MANY ATTEND GRAD- UATION EXERCISES

The largest class in the history of
Crook County High School was
graduated from that institution
Friday evening at the Commercial
Club Hall.

The stage was beautifully dec-
orated with pennants and flags and
large bouquets of red carnations, the
class flower, were placed along the
footlights.

Dr. J. H. Gervin delivered the in-
vocation after which several of the
graduates gave some very interest-
ing selections.

Prof. H. C. Baughman presented
the class to the board and they were
presented with their diplomas by
Judge Springer.

A leather upholstered rocking
chair was given to Prof. Baughman
by the class.

The High School Cadet Band fur-
nished music during the evening.

One of the largest crowds ever
assembled in the building witnessed
the exercises.

OZA MYERS IS FIRST; BARNEY-CRAM SECOND

Miss Oza Myers won the Baldwin
cash prize of \$50 on Thursday even-
ing. Luther Barney and Lynn
Cram divided the second prize, \$25
in cash, given by J. N. Williamson.

Miss Myers spoke on "American
Zeal", and delivered her address in
an able manner. Her theme dwelt
upon the thrift and inventive genius
of the typical American, and was
especially timely, which added to
the interest of her topic.

Luther Barney's address was on
the subject of "My Country, the
Promise of American Life", and
Lynn Cram spoke on "The World a
Democracy".

J. R. Post was in the city Tuesday
from Post.

DEMISE OF VAN D. BRINK

Prineville Boy Victim of Typhoid
Attack

On Saturday afternoon last oc-
curred the untimely death of Van
D. Brink at the home of his parents
in this city.

Funeral services were conducted
at the residence Sunday afternoon
at 4 o'clock.

Van had been confined to his bed
for the past seven weeks suffering
from a severe attack of typhoid. He
was very low for days, but Friday
and Saturday some hopes were en-
tertained for his recovery.

Death came suddenly shortly after
1 o'clock.

He was 21 years of age last Sep-
tember and had been a resident of
Prineville all his life. He graduated
from Crook County High with hon-
ors in 1914.

PRINEVILLE AND BEND TIE FOR LOW PLACE

A bitter contest is being waged,
apparently, between Prineville and
Bend baseball teams for low place
in the Central Oregon League.

Whether the Prineville team is
stalling, and will get a pace and ad-
vance to first place as has been their
custom for years or not remains to
be seen, but results thus far show
them to be almost as poor as the
Bend team, than which there are no
poorer baseball players in captivity.

The Prineville ball team jour-
neyed to Bend Sunday and was de-
feated in a game that went ten inn-
ings by a score of 11 to 10. Prineville
has no apologies to offer, they went over
to win.

The official score shows Tetherow
allowed 20 hits with 4 errors be-
hind him, but there was plenty of
opportunity to convert some of these
hits into putouts, had Prineville's
fielding been up to usual standard.

Bonehead plays coupled with
loose fielding helped to lose the
game as much as Tetherow having
an off day.

Stapleton played a game that was
class A. Albee worked well at short,
Merchant made the Bend slabs
respect him, Bowman and Ellis tried
a come-back and they came back—
to Prineville.

With daily practice this week,
look out Jefferson.

The scoring started in the third,
Merchant waited out, stole second,
Albee walking, Bowman's hit scor-
ing Merchant and placing Albee on
third, Albee scoring on an error by
Davis.

Prineville tied the score in the
ninth 7 to 7, Erickson getting a
two-bagger, reaching third on Stap-
leton's hit and scoring on an error.

Prineville in their half of the
tenth, had what should have been a
safe lead of three runs, but Bend
held a swatfest and annexed four
runs. Springer started the parade
getting a double, Stover singled and
Springer scored on a bone-head by
Erickson. Merrill scored Stover
with a three-base hit but was put
out on an assist Albee-Stapleton.

O'Donnell singled and scored behind
Johnson on Clow's three-bagger.

IRRIGATION DISTRICT BONDS ARE LEGAL

ENGINEER'S ESTIMATES ARE
APPROVED

WORK MAY START IN 60 DAYS

Work Seems Sure During This Year
Contract Made With Bond-
ing House

At an all day session of the Board
of Directors of the Ochoco Irriga-
tion District on last Saturday, the
affairs of the district reached a cul-
mination which will make it possi-
ble to know within the next sixty
days whether the district will be
able to complete its plans, or wheth-
er the war situation will mean an
indefinite delay.

The first good news received was
an opinion from Messrs. Teal, Minor
and Winfree, attorneys, who are the
recognized bond lawyers of the
northwest, that all the legal steps
leading up to and including the
election for the formation of the
district and the bond election were
legal and that the proposed bonds
have been legally authorized.

The next was a careful and thor-
ough report from the engineer who
represents the bond house of Clark
Kendall & Co., approving in nearly
all respects the plans and estimates
of Project Engineer Rea. This
engineer was A. J. Wiley, a man
who has had as much or more ex-
perience as any other man in the
United States in the actual construc-
tion of irrigation projects. The
difference in cost between the proj-
ect engineer and Mr. Wiley was very
slight. Mr. Wiley in his report
recommended that the district buy
its power locally instead of install-
ing a power plant at the dam and
that one pumping station for rais-
ing water to certain lands in Dry
Creek be eliminated and this recom-
mendation the board has determined
to follow.

The Board also entered into a
contract with Clark Kendall & Co.,
which will make it possible for
them to place the bonds, if condi-
tions on account of the war do not
prevent the sale of this class of
municipal bonds.

The contract in effect provides:
That Clark, Kendall & Co., shall
employ a contractor who shall be
satisfactory to the board who shall
construct the main dam and the
first 15 1/2 miles of main canal for

CENTRAL OREGON UNIVERSITY ALUMNI

An association of alumni and
friends of the University of Oregon
from the counties of Crook and De-
schutes was effected at the Pilot
Butte Inn at Bend on Saturday, May
19, by Mrs. Millican, appointed by
the Governor as chairman of the
above counties.

The following officers were elect-
ed: Mrs. Ada B. Millican, Prineville,
honorary president; Miss Claire
Dunn, Redmond, president; Dr. J.
F. Hosch, Redmond, vice president;

tary; F. F. Wait, Bend, treasurer.

A number of young ladies sold
tags for the U. of O. Woman's
Building on the grounds at the field
meet and realized a neat sum.

Upon the invitation of Ward
Coble, of the Bend Theatre, Mrs.
Millican on Saturday night showed
about fifty slides illustrating the
campus, buildings and various ac-
tivities of the University.

Mr. and Mrs. Wm. A. Neumann,
of The Dalles, were guests of Mrs.
M. A. Robinson the first of the
week. Mrs. Neumann is a niece of
Mrs. Robinson.

A FINAL WORD ON ROAD BOND BILL

PROVIDES FOR IMMEDIATE CON-
STRUCTION OF HIGHWAYS

AUTO OWNERS WILL PAY BILL

Fund is Already Voted and Must Be
Paid by Car Owners and
Road Tax

Much has been said in opposi-
tion to the good roads bond bill that
has no bearing whatever on the measure
and which could be designed only to
poison and prejudice the voters
against it. That being the case, the
following pertinent facts are sub-
mitted for the information and
thoughtful consideration of the im-
partial voter on the eve of the spe-
cial election June 4th:

This road bond bill proposes the
issuance of \$5,000,000 twenty-five
year four per cent bonds for the
construction of a system of state-
wide hard-surfaced highways. The
roads to be improved are designat-
ed in the bill and include the main-
traveled roads throughout the state.

Adequate revenue has been pro-
vided by statute for paying both in-
terest and principal and retire the
bonds at maturity without increas-
ing taxes. The money derived from
the increased automobile licenses
and the existing quarter-mile state
road tax will pay the interest and
retire the bonds and leave a sub-
stantial balance for the construction
of other roads not enumerated in
the bond bill.

The increased automobile license
and the state road tax are provided
by statutes now in effect and will
have to be paid regardless of
whether or not the road bonds are
voted at the special election June 4.

The automobile owner is willing
to pay the increased license. All
that he asks is that the license
money, which has to be paid any-
way, be expended in constructing
the roads proposed in the bond bill.
The automobile owner will provide
all of the money necessary to meet
the interest charges and retire the
bonds. He fails to see why there
should be any opposition to the ex-
penditure of the money so provided
in the construction of good roads,
in view of the fact that it is his
money that will pay for the im-
provements.

All of the money raised from the
bonds will be expended under the
direction of the State Highway Com-
mission, appointed by Governor
Withycombe. The Commission has
announced that in expending the
fund all sections of the state will be
considered impartially. A dollar's
worth of road construction for
every dollar expended is guaranteed
by the Commissioners who have de-
clared that they will purchase one
or more paving plants and lay pav-
ing unless satisfactory bids are sub-
mitted by paving contractors. Or-
dinary common-sense business prin-
ciple will also govern the Commis-
sioners in their work of road build-
ing. Scarcity of labor and the
reasonableness of war-time prices
for materials will determine the
time for inaugurating work and the
scope of actual road construction.
Road building will not be under-
taken by the Commission unless con-
ditions are favorable.

Approval of the road bond bill
June 4th, will be an indorsement of
a plan that insures for the state the
construction of a system of hard-
surfaced roads with funds already
provided by law and without in-
creasing other taxes.

Vote 314 X Yes.

Last Thursday afternoon at the
Domestic Science rooms the students
of this department held an exhibi-
tion from 2 to 5 o'clock, and a large
number of the patrons of the school
inspected the excellent work which
had been done during the past year
under the able direction of Miss Eva
Jackson. Refreshments were served
the visitors by the young ladies of
this department.

C. C. H. S. TEAMS WIN CUP AND BANNER AGAIN

HISTORY REPEATS ITSELF IN
TRI-COUNTY CONTEST

REDMOND SECOND; BEND LAST

Large Crowds Present to Witness
Field Day Events Despite
Rigorous Weather

The C. C. H. S. athletes, spell-
binders, shorthand and typewriting
sharks, fans, friends and sundry
supporters advanced on Jefferson and
Deschutes county opponents in a
mighty host on Saturday at Bend,
with the result that the handsome
cup, the banner and numerous and
sundry gold medals and other
trophies of the conflict now repose
in the various homes of the winners,
all of which is just as it should be.

The day was bad, very bad indeed
and circumstances kept some of our
best men from being present with-
out notice of many hours.

Roads were impassable, and the
weather everything but inviting for
outdoor sports, but our men entered
the fray with a will, and when the
points were totaled Prineville had
52, Redmond 50 and Bend 14 only.

Results in high school track and
field events were as follows, the
winners being given in the order of
their placing:

High School
Fifty yard dash—Brennan, Prine-
ville; Young, Redmond; Johnston,
Culver; time 6 seconds.
Hundred yard dash—Tuck, Red-
mond; Brennan, Prineville; Coyner,
Bend; time 19 4-5 seconds.
Broad jump—Brennan, Prine-
ville; Van Allen, Redmond; Norcott,
Bend.
220 yard hurdles—Bonney, Prine-
ville.

ALL MEN 21 TO 30 MUST REGISTER JUNE 5

Because of the fact that there is
some misunderstanding on the mat-
ter of the war census, we are giving
here a summary of the points cov-
ered by the new law, and if you read
and follow these instructions you
will make no mistakes.

War census marshals, or regis-
trars, have been appointed by Sher-
iff Knox, one in each voting precinct
in the county.

Each marshal, or registrar, has
appointed, or there has been ap-
pointed for him, a number of de-
puty registrars or marshals, to assist
him in the work of registration
when the census day comes.

Places for registration in each
precinct have been, or are being
chosen, the plan so far as possible
being to use the regular precinct
voting place.

No compensation is to be paid the
registrars or their deputies for
their services, nor is any charge to
be made for the use of the polling
place where on private property,
citizens named for the work being
expected to give their services for
the day without remuneration as a
patriotic duty.

On the census day, Tuesday, June
5, all male citizens between the
ages of 21 and 30, inclusive, are to
present themselves at the place of
registration in the precinct of their
residence and give the information
called for by the registration off-
icers. This will be recorded by the
officers on cards.

All persons of the designated
ages who are too sick to go to the
place of registration may send their
cards, properly filled out, by a
friend.

All present in a precinct, whose
home precinct is elsewhere, may fill
out the cards at the office of the
county clerk in the precinct where
they are, and mail them to the
sheriff of their home county.
