HOWARD ITEMS

(Special Dispatch to The Journal)

Good weather is causing the snow to go fast on upper Ochoco.

Perry Long has returned from Prineville and is busy again carrying the mail to Meadow.

W. A. Donnelly went to Beaver ranger station Wednesday, returning Thursday. He reports that the road across the mountains is in very fair condition and there is only two and a half feet of snow on the summit.

Harry Kimble has returned from Prineville.

Four shifts of six hours each are working at the Ochoco Mines, two day and two night shifts. The work is being rushed as fast as possible, and it is expected that ore will be shipped regularly after June 1st at the latest, and sooner if the condition of the roads make moving the ore practicable.

A. J. Champion will begin placer work in a few days and will work over more ground this season than last year since much of the surface dirt was sluiced off the pay gravel last spring.

POST ITEMS

(By Our Regular Correspondent)

Robert Raymond is home again after a week's visit at Athena.

Mrs. Poiry's brother from Oklahoma is visiting at the O. C. Gray ranch.

J. R. Post and wife visited at Wallace Post's Sunday.

HELD ITEMS

(By Our Regular Correspondent)

A. S. Fogg, the land commissioner of Hampton, Oregon, was at T. N. Rickman's last Monday. Several of the neighbors of this vicinity filed on additional homesteads.

Frank Mikula was a caller at the Held postoffice recently.

Mrs. Alex Rickman and daughter, Florence spent Thursday night with Mr. and Mrs. S. D. Kennedy.

MEADOWS NEWS

(Special Dispatch to The Journal)

March came in like a "lamb" with the mercury at 20 degrees below zero.

There is still about two feet of snow on the prairie but the stock is wintering well with very little loss so far.

Clyde Leech returned to Meadow Saturday evening. He made a trip to Portland with the P. L. & L. Co. beef cattle.

Roy Rutter, of Prineville, has started the latest here in Meadow—measles.

Mrs. Merritt went to Prineville the first of the week to join her daughter, Miss Edna on a trip to Portland, and to visit with another daughter who lives in the Valley. She expects to be gone about two weeks. Frank Merritt accompanied his mother as far as Prineville.

Perry Long says a few days spent in Prineville is a good antidote for the blues.

Tom Coon killed a coyote which ventured too near the barn in its search for food. It is thought that it was not rabid.

ALFALFA ITEMS

(By Our Regular Correspondent)

The cold wave that struck this section about ten days ago is still with us.

Mrs. Curt Muller, Miss Leta Benn and Frank Ogle were doing business in Bend this week.

C. H. Hardy is trying out sweet clover. Last year he seeded some that made fine pasture and which seems to be standing the winter fine. J. M. Roberts is also giving it a trial, but his has not stood the cold weather and he is afraid most of it has been killed out.

A few of our farmers will experiment with a new field pea next summer. J. M. Roberts, Albert Shultz and C. H. Hardy have already ordered their seed.

The Alfalfa Development Club held an interesting meeting at the school house Monday evening.

Mr. Burright and Jennie Tattl were hosts to the 500 Club Thurs-

day evening.

A rabbit drive on Monday resulted in killing a goodly number.

Mrs. Frances Clarke and daughter went to Portland where Mrs. Clarke will remain for some time.
