THE WAR SAVINGS PLAN IS A NUTSHELL

The Government's War Savings Plan, is a plan by which you can lend small savings to your government at four per cent interest, compounded quarterly.

You lend to your Government by the purchase of war savings certificates and thrift stamps.

A war savings certificate costs \$4.12, if purchased this month or next—the cost to advance one cent each succeeding month during 1918. On January 1, 1923, the certificates will mature and the Government will pay you \$5 for it.

A thrift stamp is a stamp costing 25 cents to be applied in payment for a war savings certificate. It does not earn interest, its purpose being to help purchasers to accumulate in 25 cent pieces, the amount necessary to pay for a war savings certificate.

War savings certificates and thrift stamps can be purchased at your postoffice, from your city or rural mail carrier, at your city bank, and from your merchants and other authorized agents.

Though money with which to carry on the war to victory is the immediate consideration in the Government's war savings certificate and thrift stamp appeal, real and

lasting benefits to the nation are going to accrue by virtue of the more general practice of national thrift which the campaign is expected to develop. The Government hopes to make us a more thrifty people, not merely for the duration of the war but for all the time. Uncle Sam feels that if he can make us a nation of savers he will have made us a nation of servers to all mankind.

CARD OF THANKS

Mr. and Mrs. D. A. McDowell and family wish to thank their many friends for the kindnesses shown them during their recent bereavement.

The CORRECT TREATMENT FOR COLDS

Colds are contracted when strength is lowered and the inflammation easily develops bronchitis or lung trouble, while gripe and pneumonia frequently follow and any cold should have immediate treatment with

SCOTT'S EMULSION The National Strength-Builder

which first builds up the forces by carrying rich nourishment to the blood streams and creates real body warmth. Its cod liver oil is the favorite of physicians for correcting bronchial disorders and chest troubles.

The imported Norwegian cod liver oil always used in Scott's Emulsion is now refined in our own American laboratories which guarantees it free from impurities. Scott & Downe, Bloomfield, N. J. 17-19
