### I EAT ALL I WANT NOW AND FEEL FINE!

No More Gas on the Stomach or Sour Stomach! No More Heavy Feeling After Meals or Constipation!

If you have sour stomach, constipation or gas on the stomach try JUST ONE SPOONFUL simple buckthorn bark, glycerine, etc., as mixed in Adler-ka, the MOST POWERFUL bowel cleanser ever sold.

The VERY FIRST dose shows results and a short treatment with Adler-ka will surprise you.

It drains such astonishing amounts of old matter from the system that A SINGLE DOSE relieves constipation, sour stomach and gas almost INSTANTLY. A dose twice a week guards against appendicitis.

# Why We Are Opposing A Government Armor Plant

#### To the People:

Some people say that the very fact that the Bethlehem Steel Company is so aggressively fighting the proposal to build a Government armor plant is conclusive proof that the Company is seeking to assure for itself the "vast profits" derived from private manufacture.

The fact is that armor making is the least profitable feature of steel manufacture.

The reason we oppose a Government plant is very simple. It is this:

Even though there is but little profit in the making of armor, we have invested over \$7,000,000 in our armor plant;

That plant is useless for any other purpose; if a Government plant is built the usefulness of our plant is destroyed.

**It would be good business for us to make armor for the Government at any price over and above the actual shop cost, RATHER THAN SACRIFICE OUR ENTIRE INVESTMENT.**

We do not seek to save big profits; our purpose is very frankly to save our armor plant—itsself built solely for the use of the Government—from going to the scrap heap.

**To do that, we are prepared to agree for any period to any terms of manufacture which the Federal Trade Commission shall say absolutely protects the Government of the United States.**

CHAS. M. SCHWAR, Chairman  
EUGENE G. GRACE, President

Bethlehem Steel Company

There will be services at the Upper McKay school house Sunday afternoon at 3:00. Geo. H. Ramsey.

Officers elected for a new term are: Jessie Jones, Mrs. Claypool, Mrs. McNeeley, Mrs. Belknap, Gardner Perry, Laura Houston and Mrs. Powell.

The death of William Boyd who was a resident of this city for many years, was reported from Oregon City on May 29. His sister, Mrs. Stanton Black, lives at Ashwood, and a brother resides at Mitchell.

T. J. Kinney of Grand Rapids, Minn., passed through Prineville on Friday. He left his home town over a year ago and has walked almost 13,000 miles since that time, having visited many of the western states and Mexico. He is writing weekly letters to a paper which are to be published in book form later.

Several horses are in town to be looked over by horse buyers.

It looks like Spring is here at last.

### CHIROPRACTIC

YOUR health depends upon the condition of your nervous system. Science has proven that diseases, both acute and chronic, can be remedied by Chiropractic adjustments and without the aid of drugs. Chiropractors have located specific localities for every organ and tissue in the body, thereby having control over diseased parts.

You have tried all other methods without results, give Chiropractic a chance. Especially are chronic cases being successfully treated by competent Chiropractors. Every physician and scientist who investigates Chiropractic says it is logical and in accord with facts.
