PRINEVILLE, CROOK COUNTY, OREGON, JANUARY 31, 1918

NO. 12

WAR VETERANS DUE FRIDAY AFTERNOON

WILL SPEAK AT CLUB HALL—
ADMISSION FREE

WERE WOUNDED IN THE SERVICE

Are Completing a Speaking Tour of
State—No Collections
To Be Taken

Tomorrow afternoon the three Canadian veterans of the present war will speak at the Commercial Club to all who care to attend, without any admission charges.

These men, Major F. B. Edwards, Lieutenant-Colonel MacMillan and Captain E. J. Gook, have all seen active service in many battles in Flanders, have all been wounded and while off duty are trying to assist in the task of letting the people of this country know just what the conditions are in Europe.

They have met with the greatest receptions everywhere, and will no doubt be greeted by a large audience here.

Plans are being made for their reception, and all who hear them will have wonderful first hand information of the battles which our boys will figure in during the coming months.

The party will arrive about 9:30 and will be taken to the Ochoco dam and to other points of interest on the project, and will be given a luncheon at noon at Hotel Prineville.

The speaking will take place at 2 o'clock. The Ladies Annex will serve tea in the Annex rooms and have a formal reception after the speaking.

Music for the occasion will be provided by the Cadet Band.

PROCLAMATION

Numerous appeals have been made to me by pious and patriotic associations and citizens, in view of the contemplated visit of the officers of the state council of defense who will be in our city, with speakers of note, on Friday, February first, and will address the public on the most important topic of the day.

Now, therefore, I, D. F. Stewart, by the authority invested in me by the city council of Prineville, do appoint Friday, the first day of February, 1918, as patriotic day, and ask that all business be suspended during the time of the addresses and that all citizens join in the welcome of these distinguished guests to our city.

D. F. STEWART, Mayor.

C. C. H. S. PLAYED REDMOND

Basketball Teams Journey to Redmond Friday Evening

The Crook County High basketball team was defeated Friday evening by the Redmond High at Redmond. This is their first defeat this season. The score was 26 to 11.

A team composed of freshmen from the high school and public school students defeated a similar team from the Redmond schools the same evening in Redmond. The score was 12 to 6.

PRINEVILLE-THE DALLES TIE IN DEBATE FRIDAY

Prineville 2, The Dalles 1 at Prineville; Prineville 1, The Dalles 2 at The Dalles.

Prineville debaters received a tie decision in the two debates with The Dalles when the two high school teams met Friday evening last.

The old antagonist that has caused the high school teams so much agony in past years was their first difficult team this year, and it is yet to be seen whether the matter can be decided by points or another debate will be held as a compromise on some new topic.

ANOTHER SHIPMENT OF ORE FROM MAYFLOWER

W. T. Davenport returned from Tacoma yesterday where he went with a car load of ore from Ophir-Mayflower mines near Howard.

The shipment weighed 21,655 pounds and averaged \$156 in gold and \$16 in silver to the ton, or a total of \$33612.92 for the lot.

Another forty ton shipment is ready at the mines, but bad roads, and the long haul to Redmond is delaying the shipment of this lot.

The completion of the railroad to Prineville will reduce the haul to one-half and will greatly facilitate the shipment of this ore, which pays well even with the long truck haul.

The mine is owned by Davenport & Champion, and has been profitably worked for some time. It is located just 28 miles east of this city.

MERCURY HITS BOTTOM; PLUMBERS ALL HAPPY

From a minimum of fifteen above zero Tuesday night to ten below last night the mercury dropped to the dismay of everyone who has been experiencing the warm springlike days of the past three months. That is, everyone but the plumbers and fuel men, who are smiling and happy.

The lowest point the mercury had reached prior to that date was 17 above on January 20, and the high record for the month was on January 24, which was 55 above.

The warmest point reached yesterday was 37 above, or just five degrees above freezing.

The average for the month was about 43 maximum and 30 minimum.

Precipitation for the month, according to the records kept by Mrs. W. J. Pancake, government observer, totaled 1.04 inches which is a good record for January. The greater part of this fell on January 11 and 12, when the total rainfall was .38 inches. The snow fall yesterday measured .06 of moisture.

REGISTER

Owing to the fact that the Secretary of State has asked that the registration list be forwarded to that office at once, the County Clerk wishes to urge all electors who have not registered, or, who have changed residence since the last election that was held in Crook County, to register without delay.

SCHOLARSHIP LOAN FUND

Silver Tea Given By Ladies Annex Tuesday Afternoon

The silver tea given by the Ladies Annex, Tuesday afternoon for the benefit of the Scholarship Loan Fund was well attended. The proceeds were very gratifying. A musical program was given during the afternoon.

TWO WHEATLESS DAYS EACH WEEK FOR ALL

ONE WHEATLESS MEAL EVERY DAY IN THE WEEK

USE OF PORK CURTAILED ALSO

These Regulations Apply to Every Family in the Nation

New food regulations have been issued by the administration, to take effect at once, and should be observed strictly by all people.

In the other nations that are at war, it has become necessary to impose strict laws making food regulations of the strictest kind, but in this country all people are asked to observe the rules without the necessity of passing laws. The more heed that is given the requests, the less need there will be for laws making their observance necessary.

A brief summary of the regulations for Oregon follows:

For households and eating places—Wheatless Mondays and Wednesdays; wheatless evening meal each day; porkless Tuesdays and Saturdays; one porkless meal each day; use of one pound of substitute to each three pounds of wheat products.

For bakeries and hotels—Baking of "Victory" bread, with increasing substitution of from 5 to 20 per cent of elements other than wheat flour.

For all food dealers—Wheat flour purchases limited to 70 per cent of those for same months last year; sale of requisite proportions of flour substitutes to flour purchasers; no profiteering.

T. B. Wilcox, Federal Milling Commissioner, to send inspectors throughout state to enforce regulation at mills.

TWOHY BROS. IN NEW LOCATION

Move to Offices Formerly Occupied by Telephone Company

Twohy Brothers' office has been moved to offices formerly occupied by the Pacific Telephone Company in the Adamson building. They occupy four rooms in the new location, and are much better prepared to care for the large amount of business they handle than in their former location.

TO PROVIDE SMILES FOR OUR FIGHTING MEN

GOVERNMENT REALIZES POWER OF SMILEAGE PROGRAM

CHAIN OF CLEAN THEATRES BUILT

People Will Be Asked To Purchase Smileage Books For Boys at Front

Did you ever see a boy or man fight who always keeps smiling? If so, you have never seen that boy or man defeated.

This is true with a body of men, with an army of men, and to this end, to prevent your boy, your friend's and your neighbor's boy from becoming homesick while fighting your battles, a plan has been worked out by the war department and a chain of theatres and tents established at all the camps, both in America and in France, which are called Liberty Theatres, where clean plays, movies and other kinds of entertainment will be given at actual cost of production.

The plan carries with it a scheme to ask the people to buy coupon books, smileage books they are called, which will contain 20 coupons, any one of which will admit the bearer to any of the government Liberty theatres.

You may think that you have made sacrifices enough for this war, that you should not be troubled with little matters like shows for soldiers.

Did you ever think of the sacrifices the soldier is making, serving under our flag in weather much worse than Oregon knows, at less than he receives when at home, and did you ever think of the inconveniences you may experience if these boys become disheartened and the war goes on, or comes on, to American soil?

We have not yet commenced to make sacrifices in this war. It is your fight just as much as it is the fight of the boy in uniform.

Do you think this campaign worth while? The War Department does, and has outlined a plan whereby you can help in its execution.

If you wish to assist, call at this office, and we will outline the plan further to you.

The Journal goes modern printing

SENATOR CHAMBERLAIN

Senator Chamberlain, whose recent speech criticising conduct of the war aroused great interest.

FIFTEEN STUDENTS PASS EIGHTH GRADE FINALS

Fifteen students were granted diplomas from the public schools and will enter high school at the beginning of the second semester.

Cecil Bowlin received the highest grade. The names of the graduates are: Cecil Bowlin, John O'Kelly, Elva Wilhoit, Marjorie Wilson, Raymond Smith, Louis Stewart, Robert Hayes, Dovie Ashley, Essie Reams, Madge Rowell, Edwin Wallace, Wernie Demaris, Letha Roberts and Vera McKenzie.

GRILL-DINER OPENING

Mother Thompson Has Modern Place in New Location

The new Oregon Grill-Diner will be open for business tomorrow, in the building formerly occupied by the Journal, first door south of the Ochoco bridge.

The building has been thoroughly equipped with modern appliances for the Grill, and its present owner, Mrs. Thompson, will be well prepared to care for all her former customers and new ones as well.

DR. MARVIN COMING

Will Hold Meetings at Methodist Church For Two Weeks

Dr. Marvin, of Portland, will open a two weeks' series of meetings at the Methodist church in this city on February 9.

He is an able man, of wide experience, and will offer an excellent opportunity for all who are able to attend his meetings.

L. B. LAFOLLETT SELLS THE OCHOCO CREAMERY

A deal was closed today at Redmond whereby the Ochoco Creamery and the Redmond Creamery were sold to Turner & Pease Co., of Seattle by L. B. Lafollett, who has operated these plants for the past three years.

The actual transfer of the properties will take place tomorrow.

The Turner & Pease concern is one of the largest operators in this business in the west, and they have bought the surplus products of these plants for the past two years, and consider the output to be of the highest quality.

J. E. Adamson will remain in charge of the local house for the present at least, and Mr. Lafollett will be associated with the new firm for the next thirty days or until the new manager becomes well able to care for the interests of the patrons.

J. T. Hardy, of the O. T. R. R., is in Prineville today.

Lloyd Cantrill returned yesterday from Kansas City where he has been for several weeks.

PRINEVILLE DEALERS FACE WAR CONDITIONS

SUPPLIES OF SUBSTITUTES FOR WHEAT NOT GREAT

MEASURE IS PREVENTATIVE ONE

Dealers Cannot Ignore It—Make Your Grocery Orders Accordingly

War came to Prineville merchants yesterday in more concrete form than ever before when the order from food commissioner Ayer was received limiting the sale of wheat flour and wheat products.

The regulations are strict, limiting the sales of wheat to 75 percent of the amount of substitute sold at the same time to the same person.

For example, it will be impossible to go to the store and buy a barrel of wheat flour as in former times.

One sack at a time is the limit that may be sold to any one excepting those living at a distance, and to them the limit is raised to two sacks. At the same time the purchaser must buy at least 17 pounds of substitute.

Local merchants have a sufficient supply of substitutes to care for their normal trade, and a further supply will be on hand before the present stores are exhausted.

In his letter to local dealers Mr. Ayer says:

"Due to congested traffic conditions and the consequent unequal distribution of some of the substitutes I have secured a modification of the 50-50 order for this State. The order as applied to Oregon is as follows: Dealers selling to consumers must sell one pound of a substitute or substitutes with every three pounds of wheat flour sold. For instance to sell a 49 lb. sack of wheat flour a dealer must in the same purchase sell 17 lbs. of one or more of the substitutes listed below; with every 24 lb. purchase of wheat flour must go a purchase of 8 lbs. of a substitute, etc.

"Substitutes are as follows: Barley, Buckwheat Flour, Corn Flour, Potato Flour, and Rice Flour, Corn Meal, Corn Starch, Corn Grits, Hominy, Oat Meal, Rolled Oats and Rice. Wheat Flour includes Graham and Whole Wheat Flour.

"The rules issued January 11, 1918, covering the quantity of flour to be sold to each customer, remain in full force and effect.

"These regulations are not made on account of any present shortage of flour, but in order that a shortage may not occur later, and thus prevent this Nation from doing its full duty to its Army in France and to the Allies."

PLAN LIBERTY LOAN

T. M. Baldwin Goes to Portland As Crook County Representative

T. M. Baldwin is in Portland this week representing Crook County in the completion of the plans for the Third Liberty Loan drive. The amount for this one will be more than for the former two drives combined, which will mean that the amount will be about fifty million for the state.

STOCKMEN MUST APPLY FOR RANGE PRIVILEGE

Forest Supervisor V. V. Harpham says that applications for grazing permits in the Ochoco National forest must be in his office by February 28 this year if the stockmen wish to get the ranges they desire.

Considerable confusion has occurred in the past by stockmen allowing this matter to be delayed until later in the season. The demand for range this year makes this matter more important than ever before, and it should not be neglected.

Save

1-wheat

use more corn

2-meat
