

THE CITY

Mr. and Mrs. Harry Windom and Mr. and Mrs. Carl Windom were in the city Sunday from Culver.

Mrs. Vernon Forbes, of Bend, who has been visiting Mrs. T. E. J. Duffy, returned to her home yesterday.

Ray Constable received word Friday of the death of his father, J. H. Constable, in Chelsea, Oklahoma.

John Carpenter reports that his plan of booming ties down McKay creek has not been very successful.

Both High and Public Schools will perhaps close in two weeks in order to get the boys on the farms earlier.

The public is invited to attend the local institute which will be held at the high school on Saturday of this week.

The oratorical tryout will be held at the Public School building on Friday, May 12. A small admission fee will be charged.

Geo. Rosenberg arrived yesterday from his home at Skaguay, Alaska, and will spend the week visiting his brother, Dr. J. H. Rosenberg of this city.

The hearing in the Squaw Creek Irrigation Company matter will be held at Sisters next Monday instead of Redmond as was announced last week.

The fact that gardening and chickens do not work well together is becoming very apparent and the authorities say that those who violate the chicken ordinance may be prosecuted soon.

At the last meeting of Juniper Circle, W. O. W., which was entertained by Mrs. C. E. McDowell, the following delegates and alternates were elected to attend the district convention which meets at Astoria in May: Mrs. Isabella Poindexter and Mrs. Ethel L. Glaze; alternates: Mrs. Kate Pancake and Mrs. Alice MacKay.

Methodist Church—Sunday, May 6, Communion Day. Morning: "The Old Well by the Gate". Evening: "The battle of Armageddon". Sunday School at 10 a. m. Epworth League at 6:30 p. m. and Prayer Meeting at 7:30 Wednesday evening. Monday evening at 7:30 Third Quarterly Conference.—E. T. Reid, pastor.

PICNIC AT ROBERTS

Community Club Will Celebrate on Saturday, May 12

The next meeting of the Roberts Community Club will be held on May 12.

This will be in the nature of an all day picnic, and a program will be rendered. Everyone is invited to come and bring baskets. The festivities will be held near Roberts.

INSPECTOR IS PLEASED

Deputy dairy and food commissioner Steinmetz was in Prineville the first of the week inspecting the shops and all places under the supervision of his department.

He reports everything in first class condition in Prineville.

When will
You Cut Your
Equipment Costs
75%
and Use
Smith
Form-a-Trucks?

**Smith
Form-a-Truck**
\$350
C. O. B. Chicago

Horse-drawn delivery and hauling saddles you with an excess cost for equipment that can easily amount to 75% over your entire investment.

A Money Saver

Smith Form-a-Truck eliminates all unnecessary investment in delivery and hauling equipment. It easily hauls twice the tonnage hauled by horses over three times the area and in the same time. This is real hauling and delivery efficiency—time saving, money earning in every line of business.

Loaders' & Drivers' Wages

Where you now use from three to four horse-drawn teams, one Smith Form-a-Truck will easily do the work. Loaders' and drivers' wages are saved. The men on the loading platform work steadily and earn money for you instead of wasting it waiting for slow moving teams to get back.

Horses Must Rest

Your excessively large, horse-drawn equipment costs you money for upkeep on working and non-working days. Stabling, feed, veterinary bills go on all the time—and for steady service all day you must have extra equipment to give the horses a rest.

Expense Stops

Smith Form-a-Truck costs nothing to maintain when it is not working. Stop the motor and the expense stops until you start it up again. There is no non-production expense. And the actual cost

of maintenance when Smith Form-a-Truck is running is not only far less than for horses, but less than for any other form of hauling or delivery.

A Big Guarantee

And you can put Smith Form-a-Truck at work in a few hours. Simply attach it to any Ford, Maxwell, Buick, Chevrolet, Dodge Bros., or Overland power plant. The truck construction is permanent—fully guaranteed—the mechanical equal of the highest priced truck you can buy.

Rear Axle Carries Load

You know the service value, the economy standard of the famous power plants with which Smith Form-a-Truck can be used. And the power plant only pulls the load. The Smith Form-a-Truck carries it—90% of the entire load rests on the sturdy Smith Form-a-Truck rear axle.

Be One of 30,000

Don't put up with wasteful expense in your hauling or delivery for another day. Get your order in for Smith Form-a-Truck now. Be one of the 30,000 sure of getting delivery this year. Join the 10,000 present satisfied users.

If you have any doubt, ask for a demonstration. It will be a revelation to you to see the actual money saving Smith Form-a-Truck will make for you.
