7 KILLED IN I. W. W. FIGHT IN EVERETT

250 Men on Boat in Battle With Posse Ashore—44 Are Wounded.

Everett, Wash.—At least seven men were killed and 44 others wounded Sunday in a pitched battle at the Everett city wharf between 250 members of the Industrial Workers of the World, who came here from Seattle on the steamer Verona, and a posse of 150 citizens, headed by Sheriff Don McRae.

Ex-Lieutenant C. O. Curtis, of company L, Washington national guard, was killed. Nineteen others in the posse were wounded. Five of the dead and 26 of the wounded were on the boat. Sheriff McRae is among the seriously wounded.

Jefferson F. Beard, former sheriff of Snohomish county, and a deputy sheriff in the posse which battled with the I. W. W. died Monday, being the seventh man to lose his life.

After the shooting, in which about 1000 shots were exchanged, the Verona turned around and started back to Seattle.

Many men were seen to fall on the deck of the steamer and others, panic-stricken, jumped overboard. Some were taken from the water, but others disappeared and it is believed they were drowned.

The trouble between the Industrial Workers of the World and the authorities at Everett has been of several months' standing and was the outgrowth of a strike of shingle weavers here. After several minor outbreaks of violence during the strike, Sheriff McRae organized the Citizens' Committee and expelled all members of the Industrial Workers of the World from Everett.

On several occasions small parties of men have attempted to enter Everett, but have been turned back by the sheriff.

TROOPS MAY GO TO EVERETT

Governor Lister Sends Adjutant-General to Investigate.

Seattle.—Governor Lister, who was in Seattle when word of the riot in Everett was received, immediately ordered Adjutant General Maurice Thompson of the Washington national guard to go to Everett, 30 miles north of here, and report to him on conditions there. The governor said that if the situation still was threatening he would order the national guard to police Everett.

Mayor Gill, who was at Edmonds, midway between Seattle and Everett, telephoned to Chief of Police Beckingham to arrest every member of the Industrial Workers of the World that could be found.

The Journal is only \$1.50 per year.
