Several messages were exchanged. An early return necessitated starting home before they were tired of the sport.

Who Said Shoes?

We Say It Simply Because We Have The Goods!

We have always had the largest shoe stock in Prineville and expect to continue to have as long as we are in the shoe business. Perhaps the Peters Shoes are not the best shoes in the world, but we naturally think so because we have handled them for eight or nine years and have had very little trouble with them. We have tried most all other makes and they don't give the satisfaction the PETERS do
