Bud Fisher by Walt Mason

Bud Fisher jumped the old-time rut when he invented Jeff and Mutt. For years, with that amusing pair, he's chased away the people's care, and made them laugh and throw their hats, and cackle till they broke their slats. The tired, the sad, the weak, the worn, have laughed with Bud, and ceased to mourn; the lame, the halt, the blind, the deaf, have whooped with glee o'er Mutt and Jeff. Where does he find the joyous jests which break the buttons from our vests? You'd think the fount would have to fail, but never once has he been stale. When he sits down to hatch a plot in which his heroes will be caught, he lights his pipe, and soon a joke emerges from Tuxedo smoke. He swears by "Tux" and so will you, when you have tried a jar or two.

BUD FISHER
Famous Cartoonist, says:
"Tuxedo has made a pipe my favorite form of smoking. Its coolness and mildness make pipe-smoking a real pleasure."

MANY MAKE PILGRIMAGE TO CRATER LAKE PARK

Many Prineville people took advantage of the baseball trip last week to show loyalty to the team and at the same time see a new section of the country.

There were nine cars in all that made the journey. Two were hired for the players while Bechtell and Bowman drove their own machines. Registered at the Hotel Baldwin in Klamath Falls were the Bowmans, Jordans, Adams, Leola Estes, Robert Douglas, Perry Poin-dexter, E. Rose, Hobart Belknap, Robert Osborn, L. C. Morgan, Glenn Hendricksen and at the Hotel Hall were H. G. Davis, Harvey Cyrus, George Newel, W. H. Post, Mr. and Mrs. Hugh Lakin, Walt Snoderly, Tom Quinn, Kōbt. Zev-ly and John Henderson.

The Dishmans and Clarks and their party carried camping equipment in their Fords and were camped near the rest of the crowd at Klamath Falls. This is quite a little city of 5000 supported largely by huge mills. It is situated on a narrow strip of Klamath Lake with boats plying to adjacent points. Mt. Shasta is here visible, the town being only 28 miles from the California line.

A number of the cars left on Friday so as to be able to visit that wonder of wonders, Crater Lake. The road between Prineville and LaPine is the worst of the trip, the rest less traveled is in good condition. A road to the crater turns about 45 miles to the south of Crescent. This takes one by Sand Creek, featuring the tree like pinnacles of sand stone.

The extensively traveled road is by Ft. Klamath and up through the Garden of the Gods. This is a very good highway, nicely graded and famed for its scenery. Great drifts of snow are piled along the wayside which was opened to the lake last Thursday and is now being thoroughly repaired by the government. Ye scribe had the first motorcycle at the lake this year.

If pages were read on the descriptions of Crater Lake, then after the first glimpse of the object itself, comparison would find many beauty features omitted. The lake is six miles long by four wide and over a half mile deep. The water is of the deepest blue while at the edge it is intensely green. A trail winds down through snow and sand some 2000 feet to the waters edge, where boats may be hired for a close inspection of interesting places or to fish in the deep clear water.

A big mountain hotel is situated on the very brink of the lake affording comfortable facilities for the tourist. From this point 60 miles to the south may be seen Upper Klamath and Agency Lakes

and the mountains of northern California. The government has started an auto road around the rim of Crater Lake, which will be well worth seeing.

The car belonging to Harvey Cyrus was broken near Crescent, but its occupants arrived at Klamath Falls by stage and fixed the car on returning. E. L. Rose had trouble with his car both ways and arrived home Tuesday evening. Outside of trifling incidents others of the party report the best of times.

WHAT WOULD HAPPEN IN CROOK COUNTY?

Some time ago judgment was given against Multnomah County for damages sustained when an auto truck fell through a weak county bridge. The county was held to be responsible for the condition of the bridge.

Now a judgment for \$1,300 has been won against Douglas County for personal injury sustained by a passenger jolted off a stage on a bad road. The decision has been appealed to the State Supreme Court. If sustained, this verdict will set a costly precedent.—Oregon Voter.
