

NEWPORT CONSTRUCTION CO. AT WORK

WILL WORK FROM BOTH ENDS AND CENTER OF CANAL

EICKEMEYER TO BUILD TUNNEL

Have Two Camps Established—One At O'Neil Ranch, and the Other on McKay

The Newport Construction Company is moving dirt on the main canal of the Ochoco Project in three different places along its length.

They have a camp established at the Chas. O'Neil ranch from which they will work two crews of men.

One of these will commence work near the center of the canal and will work either way toward the ends.

The steam shovel will start work on the east end of the canal and will move westward toward the center. On the west end of the canal will be a deep open cut which will be made from the camp on the old Powell place on McKay.

Another crew of men will work from this point eastward toward the center of the main canal.

In the ridge between Dry Creek and the east end of the table land will be a tunnel of some length. The rock work will be done by Mr. Eickemeyer, who is an expert in this class of construction.

Considerable dirt is being moved by Newport's each day and two weeks will see their operations in full play at all the points mentioned.

It is the plan of the board of directors and the contractors to have the canal system completed in early spring, and everything indicates at this time that this will be achieved.

WASHINGTON, D. C. OCTOBER 1, 1917.

TO THE AMERICAN FARMER, EVERYWHERE, U.S.A.

NEVER IN THE HISTORY OF OUR NATION HAS THE AMERICAN FARMER HAD THE OPPORTUNITY TO REPEAT WHAT THE "EMBATTLED FARMERS" OF 1775 DID WHEN THEY "FIRED THE SHOT HEARD 'ROUND THE WORLD" WHICH STARTED THE REVOLUTIONARY WAR.

TODAY THE "CALL" IS NOT "TO ARMS" BUT, "TO BONDS" - A CALL FOR YOU TO BUY THE NEW LIBERTY BONDS - TO LOAN TO YOUR GOVERNMENT MONEY WITH WHICH TO PROTECT YOUR LIFE - YOUR HOME - YOUR HONOR AND LIBERTY, FOR WHICH YOU WILL BE PAID IN RETURN 4% INTEREST ON YOUR INVESTMENT. NO TRUE AMERICAN FARMER WILL FAIL TO RESPOND TO THIS CALL AND THEREBY AGAIN SHOW TO THE WORLD THAT THE AMERICAN "TILLER OF THE SOIL" IS STILL - TODAY - THE BACKBONE OF THE U.S.A.

UNCLE SAM.

What Will Be YOUR Reply?

Will you be a U. S. backer, or Will you be a U. S. slacker?

To win this war it requires a vast amount of money, and if we don't win it, your home, your farm, your life, your rights, your liberty become subject to ruthless destruction.

To raise this money, your Government calls upon you for a loan. It does not ask you to give money - simply to lend it and in return gives you a U. S. Government Bond, the best security on earth, on which you draw interest, greater than bank interest, free from taxation, except inheritance and income surtax.

What Will Be Your Reply?

Here is an opportunity to show your patriotism and at the same time get on the Government's pay-roll.

Here is an opportunity for you to "do your bit" and show to the world that the American farmers are still the "backbone" of their country.

Here is an opportunity to say to your nation's enemies, in language none can fail to understand, that "money talks" - that America knows no defeat and that we intend to wipe militarism and despotism off the face of the earth and finally insure a lasting peace.

What Will Be Your Reply?

Do you know that the total value of the 1917 crops is estimated by Government officials at \$17,000,000,000 - nearly six times the amount of "The Second Liberty Loan of 1917"?

Do you know that the increase in the value of the 1917 crops over 1916 is \$2,000,000,000 - almost equalling this Second Liberty Bond issue?

Don't you think then, that the American farmers ought to "respond" liberally to their Government's call, especially when they get 4% interest on their investment?

What Will Be Your Reply?

You owe it to your country to "reply" with a subscription for as many bonds as you have money to spare.

You owe it to your country to "buy Liberty Bonds" as evidence of your patriotism.

You expect your country to "protect" your life, your home and your liberty.

Your country expects you to do your share toward that end by helping to maintain its credit by lending it your money in this critical hour.

What Will Be Your Reply?

The New Liberty Bonds will be issued in denominations of \$50 and up. The total amount is \$3,000,000,000 or more.

The interest rate is 4% paid semi-annually on Nov. 15th and May 15th. They can be paid for in installments: 2% on application; 18% on Nov. 15th; 40% on Dec. 15th; 40% on Jan. 15th, 1918. They are 25-year bonds, redeemable in ten years.

They carry a conversion privilege and can be changed for any higher interest bearing bonds issued at any succeeding time during the war.

They are exempt from taxation except inheritance and income surtax. The practical effect of this is to exempt holdings up to \$5000.

The subscriptions will start Monday, October 1st, and close October 27th.

Buy Your Bonds Today!

Don't put it off a moment. You have nothing to risk. Fill out the application below at once.

Send it to the publisher of this paper and you will have answered your country's call loyally, patriotically and also answered YOUR NATION'S ENEMIES in a way that will bring peace the quickest and most lasting.

If you want to buy, say one \$50 bond and wish to pay for it on the installment plan, you send with your Application Blank 2% or \$1.00; then on Nov. 15th you remit the 18% or \$9.00; on Dec. 15th you send \$20.00 and on Jan. 15th, \$20.00 making a total of \$50. If you buy two or more bonds your payments increase two or more times.

Don't sit back—slacking—wishing for peace. Wish-bones are mighty poor back-bones. YOU, the farmer, if worthy of being credited as the "backbone of our nation," must furnish the backing.
