"SPEAR HEAD" AN OLD TIME FAVORITE

**The Most Popular Chew for a
Third of a Century**

PURE, RICH, FRUITY-SWEET

The man who chews gets by far the
most wholesome enjoyment and satisfac-
tion out of tobacco, especially if he
chews plug tobacco. The rich juices
of the leaf are retained in good
plugs better than in any other form.

For more than a generation Spear
Head has held first place as the favor-
ite high-grade plug chewing tobacco.
This unique distinction is due solely
to the wonderful quality and flavor of
Spear Head—the richest, mellowest,
tastiest chew in the whole world.

Spear Head is the choicest of all
red Burley, hand-stemmed and made
into mellow-sweet plugs in a perfectly
clean, most sanitary factory.

You can't chew the flavor out of
Spear Head, because it's a part of the
tobacco. That rich, ripe, red Burley
taste keeps on pleasing you as long
as you keep on chewing.

Chew Spear Head and you'll be
chewing the purest and most satisfying
tobacco that it's possible to make. In
10c cuts, wrapped in wax paper.
