

## PIANO RECITAL WAS A REAL MUSICAL TREAT

One of the greatest musical features ever offered the citizens of Prineville was the program given by the pupils of Professor Thomas J. Hill at the Methodist church in this city on Friday evening last.

The program was a piano recital and was participated in by sixteen of the pupils who have been taking instruction on the piano during the winter.

Twenty-two numbers were presented which included selections from the primary department, others of a more difficult nature, and finally some of the most finished and advanced pieces that have been presented to the public here by people who have been trained in the city. Numbers were rendered by Ila Johnson, George Springer, Ladocia Jacobs, Myrtle Lister, Paul Clark, Viola Johnson, Laura Nelson, Ruth Dishman, Fay Bussett, Helen Elkins, Mildred Dishman, Beatrice Clark, Lelia Garfield and Elma Noble.

Quartets were presented by Myrtle Lister and Fay Bussett, Ruth Dishman and Beatrice Clark; Mildred Dishman and Elma Noble and Beatrice Clark and Elma Noble, Ruth Dishman and Mildred Dishman.

A trio was rendered by Mildred Dishman, Elma Noble and Beatrice Clark, and a quartet by Elma Noble, Beatrice Clark, Mildred Dishman and Fay Bussett.

Prineville is indeed fortunate to have the services of an instructor of the ability of Mr. Hill.

## Jail Birds Fly the Coop; Soon Caught

Floyd Hill and Bob Wahner two young men who have been boarding at the county bastille for some time succeeded in cutting a bar in the jail Thursday night and escaped.

The delivery was discovered at an early hour and Sheriff Knox and deputy Rowell commenced at once to scour the country for the prisoners. It was discovered that they started east into the mountains and the trail followed as far as the car could be taken after which the machine was abandoned and the officers followed on foot until the jail breakers were apprehended in Wheeler county, about four o'clock Sunday afternoon.

They were returned to the jail on Monday evening. Each of the men is wanted for forgery, but it is now possible that one or both of them will be tried for jail breaking.

Miss Mary Swift left this morning for Mitchell on receipt of news of her brother's illness.

## AS GOOD AS A CHEW OF "SPEAR HEAD"

That Means the Supreme Degree of Rich, Luscious Tobacco Flavor

NO OTHER CHEW EQUALS IT

Nature varies the flavor she puts into the different grades of tobacco leaf—and the best of all is the flavor of choice red Burley that pleases you so mightily when you chew Spear Head.

The delicious fruity flavor of a chew of Spear Head is a revelation to the man who has never chewed or who has been chewing near-good tobacco.

For chewing is the one way to get all the wholesome, healthful, appetizing flavor of the tobacco leaf—providing you chew a high-grade plug like Spear Head.

No other tobacco can compare with Spear Head in the wholesome satisfaction it gives.

You get more savory sweetness in a chew of Spear Head than in a whole plug of ordinary tobacco.

\* And you get it in its purest form—Spear Head is made amid the most wholesome surroundings, in a great new factory that's kept absolutely clean and sanitary.

Try this rich, mellow, satisfying, pure chew. Such a chew cannot be obtained in any other tobacco than Spear Head. In 10¢ cuts, wrapped in wax paper.

## Agricultural Council To Be Organized

The organization of an Agricultural Council in Crook County has been discussed at community meetings and through the press during the past few months. Practically all of the farmers community clubs have expressed themselves as in favor of such an organization for Crook County—and some of these community clubs have already elected a delegate to attend the central meeting in the county for the organization of this County Agricultural Council. Mr. Paul V. Maris, State Leader in County Agent Work for Oregon has written agriculturist Lovett as follows regarding these organizations in Oregon:

"I have received your letter in which you state that practically all of the community clubs in your county favor the idea of organizing a County Agricultural Council. I am indeed, glad to have this information. No step that your organized farmers might take will result in more permanent good than the creation of this body. Counties all over the country are now and have been deriving great benefit from the existence of an organization of this kind which represents the agricultural interest of the county. They are not always called an Agricultural Council but the purpose and function is the same and the name, therefore, makes no difference.

"Your people may be interested in knowing that Lane, Yamhill, Wasco, Multnomah and Malheur counties, have already taken this forward step. In Lane county where the Council has been organized longest, they have, with the assistance of their County Agricultural Agent, been able to accomplish many things of importance including the organization of a public market in the city of Eugene, the building up of an extension system of co-operative hog-marketing which has saved the farmers of the county several thousand dollars since it was first started last October; the fostering of egg circle work, of cow testing work, of drainage work, of good roads work and the reorganization of the County Fair to make it more truly a farmers' fair; all these things have received the attention of the Lane County Agricultural Council in the short time that it has been in existence.

The secretary of each of the community organizations in the county have been asked to state at what time their delegate can best attend a meeting for the purpose of organizing the Agricultural Council for Crook County. This meeting will probably be held within the next month and we hope that not only the present active communities but also many newly organized communities will be represented at this meeting. Any desired information may be obtained by writing A. E. Lovett, County Agriculturist.

## BEND TO HAVE A "PROHI" ORDINANCE

An ordinance is being drafted by city attorney, H. H. DeArmond of Bend that provides for the prohibition of the sale of alcohol by druggists of that city.

The law as it exists at present, permits anyone to buy pure alcohol by making an affidavit that it is for external use. This is the only real leak in the present dry law, and an ordinance that provides that a few drops of some substance that will only benefit the pure article for use as a liniment, and will render it unfit for drinking purposes is the purpose of Mr. De Armond in this matter.

It will solve the problem, and will no doubt be copied in other cities of the state. It is to be hoped also that some such measure will be adopted at the next session of the legislature.

The Bend bowling team will play here Saturday.

## CROOK RECOGNIZED AT ANNUAL CORN SHOW

One of the important agricultural events of the Northwest for 1916 will be the Second Annual "First National" Corn Show, which will be held in St. Paul, Minnesota, December 11-16, inclusive. Contestants will be open to every farmer and farmer's son in the Northwest.

The Corn Show territory will remain the same as last year, and includes the following states, divided into districts as shown: Minnesota, six districts; Northwestern Wisconsin, two; North Dakota, six; South Dakota, six; Montana, six; Washington, three; Oregon two; Idaho, three. One hundred and thirty-six Silver and "Goldyn Bronze" loving cups will be awarded as prizes. Competition will be divided into a men's and boy's class, and is confined to districts only, there being no competition between states or between districts.

The geographical divisions for the two districts in Oregon are as follows: District No. 1—Counties of Hood River, Wasco, Sherman, Gilliam, Morrow, Umatilla, Union, Wallowa, Baker, Grant, Wheeler, Crook, Malheur, Harney, Lake, Klamath and Jefferson.

District No. 2—Counties of Clatsop, Columbia, Tillamook, Washington, Multnomah, Clackamas, Yamhill, Polk, Marion, Lincoln, Benton, Linn, Douglas, Coos, Curry, Josephine, Jackson and Lane.

Four prizes will be awarded in each district of each state, a first and second prize for men and a first and second prize for boys, trophies for the latter to be of like design and equal in value to those awarded the adult exhibitors.

Each exhibit must consist of ten ears of any variety of Indian Corn raised by contestant in a field of one or more acres, but not less than one acre. No fee will be charged for entry of exhibits. The total value of prizes will be \$5000.

A judge of recognized standing will make awards at the show and in so doing will judge exhibits by what he considers to be a recognized standard for any variety of corn raised in that particular district. Average size, productiveness, breed type and general appearance will be the governing factors. Exhibits will be returned in every case where contestants request that this be done at the time of making entry.

"Corn and Cattle Contribute Capital for Bigger Bank Balances" is the slogan that has been adopted by the First National Bank and the Northwestern Trust Company of St. Paul and Bankers of the Northwest, in the promotion of their Corn Shows. Increased interest in corn production means the ultimate raising and maintenance of more livestock and diversification in farming methods, to the financial advantage and prosperity of the entire Northwest.

## Prineville Meets Her Waterloo at Bend

Prineville met defeat of an unquestionable variety at Bend on Sunday. Although the score was but 4-5 in favor of the mill city, and was decided by a ten inning game. The Bend team lead from the start, Prineville being able to tie the score only in the ninth.

The Bend team took four runs on errors and it seemed were to have the game without question, when Prineville secured two scores in the eighth inning and two more tying the score in the ninth.

Manager Jordan feels that more practice will put the local team in position to win over all comers, yet it is plainly evident at this time that the locals will have a closer contest for their laurels this year than ever before.

The Shevlin-Hixon team from Bend will play Prineville at Davidson field Sunday, game starting at 3 P. M. Batteries for Prineville; Clarke, Burdon and Lister; for Bend, Baker and Sullivan.

## COUNCIL HOLDS ITS REGULAR MEETING

A warrant for the sum of \$500 was ordered at the regular meeting of the city council Tuesday evening in favor of W. A. Booth to complete the matter of opening the west end of Third street.

A cement walk for Second street from Main street to the bridge on the west was discussed, and the matter was left with interested parties who will circulate a petition among the property owners along this street.

A cleanup campaign is being waged by Marshal Gray who said he was meeting with good success.

The following bills were paid: Stratira Biggs.....\$ 23.00 Deschutes Power Co..... 160.50 E. O. Hyde..... 8.70 Hamilton Stables..... 1.50 J. H. Gray..... 75.00 John Lewis..... 6.75 Chas. Duncan..... 2.00 Journal..... .65 Council adjourned to meet on Tuesday, May 16, at 8 p. m.

Pamphlets giving full details regarding the second annual "First National" Corn Show and form of entry blank, may be secured on application from bankers in the corn contest territory.

## COMMITTEE APPOINTED FOR PAULINA ROAD

The improvement of the Prineville-Paulina road was left to a committee consisting of E. J. Wilson, H. G. Kennard and Jay H. Upton at the Friday luncheon last week. The road was reported to be in need of work and this committee will take the matter up with the court this week and see what can be done.

A number of visitors were present from Redmond. Attorney Denton G. Burdick spoke briefly, stating that the club in his town was always ready to cooperate in matters of general interest.

The meeting will be held tomorrow at the Methodist church where a chicken pie dinner will be served by the Ladies' Aid. These luncheons are open to everyone, both in the city and from the surrounding country, and the only charge is 35 cents for a meal that is worth much more.
