# MELLOW-SWEET IS TASTE OF "SPEAR HEAD"

Most Richly-Flavored Chew  
That Was Ever Pressed  
Into Plugs

## FAVORITE FOR A GENERATION

Red-blooded men with real tobacco  
hunger find that they can satisfy it only  
by chewing, and the most wholesome  
and satisfying tobacco to chew is that  
made in plug form.

The limit of luxury in tobacco chewing  
is the rich, sweet, juicy flavor that  
trickles through your system when you  
chew Spear Head.

No other chewing tobacco is so mellow,  
so luscious and so satisfying. No  
other equals Spear Head for putting a  
keen edge on your appetite.

Spear Head is made of the world's  
best tobacco leaf—the choicest of red  
Kentucky Burley. This leaf is selected  
for its full, juicy richness with the  
most painstaking care, is stemmed by  
hand, is pressed into Spear Head plugs  
so slowly that not a drop of the rich,  
natural juice escapes.

Your first chew of Spear Head will  
open your eyes to the genuine enjoyment  
there is in chewing.

Chew the rich and mellow tobacco  
that has been the favorite for a third  
of a century—that's Spear Head. In  
10c cuts, wrapped in wax paper.

## NEWS FROM THE SCHOOLS

C. C. H. S. NOTES.  
Robert W. Osborn, Editor.

The past week was one which  
will long be remembered by students  
of the C. C. H. S., for it marked  
the staging of a very successful play  
and signalized a victory over the  
debate of our old rival, The Dalles.  
The spirit of celebration resulting  
was allowed to expand Thursday  
morning, when a general rally was  
held in which the debaters related  
their experiences.

The C. C. H. S. is not grumbling,  
but it was a strange chance which  
robbed Yancey and Prewitt of an  
unanimous decision in The Dalles.  
The judges were sent from Portland  
by Mr. Alderman, but it transpired  
that two of them were so especially  
prejudiced in favor of The Dalles,  
that their sense of fairness was for-  
gotten.

Miss Letha Everette, representing  
the Senior Class, related some very  
interesting Indian legends to the  
assembly Wednesday in which the  
Indian's power of imagination and  
reasoning based on the beauties of  
of Nature, were vividly portrayed.

The conclusion reached by the  
large and appreciative audience  
which witnessed the presentation  
of "Fanny's Dilemma" Monday  
night, was, that it was the best  
play, more ably interpreted than  
any ever staged in Prineville. The  
cast seemed to have grown up in  
their lines and their scenes were  
supported by all the appropriate  
properties obtainable. The pre-  
lude, by the lads and lassies of  
Newt's chorus, made a distinct  
impression and one would think  
that they were actually frivolous.

With a talent of expression and  
gesture which appeared professional,  
Estelle Conway delighted everyone  
with her vital interpretation of  
Fanny; Fair McCallister proved a  
handsome Lord Vernon; Ernest  
Estes, as George P. Newt, was  
always the smooth business man  
and Clinton Houston, the butler,  
was stiffness personified. Stacy  
Smith, the doctor, and the Misses  
Thronson, Merritt, Noble, White  
and Brennan, added humor to the  
play, and really, James King is not  
the indolent boy he appeared to be.  
The part taken by Miss Sykes could  
be seen in the stage settings and in  
the players themselves.

The Athletic Association wishes  
to thank its friends and partons for  
their hearty co-operation. R. W. O.

## HAVE YOU WEAK LUNGS?

Do colds settle on your chest or in your  
bronchial tubes? Do coughs hang on, or  
are you subject to throat troubles?

Such troubles should have immediate  
treatment with the strengthening powers  
of Scott's Emulsion to guard against  
consumption which so easily follows.

Scott's Emulsion contains pure cod liver  
oil which peculiarly strengthens the res-  
piratory tract and improves the quality  
of the blood; the glycerine in it soothes  
and heals the tender membranes of the  
throat.

Scott's is prescribed by the best special-  
ists. You can get it at any drug store.  
Scott & Bowne, Bloomfield, N. J.
