CROOK COUNTY GOOD ROADS ASSOCIATION

BOND ISSUES UNANIMOUSLY IN-
DORSED AT MASS MEETING

ORGANIZATION IS PERMANENT

G. W. Russell is President and Jay
H. Upton is Secretary—Vice-
Presidents in Each Precinct

A mass meeting of representative
citizens assembled at the court
house Tuesday evening in response
to the call published in The Journal
last week.

More than 100 men were present,
practically every section of the
county being represented.

A number of good roads speeches
were delivered, and by unanimous
vote, the men present went on record
in favor of the issue of bonds
by the county for the purpose of
building roads into the southern
and eastern parts of the county.

The \$6,000,000 bond issue for
state purposes was also indorsed.

The organization was made per-
manent and Geo. Russell was elected
president, and Jay H. Upton sec-
retary.

A vice president will be selected
from every precinct in the county
and several of these have already
been announced. They are: J. E.
Roberts, Roberts; H. J. Lister,
Beaver; Homer Norton, Post; Frank
Hackleman, Camp Creek; Tom Ben-
son, Bear Creek; J. W. Stanton,
Mill Creek; R. E. Jones, Howard;
G. W. Slayton, Johnson Creek; I. B.
Meyer, Mowery.

The plan is to issue \$74,000 in
bonds this year, which will make
possible the securing of funds from
the state or Federal governments or
both, for the improvement of the
Crooked River, Bear Creek and
Ochoco roads.

Homer Ross, Forest Supervisor,
explained to the meeting in a few
words the Shackleford bill as it was
recently passed by Congress and
what it meant to the people of
Crook County in the way of financial
aid in the construction of our roads.
He stated that he felt that there
was nothing better in the world that
the Forest Service could do in the
way of a public service for the com-
munity than to assist in the im-
provement of the roads, and he
hoped that the County would bond
itself for at least \$74,000 in order
that they might have funds to match
funds which would be available un-
der the Shackleford bill.

He stated that both the Crooked
River and Bear Creek roads very
properly came under the heading of
Rural Post Roads and that it would
be possible to secure Federal aid in
their construction if the matter
were properly handled. He explained
that 75 million dollars of Federal
money would be available for ex-
penditure on Rural Post Roads dur-
ing the next five years and that an
additional 10 million dollars would
be available for expenditure during
the next ten years at the rate of one
million dollars per annum and that
if the Crook County people did not
avail themselves of the opportunity
of getting some of this money for
our roads, there was no one to
blame but ourselves.

He urged the construction of well
laid out trunk line roads which
would serve the local residents as
well as the through travel and from
which lateral or secondary roads
could be constructed later on.

Lordship. Bow the head and bend the knee in grate-
ful anticipation of spring and summer.

CONTRACT LET FOR 33,000 RAILROAD TIES

WILL BE DELIVERED AT WEST
END OF ROAD BY F. E. LOGAN

RIGHTOFWAY TO BE CONDEMNED

Ordinance Providing for Improve-
ment of North Main Street and
Cutting of Hill Passed

A contract was let for the deliv-
ery of 33,000 ties at the west end
of the Prineville railway Tuesday
evening to F. E. Logan, of Bend,
at 42 cents each for the standard
sized ties, and prices ranging as low
as 30 cents each for the smaller
ties. This will be enough ties to
complete the road.

After considerable discussion, a
resolution was adopted by the
unanimous vote of the council, pro-
viding for the condemnation of all
right of way that is not deeded to
the city by tonight, and the city at-
torney was authorized to start these
proceedings for the city.

It was stated that contractors
would start the grading on Monday,
and that no time is to be lost in
making these adjustments.
Mr. Euston was hired as book-
keeper for the railway construction
work, in addition to his work as
recorder.

A permit was granted to C. W.
Elkins for the construction of a
plate glass front in his grocery de-

An ordinance was passed which
provided for the grading of the
north end of Main street, and the
cutting of the street through the
hill.

Mrs. S. J. Newsom was present
and offered to open the street
through her property, which offer
was accepted by the council.

Ray Mackey was sworn in as
special police in the absence of Mr.

PRINEVILLE CATTLE MAKE NEW HIGH MARK

37 CARS GO TO NORTH PORT-
LAND MARKETS MONDAY

CRAM & SONS RECEIVE \$9.90

Average Weight of Car Lot Was
1108 and Sale Was Made
Without a Cut

A load of steers shipped into the
market at North Portland for Mon-
day sales by H. S. Cram & Sons of
this city sold at \$9.90 which was 15
cents above the previous high mark
which was established by Prineville
growers also.

Eleven cars were shipped over
the Oregon Trunk on Sunday, ten of
which were from Prineville.
J. M. Elliott, C. W. Wood and
Mace & Cofold each shipped three
cars, and F. W. McCaffery and Cram
& Sons shipped one each.

There were 37 cars of cattle in
the market, many of them coming
from Idaho and eastern Oregon
yards, but the better stuff was in
the Prineville shipments.

The price was due to advance
about April 1 local growers have
said, and another jump to \$10.00 is
freely predicted for first class stuff.

RECALL OF COURT OFFICIALS PROPOSED

HAY WANTED AT TILLAMOOK

Superior Qualities of Central Oregon
Crop Recognized

Several cars of hay have recently
been shipped to the farmers of Tilla-
mook county, from Redmond,
through the medium of the County
Agents of the two counties, and
since using some of the superior
Central Oregon product, the farm-
ers there have decided they can use
1000 tons for fall delivery.

The Tillamook dairymen have de-
cided that if they can buy all the
hay they need from the farmers
over here that they will use all their
land for pasture, green crops and
silage, and they are anxious to
know what can be done in the mat-
ter so they may plan their cropping
system under the new conditions.

It begins to look as if Central
Oregon farmers are not going to
have to worry about a market for
their crops. Quality and quantity
count when it comes to getting be-
fore the bigger markets and that is
what the farmers of these two coun-
ties are learning to produce.

PARADE AND RALLY HELD LAST SATURDAY

A patriotic parade and demon-
stration was held in Prineville Saturday
afternoon which was participated
in by several hundred people.

The line was headed by the High
School cadets in uniform, led by the
military band of that organization,
and each of the cadets bearing a
musket of regulation army pattern.
Citizens, veterans from other wars
and school children united to make
the parade several blocks long, the
machine guns and anti-air craft
guns bringing up the rear.

A meeting was held at the Com-
mercial Club Hall which was pre-
sided over by T. M. Baldwin. Rev.
Reid gave the invocation and Rev.
Van Nuys was principal speaker.
Jay H. Upton delivered a few re-
marks.

EASTER AND WAR

At this season of the year we
stand within the shadow of the
cross and wait for the light of the
resurrection morning to dispel its
gloom. The darkness has been
deepened by the war cloud that
hovers over our nation.

Poor agonized Europe sinks help-
less in the vortex of the bloody
maelstrom. The fast running cur-
rent of events seems to draw our
nation into the whirl of death. In
this awful hour the victory of Jesus
Christ over the grave should mean
more to men than ever before.

If the crime and curse of war
should demand of us its staggering
toll, through all the confused noises
of earth we still may hear the Christ
declare, "I am the resurrection and
the life." The Resurrection proves
his claim, though the War God
stalks forth gathering his harvest of
death. Christ still declares, "He
that believeth in me, though he
were dead, yet shall he live."

It is alone in Him we can hope
and have the victory of Life over
death. He alone can close the fur-
rows of war, and forever extinguish
the last vestige of hatred and hor-
rors among men. The Christian
Church is the result of the Restora-
tion movement. An effort on the
part of the twentieth century Dis-
ciples to establish the faith ONCE
delivered to the saints, of the first
century. Through the centuries the
false and spurious have crept in re-
quiring corrections and reformations
again and again, until the only solu-
tion to the problem of the pure
teachings of Christ, has been a res-
toration of those teachings untouched
and untainted by the hands of
men.

If you wish to be SURE of your
hope of immortality study the plan
of salvation as laid down by Christ
and his disciples. If you will spend
an hour with us each Sunday morn-
ing or evening, we will seek to teach
you the faith of the early disciples.

CRAWFORDS COMING AGAIN

which will be remembered as having
given a series of first class plays in
this city a few months ago, will be

Watch for their announcements.

LADIES ANNEX WAS HOSTESS SATURDAY

SIXTY-FIVE LADIES ARE PRESEN-
T FROM ABOARD

160 BANQUET IN AFTERNOON

Sorosis, Tumalo Tillamucks, Redmond
Women's Club, Juniper Club and
Madras Club Represented

The Federated Clubs of Central
Oregon were entertained with a
luncheon Saturday afternoon by the
Ladies Annex. The luncheon was
served by the ladies of the Baptist
Church and covers were laid for one
hundred and sixty-five, sixty-five be-
ing out of town guests.

The purpose of this gathering was
to create more enthusiasm and in-
terest in the coming State Federa-
tion which will be held in Prineville
some time in October.

In October, 1901, a committee
consisting of Mrs. H. P. Belknap,
Mrs. M. E. Brink, Mrs. C. M. Elkins
and Mrs. J. H. Wigle circulated a
petition to secure a charter list for
the organization of the Ladies An-
nex and later met at the home of
Mrs. M. E. Brink and organized with
a membership of about twenty. Mrs.
H. P. Belknap was elected the first
president, Mrs. Brink vice president,
Mrs. Wigle secretary and Mrs. C.
M. Elkins treasurer.

They organized as the Annex to
what was then the Prineville Ath-
letic Association. Some of the work
accomplished by the members was
the furnishing of the men's reading
room, the bowling alleys and pool
tables, all the chairs in the building
and \$100 each year toward the sup-
port of the Commercial Club.

The membership has been steady-
ly increasing until it has reached
the present list of over one-hundred
members. Through the persistent
and untiring efforts of Mrs. Ada B.

ORGANIZE CENTRAL OREGON BALL LEAGUE

At a meeting held in Bend at the
Emblem Club on Monday night an
organization was perfected for a
baseball league in Central Oregon.

The following representatives of the
different teams were in attendance:
Edgar Albee of Prineville, L. H.
Irving of Madras, O. C. Pierce of
Culver, F. R. Prince of the Shelvlin-
Hixon and M. R. Cashman of the
Bend team were not in attendance
but were represented by interested
parties. It was decided to have a
four team league including the two
Bend teams, Prineville and a team
from Jefferson county. This team
will divide its games between Mad-
ras and Culver as it sees fit. Madras
and Culver were both represented
at the meeting prepared to enter a
team in the league but as it was
impossible for Redmond to enter it
was necessary to cut the league to
four teams. The following officers
were elected for the year: M. R.
Cashman, of Bend, president; L. H.
Irving of Madras, vice president; O.
C. Pierce of Culver, secretary; and
Edgar Albee, treasurer. A very
satisfactory adjustment of the gate
receipts was made, 10 per cent of
which will go to the league, the re-
maining 90 per cent to be divided
50-50. The league will start about
May 1st, ending August 1st, playing
only on Sundays. It was decided to
let each team use the holiday dates
as it saw fit thus enabling them to
get outside teams on these dates.
The schedule and rules will be
drawn up at a meeting called for
Friday at 2 o'clock in Culver.

An honorary board was chosen
consisting of T. M. Baldwin, C. S.
Hudson, O. A. Pearce, E. J. King-
ley and C. A. McCann.
