

BEND MEETS DEFEAT IN PRINEVILLE SUNDAY

Prineville Eleven Shows Better Team Work.

COULDN'T FATHOM CHANGES

Cool, Hard Work Gets Results for Prineville, Winning Over Heavier Team.

Prineville 13, Bend 0.

Again has Bend been taught the lesson that Prineville can do things on the gridiron, and the game that resulted in the above score was perhaps the greatest surprize that they have yet received at the hands of the local men.

The closing quarter of the Thanksgiving game at Bend left the impression that Prineville's light team, most of which were from the regular high school eleven, had broken down, and they figured that with strengthening and practice Prineville would be an easy victim at the return game.

Again they failed to reckon with Prineville's spirit of winning and the ability of Coach Lawson. While the local lineup was composed of high school boys with a few exceptions the team work was even better than in previous games, and a number of new plays and combinations were tried out on the eleven from the mill city that were too much for them to comprehend until after it was too late.

The game started with a rush, but after the first two or three minutes it was evident that it would be evenly contested for the greater part of the game at least.

The first half showed no result, Prineville having somewhat the better of the battle if any odds were shown. The plays were again switched by Lawson in the third quarter, and this visibly worried Bend. Early in this period Prineville's light team repeatedly commenced a combination of line-bucking that shoved Bend's ton of men back down the field from one to four yards at a time.

The last ten minutes of the game came without a score, but Bend was fighting a desperate defensive battle, and losing ground every minute.

By a combination of plays, and cool headwork Prineville neared the goal in good, hard, straight drives. The crowd grew frantic, and catching the spirit the local eleven, with one concerted effort demoralized Bend's defense for a moment, and Lawson delivered a safe touchdown. Brosius kicked a safe goal.

The time was growing short and Prineville was determined to repeat the performance just to show the visitors that it was possible. Bend fought hard but every gain was made by Prineville, who butting against time, made a second touchdown, showing Robert Lister through a hole in the line at what was considered by Bend as being its strongest point just as the judges called time. Kick failed because of gathering dusk.

In every football game the people have learned to look for one or more stars. This game was no exception. The stars were there, eleven of them but above all could be seen the master hand of the coach, the spirit of Lawson, who controlled that eleven with the accuracy and precision of a genius. The Bend men were good losers, and were free to admit that they

Wedding Anniversary at Rowell Home

Last Thursday evening, the fifteenth anniversary of the marriage of Mr. and Mrs. F. A. Rowell of this city, more than thirty members and friends of the Christian Church remembered them in a surprise party. The guests were walking in upon the happy family before they were aware of callers. Following a short program of recitations and music the guests entertained with poetry written especially for the occasion some of which displayed a real poetic ability. Then each member of the company recited the first piece ever given in school or in public. This proved very interesting and amusing.

At a late hour the crowd unwillingly sought their own homes and left the two to their thoughts, new wedding presents of crystal, and honeymoon.

PRINEVILLE-REDMOND ROAD BEING WORKED

The Prineville-Redmond road is receiving attention from the county court, the citizens of both towns and the people living along the road.

Under the supervision of commissioner Blanchard the road is being straightened and graded up, and the expense is being met one half by the county and the other by the people along the road and in the towns.

This road, as has been in these columns before, is the most used and perhaps the most important in the county, and can be put into condition at a very nominal expense.

Everyone should help make it the best road in the county.

Bad Check Artist Grabs Half Hundred

A badcheck artist, Bert Gilmore or Harry Hardly by name, invaded Prineville Thursday evening last week, and succeeded in getting away with about \$61 on checks forged on the account of C. A. Field of Post.

Gilmore had been working for Field, and came to Claypool & Co., and Stewart & Co., stores; purchased a bill of groceries at each place, and presented a check for each which he indorsed as Harry Hardly and received his change on the checks. He left saying that he would call the next day for the groceries. When he never called the merchants became suspicious and investigated.

Their man had proceeded to Redmond and bought a ticket for Portland before Sheriff Knox was notified. Deputies boarded the train when it arrived in Portland only to find that the man they wanted was too wise, and had dropped off at some other station and apparently made a clean escape.

had been out generated.

This is the way they lined up:

Songs to Be Sung at the Community Christmas Tree

Familiarize yourself with the words.

It Came Upon the Midnight

It came upon the midnight clear
That glorious song of old
From angels bending near the earth,
To touch their harps of gold.
"Peace on the earth, good will to men,
From heaven's all-gracious king,"
The world in solemn stillness lay
To hear the angels sing.

Still thru the cloven skies they came,
With peaceful wings unfurled,
And still their heavenly music floats
O'er all the weary world,
Above its sad and lowly plains
They bend on hovering wing,
And ever o'er its babel sounds,
The blessed angels sing.

For lo! the days are hastening on,
By prophet brands foretold,
When with the ever circling years
Comes round the age of gold,
When peace shall o'er all the earth
Its ancient splendors fling,
And the world send back the song,
Which now the angels sing.

Silent Night! Holy Night!

Silent Night! Holy night!
All is calm, all is bright
Round yon virgin mother and child
Holy infant, so tender and mild
Sleep in heavenly peace,
Sleep in heavenly peace.

Silent night! Holy night!
Shepherds quake at the sight!
Glories stream from heaven afar
Heavenly hosts sing alleluia
Christ, the Saviour, is born!
Christ, the Saviour, is born!

Silent night! Holy night!
Son of God, love's pure light
Radiant beams from Thy Holy face
With the dawn of redeeming grace
Jesus, Lord, at Thy birth!
Jesus, Lord at Thy birth!

There's a Song in the Air.

There's a song in the air!
There's a song in the sky!
There's a mother's deep prayer
And a baby's low cry!
And the star rains its fire
While the beautiful sing,
For the manger of Bethlehem
Cradles a king.

There's a tumult of joy
O'er the wonderful birth,
For the Virgin's sweet boy
Is the Lord of the earth,
Ay! the star rains the fire
While the beautiful sing
For the manger of Bethlehem
Cradles a king.

We rejoice in the light,
And we echo the song,
That comes down through the night
From the heavenly throng.
Ay! we shout to the lovely,
Evangel they bring
And we greet in his cradle
Our Saviour and king.

Joy to the World.

Joy to the world! the lord is come;
Let earth receive her king,
Let every heart prepare him room,
And heaven and nature sing.

Joy to the world! the savior reigns,
Let men their songs employ,
While fields and floods,
Rocks, hills and plains,
Repeat the sounding joy.

He rules the world with truth and grace
And makes the nations prove
The glories of His righteousness,
And wonders of his love.

COMMUNITY CHRISTMAS COMMITTEES BUSY

Plans Are Completed for Biggest Time Ever.

EVERY ONE COME OUT SUNDAY

All Are Expected to Be at Club Hall at 3 O'Clock and Practice Songs.

A large and enthusiastic number of the citizens of Prineville met at the club hall last Friday to further plan and develop the community Christmas work. The committees have been at work with scarcely any exception and all indications point to a successful carrying out of the community Christmas festivities. Only one case of distress was reported in our city. That will be immediately cared for. Mrs. O. C. Claypool, chairman of the distribution committee, has secured the Jordan building, next door to O. C. Claypool & Company's grocery store, as a depot of supplies for the needy. You may leave your Christmas bundles for the relief of distress there. Clothing, food, canned goods, dried fruits, and any other articles, all equally gratefully received. Watch for other announcements and do not forget the singing practice next Sunday afternoon at the club hall at 3 o'clock. See the words of the songs to be used in this paper.

If you are not in on this community work, you will miss the best Christmas you ever saw in Central Oregon. Don't do something you will always be sorry for, but get in and help with this work and enjoy yourself with the whole community.

Meetings at Grimes chapel have been discontinued until January.

James E. Johnson left today for Venator, after spending two weeks in Prineville.

REPORT ISSUED ON OCHOCO PROJECT

98-Page Book Gives Every Detail of District.

INCLUDES MAPS AND VIEWS

Report is all That Could Be Desired for Proposed Irrigation District.

The complete report of the joint survey and investigation which was carried on by the state and federal government recently which covers the Ochoco irrigation project and power possibilities has just been issued from the government printing office at Washington.

It is exhaustive, complete in every detail, and is of great value, coming as it does at the time when the residents and owners of the lands are planning to take up the work in an irrigation district.

The book contains 98 pages, 50 maps which cover every possible phase of the project, including the reports of soil and other investigations, and ten photographic half-tones which show the proposed dam site, the lands that are to be irrigated from several different viewpoints.

The investigations were started well toward the heads of Ochoco, Crooked River and McKay creeks, and cover every feature of these streams to the lower Deschutes river.

While a number of possible projects have been investigated and reported upon, the only feasible one according to the report is the construction of a dam or a series of them on Ochoco, and the irrigation of the lands north of Prineville.

The report contains data that has cost many thousands of dollars to collect, and will put the matter of irrigation of these lands in a much more simple form than if the survey and report had never been made.

Mails and Roads Get Consideration

At the Commercial Club meeting Monday evening a committee was appointed to prepare data with which to assist the county court if possible in determining on the irrigation district matter when it comes up for consideration tomorrow.

A second committee was appointed to attend to the matter of good roads and better mail service. This committee hopes to have some good news for Prineville in relation to mail supply in the near future.

DECEMBER TERM OF THE COUNTY COURT

Be it remembered that a regular term of the County Court of the County of Crook state of Oregon was begun and held at the Court house in Prineville, Oregon, on Wednesday the first day of December, 1915, as the same being the first Wednesday in said month and the time fixed by law for holding a regular term of said Court, when were present at the hour of ten in the morning the following officers:

G. Springer, Judge, Presiding, H. J. Overturf, Commissioner, J. F. Blanchard, Commissioner, Warren Brown, Clerk, E. B. Knox, Sheriff.

Whereupon the following proceedings were had to-wit:

Resolution—Court agrees to appropriate a sum of money not to exceed \$250.00 to be used on the Prineville-Redmond road a provided in a resolution of this Court made the third day of November, 1915, on the condition that a like sum in work or subscription be appropriated and expended in said resolution.

Court adjourned for meeting of County Boundary Board.

Court convened this second day of December at the hour of eight in the morning; same officers present as yesterday.

Order a warrant drawn in favor of G. H. Russell in the sum of Five Hundred Dollars to be used on the cost of constructing a portion of the Ochoco Road around the Russell Reservoir.

Petition for relief by Mrs. James, referred to Mr. Overturf with instructions to visit the James family and given power to act for the county if necessary.

County Surveyor instructed to make report on county bridge and roads to State Highway Commission as requested by State Engineer.

Order warrant drawn in favor of J. C. Pritchett in sum of \$50.00 as damages on John French road.

Proper plat and dedication presented of River Terrace, Bend, Oregon; together with certificates of Surveyor, Assessor and of Sheriff of taxes paid; Dedication and plat approved by Court and ordered placed on record.

It appearing that certain school districts in Crook County have not made levies for the year 1916; the following levies are hereby made by this Court under Sec. 248 of Oregon School Laws for 1915 and the recommendation of Supt. Myers; District No. 10, 5 mills; No. 13, 5 mills; No. 15, 5 mills; No. 20, 2 mills; No. 22, 5 mills; No. 25, 1 mill; No. 26 2 mills; No. 29, 1 mill; No. 35, 2 mills; Redmond Union High School, 2 mills.

Cancelled road warrant class B Nos. 867 and 870 presented to the Court by J. O. McKinney together with affidavits satisfactory to the Court showing the same to have been purchased for value; order cancellation of said warrants rescinded and Treasurer instructed to pay same on presentation.

Agreement made by Court with P. B. Poindexter, whereby the said P. B. Poindexter agrees to keep the

VOTE IN COURTHOUSE BASEMENT THE 20TH

Treasurer's Salary Reduced to \$100 per Year.

SIDEWALKS TO BE REPAIRED

Delegates Appointed for Irrigation Congress; Regular Council Meeting.

The city treasurer will receive but \$100 per year in the future instead of the \$25 per month as at present.

An ordinance, No. 229, to the above effect was passed at the regular meeting of the city council Tuesday evening, and will go into effect the first of the year.

The council ordered the marshal to notify property owners in Noble Addition that they would be given just one week in which to repair sidewalks, and all who failed to comply during that time will be arrested. Walks in some parts of this addition have become dangerous to the public, the council considered, and summary action is deemed advisable.

City Attorney Biggs reported that she had collected some \$490, during the month from old sidewalk improvement assessments and other claims held by the city.

G. W. Noble, Jay H. Upton, Will Wurzwiler, I. W. Ward and George H. Russell were appointed delegates to represent the city at the irrigation congress in Portland.

It was voted by the council that the Australian ballot system be used in the coming election and that the voting place be the basement of the court house. Election day December 20.

Bills paid were:

Stratira Biggs	\$42.00
Chas. S. Edwards	1.00
R. S. Price	3.75
Wm. Poflard	79.00
L. M. Bechtell	25.00
C. W. Elkins	.40
J. E. Stewart & Co.,	1.31
N. F. Smith	12.00
Ethel Glaze	3.00
Stratira Biggs	3.00
J. B. Shipp	3.00
M. D. Powell	3.00
I. W. Ward	3.00
E. O. Hyde	12.10
Deschutes Power Co.,	158.90
Journal	41.05

"A Broken Step," is the subject next Sunday evening at the Christian Church, the last of the regular services for the day. Our Bible school has a place for you at 10 a. m. Will you take that place? The young people will be benefited by attending the Christian Endeavor Prayer Meeting at 6:30. We stand ready to welcome you to all services. Geo. H. Ramsey, pastor.
