Crook County Club Perhaps Best in State Says Blanchard
That the Crook County Boys' and Girls' Club is perhaps the best in the state is the opinion of R. A. Blanchard. He says that they are doing remarkably well, and will have some good reports to make when the gardens are all examined. Harold Baldwin offered a prize for the best cared for garden in Prineville, and there is considerable strife among the boys to secure it, which is \$5.00.
