- FORD TOURING CAR - \$440.00
- FORD TOWN CAR - \$640.00

Profit-Sharing with Retail Buyers

On August 1, 1914, we made the announcement that if we could make and sell at retail 300,000 Ford cars between August 1, 1914 and August 1, 1915 we would share profits with the retail purchasers, to the extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford cars in the time specified, and profit-sharing checks of \$50 each will be distributed as rapidly as possible after August 15, 1915. Retail purchasers who have not yet mailed us their profit-sharing coupons, properly endorsed, should do so without delay.

Our plan to profit share with retail purchasers of Ford cars during 1914-15 has been most successful. We thoroughly believe in it, but, realizing the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.

We are, however, confident of our inability to reduce costs for several months, and therefore can offer no profit-sharing for cars delivered during August, September and October, 1915.

Russia, by her stubborn defense of Riga and Dvinsk and her continued offensive in Galicia, is keeping her opponents engaged busily along the whole eastern front.
