Said council shall also require the collection of such taxes by the proper city and county officials authorized by law to make such collections and the taxes so levied, assessed and collected shall be kept in a separate fund, and said fund shall be used solely in the payment of the principal and interest of said bonds or warrants, and said principal and interest shall be paid out of said funds at the time or times provided according to law and the tenor of said bonds or warrants and coupons attached thereto. said bonds or warrants, or the coupons appertaining thereto, to perform their several duties relative to such levy, assessment, collection or payment, at the time or times provided according to law and the tenor of said bonds or warrants and coupons, whereby any default occurs in the payment of the interest upon any of said warrants or bonds or any part thereof, of such interest, or the principal of said warrants or bonds or any part thereof at the time, place, or manner of payment of said principal or interest, and by reason of such default, any suit or proceeding is brought by the holder or holders of any such warrant or warrants, bond or bonds, coupon or coupons, to recover any such principal or interest, due and unpaid, then and in that case the said city shall be liable for and shall pay, not only the principal or interest, or both, which may be due to such holder or holders, but shall also be liable for and shall pay all costs and expenses of such suit or proceeding, and also reasonable attorney's fees amounting to the sum of ten (10) per cent of the amount of the principal or interest, or principal and interest, as the case may be, for which any suit or proceeding is brought and all such costs and expenses of such suit or proceeding, including such attorney's fees, shall be, and the same hereby declared, so much additional indebtedness of the city, which shall be included in any judgment obtained against such city and the payment of which shall be enforced in the same manner and by the same means as the payment of said principal and interest.
