usually stops a stubborn cough or chest cold when ordinary specifics fail.

It helps strengthen the lungs and throat—adds energy to the blood—and gives the system the force to help resist disease.

## News of the Films

Lyric Theatre will feature Lillian Russell, America's most beautiful woman and famous stage star, in Wildfire.

The management of the Lyric promises the patrons an unusual treat this Friday and Saturday. This treat will be Lillian Russell, the famous beauty and stage star, in the famous stage success, Wildfire.

Miss Russell has for many years been conceded to be the most beautiful woman on the stage and after seeing her you will doubtless agree with the critics. Her beauty receipts are used throughout the civilized world. This is the first and only photodrama that Miss Russell has ever appeared in and needless to say it is a production of merit. Miss Russell wears many beautiful gowns in Wildfire and these alone are worth the price of admission.

Wildfire is a story of the racecourse and combines thrills, intrigue, romance and action.

Sunday, Christmas eve, the picture presentation will be a picture of real Christmas spirit entitled "Little Mary Sunshine," featuring the famous child actress, Marie Osborne. This is the first of the Pathe Gold Rooster plays to be shown at 15c prices, having previously been run at 15c and 25c admission.

Follow the crowd and see the Shielding shadow at the Lyric every Monday and Tuesday. Next week, the "Disappearing Prisoner."
