NEWS FROM THE SCHOOLS

C. C. H. S. NOTES.

Robert W. Osborn, Editor.

A pall of gloom hung over the High School like a cloud when the death of Kenneth Hershey was announced, Tuesday. The members of the faculty are to be especially commended for the spirit of condolence which they showed to the bereaved parents, and for the closing of school during the present condition of its students.

Mrs. Walker is spending her vacation in Portland, Medford and Roeburg. At the latter she will visit Miss Rose B. Parrot, a former instructor in the C. C. H. S.

Much improvement is noted in the type writing and shorthand classes, and speed contests will soon be held.

The lady members of the faculty together with the girls of the Domestic Art and Science classes had a royal dinner the first of last week.

The first basketball game of the season saw the Alumni team defeated, 22 to 17, in their annual clash with the C. C. H. S. basket shooters, Saturday evening.

Roughness dominated and marred the beauty of the plays which were fast despite the fact that the Alumnis showed considerable lack of practice.

Estes was the star of the evening for in the matter of scores he practically defeated the Alumni team single-handed having made 18 of the 22 points scored by the winners.

The Alumni quintet consisting of Yancey, Belknap Rice, Michel and Weigand, played well and expect to win a return game to be staged New Year's Eve.
