

**A**RE you reading the history now running serially in advertisement form in *Colliers*, *Saturday Evening Post* and other national magazines of the building of the Union Pacific?

Union Pacific is a national achievement upon which depended the safety of the Union and the holding of the Pacific States.

The stories are rich in intimate facts of United States history. When you read them you will realize what a great part Union Pacific played in the growth and welfare of our Nation; and how truly serviceable Union Pacific is and will be—in peace or war—to the people of our United States, as individual travelers, or shippers, and as a Nation.

Just plant the Tape a row at a Time.

**Greatest Improvement In Seed Planting**

The tissue paper tape keeps the seed constantly moist—it is simple to understand that they germinate quicker and better. The seeds are spaced the proper distance apart—so no thinning out is necessary. Only the finest selected seeds of thoroughly tested prize winning strains are used. And the labor is reduced to a minimum.

Surely this is what you should use in your garden this year.

Pakro Seedtape is made by The American Seedtape Co., 71 West 12th St., New York City. Get it at your dealers. Price 10c per package
