Colorado's Fighting Governor

Hon. George A. Carlson to Be Heard at the Chautauqua

HON. GEORGE A. CARLSON, the fighting Governor of Colorado, is coming to Chautauqua to deliver his stirring address, "The Price of Progress." Judge Ben B. Lindsay of Denver, with whom the Governor co-operated in securing the wisest legislation ever secured in the state, says of Carlson:

"He is a broad, courageous champion of good government. He has had a most novel, dramatic and intensely interesting experience as District Attorney and Governor of a great western state. He has a big vital message that comes from his broad and abundant experience with men and measures. I consider Chautauqua fortunate in securing his services."

GROCERIES

We have the pleasure of announcing that we have a large stock of fresh groceries, a portion of which was bought considerably under the market and which we are selling under the market today. To our satisfaction we have stopped thousands of dollars from going to the Portland mail order houses during the past two

years and the only business we have not stopped is the business that was not presented to us for quotations.

We invite the public to price their own orders from any Portland catalog of most recent issue and mail or deliver to us and we will fill the orders with freight charges added.
