EVERYONE SUPPORTS BIG RED CROSS DRIVE

RESPONSES BEING MADE BY
PEOPLE OF COUNTY

FINAL MEETING HERE FRIDAY

\$5000.00 Allotment Will Be Passed
Before End of Week—Crook
County At Top As Usual

The big Red Cross drive, which is being conducted all over the United States this week for the \$100,000,000 fund asked to put our hospitals to their greatest efficiency and enable them to get onto the field in Europe by the time the army arrives there, is being supported by everyone, and every person in the county will have donated his or her bit toward this wonderful work before the end of the week.

Meetings were held in five different localities in the county on Monday night and about \$600.00 was pledged toward the \$5000.00 fund that is to be raised in the county.

Local committees were appointed in each district to take up the work, make all collections possible and report to the treasurer, E. J. Wilson at the Crook County Bank, before the week closes.

Tuesday night the results were even greater than on Monday. Last night five meetings were held also in four localities, including Post, Roberts, Beaver, and Lower McKay and the responses were excellent.

The exact amounts given by each locality will be published in the reports next week, and everyone in every community should assist in various ways to help pile up the totals in their respective precincts. The County should and will be able to subscribe far more than the amount asked, and keep us in the position usually held in such matters, at the head of the list.

While the larger subscriptions are being made mostly by men who are past military age and some by ladies, many of the younger men are making their subscriptions in \$25 and \$10 amounts, one of them remarking that he expects to be in France before the end of the year, and wants a strong Red Cross there by that time. He says he is personally interested.

The big meeting in Prineville will be held tomorrow night at the Club Hall and the house should be crowded to capacity.

This is the best way that we can support our boys who are going into the trenches just at this time, and those who are not able to go should be prepared to make real donations to the cause.

It is your way just as much as it is the young fellow who is offering his life in the cause, and the least you can do is to be present with a good fat check or be prepared to sign a pledge card which enables you to pay in four equal monthly payments, starting on July 1.

PRINEVILLE WILL CELEBRATE JULY 4

Prineville will celebrate in an appropriate manner on July 4th with a patriotic program at Chautauqua, street parades and speeches.

A committee consisting of C. W. Elkins, E. J. Wilson and W. H. Conser are in charge.

Community days have been set apart for Chautauqua week as follows: July 3, Ochoco and Howard; July 4, Patriotic Day; July 5, Paulina and Post; July 6, Powell Butte; July 7, Bear Creek, and July 8 Culver and Lamonta.

Mr. and Mrs. H. J. Lister passed through Prineville yesterday afternoon enroute to Portland from their home at Paulina.

HARRY HYDE ARRESTED; DID NOT REGISTER; 29

Harry Hyde was placed under arrest yesterday noon by Deputy Sheriff Rowell, after he had received information from Hyde's former home in Linn county to the effect that he is 29 years of age.

When questioned concerning his age on Monday, Hyde said that he did not remember his exact age, but thought he was past 31. The address of his father was readily given, also information that he had been a member of the state militia in Linn county before coming here.

After wiring the proper officials at Albany, it was learned that his age is 29 years.

He was immediately placed under arrest and lodged in the county jail here.

The federal authorities have been notified about his arrest, and they will instruct the sheriff's office concerning future action in his case.

ROSE TRUCK IN WRECK

Driver Lost Control and Banked Runaway Freight Train

The big freight truck owned by E. L. Rose of this city became too much for its driver near the top of the grade west of the city Thursday evening and started down the hill at a rapid pace, gaining momentum every second.

The driver, a young man named Lawson, "banked" the truck, which was heavily loaded with freight together with its trailer.

The truck was badly damaged but the driver, trailer and both loads escaped uninjured.

FORD WENT OVER BRIDGE

Mr. and Mrs. Alvin Wise and Paul Clark in Bad Wreck

What might have been a very serious wreck occurred Tuesday evening after the Red Cross meeting at Upper McKay when the Ford car driven by J. Alvin Wise in which Mrs. Wise and Paul Clark were passengers, went off the bridge and into the creek some fifteen feet below.

The blowout of a front tire caused the car to swerve from the road on the approach of the bridge, and the left two wheels of the machine missed the bridge which threw the car, wheels up, into the channel of the creek.

Mrs. Wise was thrown over the car, falling on her shoulder many feet beyond, while Mr. Wise and Clark were both caught under the wreck.

None of the injuries received were of a serious nature, and the car was driven out on its own power after being righted.

A program of the very highest order is coming this year. A letter from Mr. J. B. Hurd, who is with the talent now in California assures The Journal that we cannot over-estimate the value of the program this year. We told you that it was worth the money last year, and it was.

He says further that the people are attending in large numbers and the war seems to assist in the feeling of cooperation and community development rather than discourage attendance.

Many of the numbers are up to the minute on the present situation, and the entire program offers recreation from the crisis which is of great value to everyone.

Perry Morgan was placed under arrest the last of the week by Sheriff Knox on a charge of failing to register on June 5.

He waived preliminary hearing on Saturday when brought before United States Commissioner Lake M. Bechtell, and his bond was fixed at \$1000.00, in default of which he was held by Sheriff Knox until the following day, when a deputy United States Marshal came from Portland and returned with him.

Morgan made no excuse for his failure to obey the order of the war department, evidently failing to realize that he would be apprehended so readily.

Sheriff Knox has investigated every case that he has been able to find where there has been any suspicion of a failure to register, and this is the first case that he has discovered.

Famous Band at Chautauqua

Royal Venetian Band to Tour the West Under Personal Direction of Joseph Lo Zito

THE Ellison-White Chautauqua System announce the first Western tour of the Royal Venetian Band. This is the band which during the past season was the feature musical attraction at Newport Beach, R. I., the most famous pleasure resort in America.

The Royal Venetian Band is under the personal direction of Signor Joseph Lo Zito, the noted Italian musician.

Signor Lo Zito has brought this band to the highest point of efficiency and perfection in music. Besides being in constant demand by the exclusive watering places for pleasure seekers, at conventions, inaugurations and similar

national events, the Royal Venetians have appeared on a number of the larger Eastern Chautauquas.

Special significance also attaches to the parallel Chautauqua announcement that one of America's greatest singers, Mary Adel Hays, coloratura soprano of New York, appears as soloist with the band.
