

War to End In January

That Is to Say, the Power of the Beast Is to Be Overcome In Forty-two Months

The great mystery of the most occult book of the Bible is the verse in Revelation relating to the Beast and his number, 666. A comprehensive study of this verse, this number and the relation of combinations of this number to the present world war, the German Empire and the German Kaiser, would seem to establish without a doubt the identity of the Beast as the German Kaiser, and the number 666 as being prophetic of his character and acts. And furthermore, it is established from this verse that forty-two months is to be the duration of the war, which will bring to an end the power of the Beast in January.

"Let him that hath understanding count the number of the beast."—Revelation xiii, 18. "Despise not prophecies."—1 Thessalonians v, 2. There are 9 Arabic numerals, of which 9 is the highest. By adding the nine numerals together the result is 45, and the addition of the 4 and 5 in the 45 is 9. There are twenty-six letters in the alphabet from A-1 to Z-26, and each letter has a number corresponding to its position in the alphabet. In other words, each letter has a numerical representation. For example, the letter B is represented by No. 2, H by No. 8, L by No. 12, each letter in the alphabet having its corresponding number. The sum of all the letters in the alphabet—namely, the numerical representation when all the twenty-six letters are added together—is 351, and the addition of 3, 5 and 1—in the 351—produces 9, which is the highest Arabic numeral, and the multiplication of 3, 5 and 1 produces 15, and the addition of 1 and 5 in the 15—produces 6. Thus it is by addition or multiplication or both where not already specified that the results are obtained from the narrative that herein follows: The correlation of the Arabic numerals and the alphabet is to verify the interpretation of the prophecy in the Holy Bible in relation to the dates, periods and numbers bearing upon events of fundamental importance in the history of the world, the continuation of Christianity and civilization.

The discovery by employment of the highest Arabic numeral with the numerical representation of the alphabet and the figure 6 in interpretation of certain chapters in the book of Revelation defines how to correlate graphically momentous events in the Holy Bible with those relative to the German empire and the entry of the United States into the world war. By an analysis of the figures, numbers and phrases relating to the description of the last prophetic narrative in the Holy Bible and by application of the result of such analysis to certain marked events in the present epoch there are at once revealed a series of reciprocal relations and coincidences which in extent and analogy denote the revelation, amazing and astounding though it may be, that contemporary history is the period described in the book of Revelation and that the Prussian masters of the German empire, through the spiritual blindness of the German people, are responsible for the most wicked and appalling catastrophe in the Christian era.

"And there was given unto him a mouth speaking great things and blasphemies" (Revelation xiii, 5). "Look on myself as God's instrument, I will go my way without regard to the stress and opinions of the times." (Kaiser William II., Aug. 25, 1910, at Koenigsberg). "The king of Prussia or the German emperor must always be in a position to say to any lieutenant, 'Take ten men with you and close the reichstag.'" (Oldenburg Jannschau, speaking for his master, the Kaiser).

The interpretation herein does not include an examination into conditions which connect the acts of the Roman masters of the German race at the dawn of Christianity with the German people of today. The indelible stigma upon the German Legion through their failure to protest at the decision of Pontius Pilate and by reason of their performance of the act of crucifixion of Jesus Christ attained its apotheosis these latter years. "By their fruits ye shall know them." The results from the teaching of the people of Germany these modern times have been manifested in the practices upon old men, women and children in Belgium and northern France. The Teuton intruc-

tion that defies dominion and sanctifies vassalage if permitted to endure will lead to the destruction of all ideals. Such barbarous results, according to the Bible, will not take place! Civilization will become enthroned upon the earth, as is evident to all who study the Scriptures and believe in Almighty God.

A Surprising Interpretation. The Symbol Is Nine. By addition or multiplication, or both, the nine Arabic numerals when reduced to one numeral equal nine. 1, 2, 3, 4, 5, 6, 7, 8, 9. The addition is 45, and 4 plus 5 are 9. The multiplication is 45360 and 4 plus 5 plus 3 plus 6 are 18, and 1 plus 8 are 9.

REMEMBER THE SIXES.

Thirty-six is the combined number of verses in the thirteenth and seventeenth chapters of the book of Revelation, and they are the only chapters in the book containing eighteen verses each. Chapter xiii, verse 9, contains the great symbol. Thirteen multiplied by nine equals 117, and one plus one plus seven equal nine. "If any man have an ear let him hear." Verse nine contains: Words, nine; letters, twenty-seven. Nine plus nine plus twenty-seven equal forty-five. The nine Arabic numerals total forty-five, and four plus five equal nine.

Whereas, the Imperial German government has committed repeated acts of war against the government and the people of the United States of America; therefore, be it Resolved by the senate and house of representatives of the United States of America in congress assembled, That the state of war between the United States and the Imperial German government which has thus been thrust upon the United States is hereby formally declared, and that the president be, and he is hereby authorized and directed to employ the entire naval and military forces of the United States and the resources of the government to carry on war against the Imperial German government, and to bring the conflict to a successful termination all of the resources of the country are hereby pledged by the congress of the United States.

Dynasty of Prussia is nine (ninth dynasty). Dynasty of German empire is three (third dynasty). Multiply nine by three; the result is twenty-seven, and two plus seven equal nine.

KAISER WILHELM II. Year of birth, eighteen hundred and fifty-nine. One multiplied by eight, eight by five and forty by nine equals three hundred and sixty. Three plus six plus nought equal nine.

Date of birth January twenty-seven. Two plus seven equal nine. The numerical representation of letters in the word January reduces to nine.

The year of reign of Kaiser when he declared war is twenty-seven; two plus seven equal nine. Revelation, chapter thirteen, verse one, "And I stood upon the sand of the sea and saw a beast rise up out of the sea having seven heads, ten horns, and upon his horns ten crowns, and upon his head the name of Blasphemy." The sum of the numbers in this verse is twenty-seven, and the number reduces to nine.

With the addition of the number six to each letter the sum of the numerical representation of the sixteen letters in heads, horns, crowns, and the forty-three letters in heads, horns, crowns, blasphemy, submarine, autocracy reduces to nine. The words autocracy and submarine are interpreted from the word blasphemy in the verse.

The total is one hundred and ninety-six, which is the second cipher of the symbol. One multiplied by nine, by six equals fifty-four, and five plus four equal nine.

Political Divisions of German Empire. A-1, Prussia; B-2, Bavaria; C-3, Saxony; D-4, Wurtemberg; E-5, Baden; F-6, Hesse; G-7, Mecklenburg-Schwerin; H-8, Saxe-Weimar; I-9, Mecklenburg-Strelitz; J-10, Oldenburg; K-11, Brunswick; L-12, Saxe-Melningen; M-13, Saxe-Altenburg; N-14, Saxe-Coburg-Gotha; O-15, Anhalt; P-16, Schwarzburg-Sonders-

hausen; Q-17, Schwarzburg-Rudolstadt; R-18, Waldeck; S-19, Reuss-Greiz; T-20, Reuss-Schleiz; U-21, Schaumburg-Lippe; V-22, Lippe; W-23, Lubeck; X-24, Bremen; Y-25, Hamburg; Z-26, imperial territory of Alsace-Lorraine; &-27, the lost imperial colonies. Total political divisions, twenty-seven. Two plus seven equal nine.

Multiply the twenty-seven political divisions of the German empire by the number of the chapter, thirteen, in the book of Revelation containing the symbol, and the result is three hundred and fifty-one, which is the numerical sum of the number of letters of the alphabet, and three plus five plus one equal nine.

The sum of the number of letters in the word German in the second cipher is fifty-eight. Multiply fifty-eight by nine and the result is five hundred and twenty-two, and five plus two plus two equals nine. The age of the Kaiser at the present year is 58. Five plus 8 is thirteen, the chapter in the book of Revelation.

The sum of the number of letters in the word empire in the second cipher is sixty-six. The number of books in the Holy Bible is sixty-six. Six multiplied by six is thirty-six, the number of verses in the thirteenth and seventeenth chapters in the Book of Revelation.

Remarkable Scriptural Revelation. Kaiser and the Number. "Number and the Beast." "Six Hundred Three Score and Six." "Here is wisdom: Let him that hath understanding, count the number of the beast, for it is the number of a man, and his number is Six Hundred Three Score and Six."

Revelation, chapter xiii, verse 5, "And there was given unto him a mouth speaking great things and blasphemies, and power was given unto him to continue for two months."

Multiply chapter xiii in the Book of Revelation, which is the twenty-seventh book, and the date of the birth of the Kaiser, and the result is the sum of the numerical representation of the letters of the alphabet—namely, 351. Three plus five plus one equal nine.

Multiply the date of the birth of the Kaiser, twenty-seven by the twenty-seven letters in the sixth verse in the thirteenth chapter of Revelation, and the result is 729. Seven plus two plus nine equal eighteen. One plus eight equal nine.

Multiply the date of the birth of the Kaiser, twenty-seven, by the number of the symbol verse nine in the thirteenth chapter of Revelation, and the result is 243. Two plus four plus three equal nine.

Multiply the date of the birth of the Kaiser, twenty-seven, by the number of political divisions in the German empire, twenty-seven, and the result is 729. Seven plus two plus nine equal eighteen. One plus eight equal nine.

Multiply chapter thirteen of the Book of Revelation by twenty-seven (which was the year of the reign of the Kaiser, the year he proclaimed what is destined to be the greatest holocaust in the history of the Christian era) and the result is 351. Three plus five plus one equal nine.

REMEMBER THE ALPHABET. MULTIPLY THE NUMBER OF THE BEAST, SIX HUNDRED AND SIXTY-SIX, BY FORTY-TWO MONTHS DURATION OF POWER IN THE WAR AND THE RESULT IS 2772. TWO PLUS SEVEN PLUS NINE PLUS SEVEN PLUS TWO EQUALS TWENTY-SEVEN. TWO PLUS SEVEN EQUALS NINE. THE RESULT READS THE SAME BOTH WAYS AND EXPRESSES IT TWICE THEREIN. THE RESULT NOT ONLY CONTAINS THE SYMBOL OF THE BATTLE OF THE MARNE, BUT THE NUMBERS PRODUCE, BY ADDITION, SUBTRACTION, MULTIPLICATION, AND DIVISION, INTERPRETATION OF SIGNIFICANT EVENTS.

Multiply the number of the beast, six hundred and sixty-six by twenty-seven political divisions in German empire and the result is seventeen thousand nine hundred and eighty-two. One plus seven plus nine plus eight plus two equal twenty-seven. Two plus seven equal nine.

Multiply number of beast, six hundred and sixty-six, by the date of the birth of the Kaiser, twenty-seven, and the result is seventeen thousand nine hundred and eighty-two. One plus seven plus nine plus eight plus two equal twenty-seven. Two plus seven equal nine.

Multiply number of chapter in the book of Revelation, thirteen, by number of verses in the chapter, eighteen, and the result is two hundred and thirty-four. Two plus three plus four equal nine.

Numerical representation of the eighteen verses in the thirteenth chapter of Revelation equal one hundred and seventy-one.

The Correlation of Numbers Relating to Years and Dates of Certain Events of Importance in the History of the United States and the War. The reason for the statement that the sum of the nine numerals is the great symbol is ascertained by a study of the Holy Bible.

The last book in the New Testament is twenty-seven, and verse nine, chapter thirteen, contains nine words and twenty-seven letters. These five numbers are as follows: 27, 9, 13, 9, 27. These figures, singly and by combination make units coinciding with those dates which bear upon world events relating to autocracy and democracy. Fifty-eight is the age of the Kaiser at time of entry of the United States into the war. Twenty-seven is the political divisions of the German empire. Thirteen is the original number of states at birth of American nation. Forty-nine is the number of states of the Union and the District of Columbia in the year 1917.

Read the Book of Revelation, chapter thirteen. The number of verses in the chapter are eighteen. One plus eight are NINE (1). The last verse is eight-ten. One plus eight are NINE (2). The verse of the symbol is NINE (3). The words in the verse are the symbol of NINE (4). The letters in the words of the verse are twenty-seven. Two plus seven are NINE (5). The sum of the five NINES is equal to the sum of the nine Arabic numerals, which is forty-five. Forty-five added to thirteen, the number of the chapter is fifty-eight.

THE KAISER.

"And there was given unto him a mouth speaking great things and blasphemies, and power was given unto him to continue forty and two months."

eight, the year of the age of the Kaiser. The year of the reign of the Kaiser when he declared war is twenty-seven, which is the number of the last book of the New Testament and the date of the birth of the Kaiser.

The states of the Union, together with the District of Columbia, number forty-nine, and four multiplied by nine equals thirty-six and three plus six equals nine.

The congressional representation of the nation number five hundred and thirty-one, and five plus three plus one equal nine.

The days, weeks and months representing the period beginning with the declaration of war by AUTOCRACY and the entry into war by DEMOCRACY are 979, 139 and 33, respectively—Aug. 2, 1914 (9); April 6, 1917 (9)—and these numbers reduce to nine.

"IF ANY MAN HAVE AN EAR LET HIM HEAR."

In this verse there are twenty-seven letters. Two plus seven equals nine.

The sum of these three nines is twenty-seven, which reduces to nine.

One of the three numerals, 2, 4, 3, are needed to express the numbers of the several letters included in each one of the nine words in verse nine, chapter thirteen, book twenty-seven of the New Testament—namely, there are two words with 2 letters each, two words 4 letters each, five words with 3 letters each—2, 4, 3. These numerals are the same as those obtained by multiplying nine, the number of the symbol, by (a) the number which defines the last book in the New Testament (27); (b) by the political divisions of the German empire (27); (c) by the date of the birth of the Kaiser (27); (d) by the number of letters in the symbolic verse nine (27).

PROCLAMATION.

The books in the Old Testament are 39, (9). The books in the New Testament are 27, (9). The books in the Holy Bible are 66, (9). The chapters 1,180, (9). The verses 31,173, (9). The words (two versions) 773,002, (9)—773,476, (9). The letters (two versions) 3,567,190, (9)—3,560,490, (9).

WHEN YOU CONSIDER THAT THERE ARE THREE MILLION FIVE HUNDRED AND SIXTY-SEVEN THOUSAND ONE HUNDRED AND EIGHTY-LETTERS IN THE HOLY BIBLE, IS IT NOT A REVELATION OF GREAT SIGNIFICANCE THAT THIS IMMENSE NUMBER OF LETTERS ARE SO CLASSIFIED AS TO APPEAR BUT ONCE ONLY IN THE FORM OF A VERSE WITH JUST NINE WORDS COMPOSED WITH THAT NUMBER OF LETTERS WHICH EQUAL THE SUM OF THE THREE SIXES AND THE GREAT SYMBOL NINE? THERE IS NO OTHER VERSE IN EITHER THE OLD OR NEW TESTAMENT IN WHICH THE NUMBER OF THE VERSE AND THE WORDS IN THE VERSE ARE OF THE SAME DENOMINATION AND WHEN ADDED TO THE LETTERS IN THE VERSE, PRODUCE A RESULT EQUAL TO THE SUM OF THE NINE ARABIC NUMERALS, NAMELY, FORTY-FIVE.

There are four modes of scriptural interpretation—literal, allegorical, topological and anagogical. Students are privileged to establish new classifications as shall suit their convenience in explanation of the data herein contained, and each can decide how many coincidences and correlations of events through a symbolic number are necessary in the verification of interpretation of Bible prophecy.

Prodigal

Professors have a tendency to acridity. One wrote once upon a "theme," "Your vocabulary is mean and poor, but amply sufficient for the expression of your ideas." To another a proud youth remarked, "I have spent ten years upon my education." "Prodigal!" was the reply.—New Republic.

STRONG ATTACK IS MADE BY GERMANS

Positions on Cambrai Front Are Taken, But Are Mostly Regained By British.

London.—Germany has struck her first strong blow on the western front since the heralding of a great offensive and the British have held it in check. The attack, which resulted in heavy fighting, was made on a short front on the southern end of the salient before Cambrai.

The attackers gained a foothold in British trenches but later were ejected in part by counter attacks. The German thrust was on a front of more than two miles between Marconing and La Vaquerie, and against positions which the British have held since the retirement after General Byng's successful blow.

In the center the Germans were held for no gain, but on either end of the assaulting front they entered the British front line. The British counter attacks drove the Germans from part of these positions and resulted also in the capture of some prisoners. Berlin claims that front line positions and a "few hundred" prisoners were captured.

The Germans also have been active at other points along the front, but their local attack in the Ypres sector and their raids northeast of Verdun brought no successes. These efforts follow upon heavy German fire in these three sectors, Cambrai, Ypres and Verdun, and may be forerunners of determined attacks.

GOVERNMENT NOW IN CONTROL OF ROADS

Washington.—The railroads of the United States have passed into government possession and Secretary McAdoo, designated by President Wilson as director-general of railroads.

Definite steps toward national unification of railroads and improvement of congested conditions were taken by Director-General McAdoo in the appointment of a temporary staff and the issuing of his first formal order directing absolute pooling of all traffic, common utilization of terminals, rolling stock and other facilities, hauling of freight by the shortest routes and retention of all present officers and employes.

Through the railroad war board Mr. McAdoo called on all railroad presidents to take up vigorously the question of common use of terminals and parallel lines, wiping out competitive prohibitions and waiving competitive control of solicitation of traffic.

The interstate commerce commission was requested to make an immediate investigation of "conditions existing on all trunk line railroads in eastern territories."

Walker D. Hines, of New York, a railroad lawyer and for many years a special student of government operation, was appointed assistant director general, pending the formation of a permanent staff.

Prison Term for Slackers.

Washington.—Dishonorable discharges from the army, which many officers believe have been seized upon by slackers and objectors as the vehicle of escape from military service, will no longer provide such an opportunity under an order issued by Secretary Baker. A prison term will go with each dishonorable discharge.

Germany Must Repent.

New York.—Washington, London and Paris are a unit in the face of the last German peace "feelers," in insistence that the world cannot be made safe for democracy without a repentant Germany and one willing to show that repentance by restitutions and assurances for future good behavior.

Training Camp Deaths Number 1394.

Washington.—From September 24 to December 14 there were 1394 deaths in the training camps, the war department announced late this afternoon. During that period there were 916,722 soldiers in the camps.

First Submarine Prisoners Taken.

Washington.—The United States destroyer Fanning, aided by the United States destroyer Nicholson, was officially credited with capture of the first German submarine prisoners of war. Four officers and 35 members of the crew were taken prisoners.

An appropriation of \$500,000 will be asked of congress by Senator McNary to enable the government in co-operation with the city of Portland to improve Columbia slough from Sandy river to the Willamette, in order to provide an outlet for sewerage and drainage.
