

A Soldier's Strength

Every enlisted man would stand up stronger during the first year's service if he could have the benefits of

SCOTT'S EMULSION

because it fortifies the lungs and throat, creates strength to avoid grippe and pneumonia and makes rich blood to avert rheumatic tendencies.

Send a bottle of SCOTT'S to a relative or friend in the service.

The Norwegian cod liver oil in Scott's Emulsion is now refined in our own American laboratories which makes it pure and palatable. Scott & Bowne, Bloomfield, N. J. 17-14
