

A POWERFUL AID
 When you feel sluggish and nervous, tired and indifferent, you have the first symptoms of declining strength and your system positively needs the special nutritive food- tonic in **SCOTT'S EMULSION**

to replenish your blood power, enliven its circulation and bring back the snap and elasticity of good health. *Scott's Emulsion* supplies Nature with the correct building-food which is better than any drugs, pills or alcoholic mixtures.

The Norwegian cod liver oil in *Scott's Emulsion* is now refined in our own American laboratories which makes it pure and palatable.
