A Letter to the Public

Have you been attending the Lyric Theatre regularly? If you have not, why not? We will appreciate your patronage and endeavor to give you the best possible films that money can secure.

We wish particularly to call your attention to the films which will soon be shown at the Lyric. We are featuring **WORLD FEATURES**, shown every Friday and Saturday at 10c and 20c admission. These pictures are taken from the greatest of **WILLIAM A. BRADY'S** stage successes and feature the most noted stars of the speaking stage as well as the screen. Did you see **BLUE GRASS**? If not, ask your friends who did see it and how they enjoyed it.

Following Blue Grass we will present **LILLIAN RUSSELL** in **WILD FIRE**. Miss Russell's name should be enough to insure your confidence whatever the picture might be. Wild Fire is a picture far above the average and we know will give you perfect satisfaction.

We wish also to especially call your attention to the fact that beginning December 24th, we will change pictures with a feature picture on Sunday night. This program to be run only one night. The photo drama run at this time will be the **PATHE GOLD ROOSTERS** which have been previously shown in this city at 15c and 25c admission price. These pictures will be shown for 15c and we can guarantee you your money's worth. The first of these attractions, beginning December 24, will be little **MERRY SUNSHINE**, featuring the famous child actress, **MARIE OSBORN**. This is a picture for women and children but will be thoroughly enjoyed by all. Following this is **BIG JIM GARRITY** and **FLORENCE REED** who will be remembered in New York in the **WOMAN'S LAW**.

Beginning January 5th we will start the famous **FOX** productions which will be the highest price service ever run in Prineville. The majority of these pictures will feature the famous **THEDA BARA**, the queen of Vampires, who made Vampire roles famous throughout the world, and **Wm. FARNHAM** who was last seen here in the **SPOILERS**. The first of these productions will be **The Serpent**, featuring Theda Bara. Following this, **Blue Blood and Red**, the Man of Sorrow with William Farnham and Carmen. Every one of the Fox productions is a picture with a punch. We can guarantee our patrons that there has never been a greater production than **CARMEN** shown in this city. If you are not a patron of the Lyric now, be one. Don't pass up these features. Life is too short to miss any of the good things.
