R. A. Ward, of the U. S. Biological Department and R. A. Blanchard, county agriculturist, who have been holding demonstration meetings, were in Prineville Monday.

First Baptist Church—How does your garden grow? will be the national greeting for some months to come. It is well and important to remind ourselves that there is also a garden of the soul where the white flowers of purity, the red and blue of enthusiastic love and cheerful patience should be growing. Sunday, May 27 at 11 o'clock the pastor expects to preach on "The Challenge of God's Call"; at 7:45: "Man's Question—God's Answer." If you enjoy Gospel sermons, come. Church Bible School at 10; Young People's Rally at 6:45. Come to church.—F. C. Laslette, pastor.

Mr. and Mrs. L. S. Logan were in the city last week-end.

R. W. Rea, of Portland, was a business visitor in Prineville Saturday.

Mrs. Conrad, of Portland, is the guest of Mrs. I. Michel for a short time.

Miss Maude Gage, of Mitchell, is visiting friends in Prineville this week.

Miss Florence Wass left Monday for Seattle where she will spend the summer.

Mr. and Mrs. Robert Douglas have purchased the property belonging to F. W. Wright and will occupy it in a few days.

Dr. Turner, the well known eye specialist of Portland, will be at Prineville Hotel again Friday, June 1st, one day only. Dr. Turner is a specialist of experience and standing, and you will make no mistake in consulting him about your eyes and glasses. Headaches relieved, cross eyes straightened, satisfaction guaranteed. Be sure and call and let Dr. Turner show you the new invisible bifocal or double vision glass, without the unsightly lines or seams to catch dirt, strain the eyes or come apart. One light solid piece of glass that looks like a single pair, yet answers the purpose of two, enabling you to read or do close work and see distant objects perfectly. Call and see them. Don't forget the date. Dr. Turner makes no charge for consultation or examination. 27fs

The Journal \$1.50 per year.

## Metal Wheel Farm Trucks

This is a Good Substantial Truck of the Regular Wagon Pattern

It has 28 and 34-inch steel wheels, with 4-inch grooved tire, oval staggered spokes, 3 1/4 x 10-inch skeins, hickory axles, hard wood gear parts, regular mortised bolster stakes, ironed and ringed, circular angle iron front hound and regular wagon bolster plate. It is nicely painted and finished and has a capacity of 4000 pounds. Prices on application

# GROCERIES

We have the pleasure of announcing that we have a large stock of fresh groceries, a portion of which was bought considerably under the market and which we are selling under the market today. To our satisfaction we have stopped thousands of dollars from going to the Portland mail order houses during the past two years and the only business we have not stopped is the business that was not presented to us for quotations.

We invite the public to price their own orders from any Portland catalog of most recent issue and mail or deliver to us and we will fill the orders with freight charges added.
