

OUR NEW SYSTEM FOR GRADING FURS INSURES YOU FULL VALUE

NO one man can grade furs rightly at all times. That is why we have established a commission of three fur experts who have done nothing but judge furs for years. They will grade the furs you send us and price them according to the latest market reports. This new system protects your interests and insures you full value on your furs.

COYOTES Are in Tremendous Demand

The large markets we have to supply makes it absolutely essential for us to get a good, steady supply of pelts. We know that the best way to get this is by securing the interests of those who ship their furs to us. We established this commission to protect ourselves as much as to protect you. It was simply good business. We mean more in the end by paying you more. And besides, we are encouraging trappers of high grade pelts by a premium system.

FREE Automatic revolver, gun, traps, etc. Our profit sharing plan not only gets you trap catchers, but also gives you traps, rifles, shot guns, traps and other things you want. So don't be tempted every 1-4. Write for our Fur Club News, Premium List and List of Prices. All mailed to you FREE. Write TODAY.

Such tobacco enjoyment

as you never thought could be is yours to command quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907," which has made three men smoke pipes where one smoked before!

PRINCE ALBERT
the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

Buy Prince Albert everywhere tobacco is sold in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and that corking fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such clever trim—always!
