MRS. I. MICHEL

Douglas Fairbanks and Seena Owen occupy the real place of prominence on the program, appearing in the stirring tale of the border, "THE LAMB." In this play, Mr. Fairbanks, with his irrepressible good humor and peculiar mannerisms is admirably suited to his part. In fact, this particular program, one of the strongest of the Triangle releases, has won the heartiest favor with the public wherever previously shown. A Centaur wild animal picture, in which the children especially delight, is to be shown tonight and Friday evening. It is entitled, "MARTA OF THE JUNGLE."
