The Central Oregon Nursery

PRINEVILLE, OREGON

Every ranch should have an orchard and berries sufficient to supply its needs for fruit. Ornamental trees and plants add many times their cost to the value of every home where they are planted. Money spent for good home-grown nursery stock will pay you a greater return than that invested in any other way. In addition to helping you, fruit trees and plants will assist the nation in the plan of food conservation. We grow our own stock near Prineville and guarantee you that they are all good clean, healthy, prolific plants
