GENERAL OFFICES NEW YORK AND CHICAGO BRANCHES IN ALL THE PRINCIPAL CITIES

MAY 19.

Tomorrow is the date for the bi-annual direct primary. The voters of the different parties have the opportunity to express their wishes for candidates for the various offices and as there is considerable interest in the contest, a large vote should be polled.

If you have not already registered, you may do so tomorrow at the polls. It is only necessary for you to appear with two freeholders, and you can register before a member of the election board.

Qualifications are less rigid than formerly. If you have been a resident of the state during the past six months, and if you expect to reside in the community where you are now living you are entitled to a vote.

If you are interested in any of the issues that are represented by the candidates in this election, vote.

Vote and then abide by the will of the majority if you are defeated. But if you do not vote and then are not satisfied with the result of the election there is a two-fold reason why you should not voice disapproval.

"WE PROGRESSIVES."

There are in Crook county a total of 10 progressives registered, yet the county has been compelled to have progressive ballots printed for every precinct in the county. This for the reason that a few of the Bull Moose crowd wanted to attend the big Roosevelt show in Chicago next month, and filed their intentions with our Secretary of State.

Five of these progressives live at Millican, one each in Fife, Terrebonne, Bear Creek, Deschutes and Bend.

PROHI REGISTRATION.

In Crook county which voted overwhelmingly for prohibition on two occasions, and which from all present indications will continue to vote that way as many times as the issue is submitted, there are just 40 prohibitionists registered as such. Eight of these are near Redmond, three live in that town, five in Bend and one in Prineville. The remainder of the number is scattered over the county.

Now let us give the war a rest, the rout, the siege, the sally, and gaily shed our coat and vest, and go and clean the alley! Lets gather up the dogs and cats which have this life departed, and let tin cans and bricks, and hats off to the dump be carted. In winter you may voice your views, which you believe important, and base long sermons on the news, but in the spring you or'tn't. Then every able bodied man should whoop the "Clean Up" slogan, and chase the old tomato can, the cast-off hat and brogan. So let us clear our bulging brows of trifling thots and narrow, and gather up the old dead cows, and work the rake and harrow. The rubbish left by careless men, and lazy human cheeses, will bring a host of germs again, and they'll bring punk diseases. And forty billion flies will come, as many microbes bearing, and round our weary heads will hum, and keep us busy swearing. Clean up! Clean up! On every block let all the workers rally! No man should stand around and talk until he's cleaned his alley!—Walt Mason.

It will require a month for some of the candidates to figure out just how it all happened.

Ability, hard work, and a fair application of the rule that providence helps the man who helps himself brings results. Look at the C. C. H. S.

Ramsey and Yancey are the men of the hour. No man has ever done more and no man can ever do more for the C. C. H. S. than they. They are receiving many honors, and are entitled to them all. Here's to the boys who brought home the decision!

More than forty per cent of the republican votes in Crook county are in Bend and adjoining pre-

cinets. Less than eleven per cent of the republican vote is to be found in Prineville and nearby precincts. You may draw your own conclusions.

There are 97 socialists registered as such in Crook county. The greatest number in one precinct is 13 at Sisters and there are but eight precincts in the county that have no socialists registered.

The office of Circuit Judge, for Crook and Jefferson Counties, was created in 1915, and T. E. J. Duffy, was appointed by Governor Withycombe to fill the position. Although Judge Duffy registers as a democrat it may be noted, that his appointment was made by a republican governor, who among a great number of people regards such office as nonpartizan. Judge Duffy, entered upon the discharge of the duties of such office, giving up his private practice of law, to devote all of his time to it, and it can be safely said that he has administered such office fairly, impartially and in a business like manner. It would therefore seem no more than right in view of his record, that he be nominated and elected to succeed himself for a further term. Paid Advertisement.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building-tonic, free from alcohol or any harmful drugs. Try it. Scott & Bowne, Bloomfield, N. J.

My motto is "Economy and Equal Assessment for All." If I am nominated and elected I will make an earnest, honest effort to conduct the assessor's office as it should be, and in a manner indicated by this motto. R. D. Ketchum. Paid Adv.
